

## ***BIDDER RESIDENCY CERTIFICATION***

The State of Texas has passed a law concerning non-resident contractors. This law can be found in Texas Local Government Code under Chapter 2252, Subchapter A. This law makes it necessary for the Ector County Independent School District to determine residency of its offerors. In part, this law reads as follows:

“Section: 2252.001

(3) "Nonresident bidder" refers to a person who is not a resident.

(4) "Resident bidder" refers to a person whose principal place of business is in this state, including a contractor whose ultimate parent company or majority owner has its principal place of business in this state.

Section: 2252.002

A governmental entity may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in:

- (1) the state in which the nonresident's principal place of business is located; or
- (2) a state in which the nonresident is a resident manufacturer.”

I hereby certify the following information to be true and correct:
