

Set questions/ Answers:

1. We understand only 30 day badges are issued from Pass and ID to access the base. Will the Government issue at base access pass for the duration of the contract? / /A: Pass ID Office is giving 180 days badges for visitor right now.

2. Will the Government receive deliveries of the needed materials? //A: the Government should not receive deliveries of material.

3. Is all work during normal hours? PWS stated hours of operation – see page 11, 1.6.4

4. Who is responsible for bringing the units online after the air test has passed? // A: the contractor should be responsible for bringing the equipment back on line.

5. Does this contract cover air lines, and filters before and after the breathing air unit? //A: PWS stated specific tasks – see page 18- 5. Specific tasks all duties that need to be performed annual and semiannual as required.

The pictures show only one of the two units to be contracted, the other one is exactly the same-

*everything shown in the pictures is to be maintained by the contractor for only one of the two identical units.
