Subject: Request for Proposal (RFP) ACQR #5905783 B141 Research Vehicle Storage EXTENDED PROPOSAL DUE DATE

Importance: High

Good Morning All,

Proposal due date for subject project is being extending to 1 August 2022. This is in the response to the number of RFI questions that were received and allowing the technical analyst time to process and all of you time to construct your proposals based on the answers once received. If you have any questions please let me know.

V/r,
Rebecca Spaulding
