f. FAR Provision 52.212-1 (Instructions to Offerors - Commercial Items) (Jan 2017) applies to this acquisition. Para (k) requires current registration in SAM at <https://www.sam.gov>.

g. FAR Provision 52.212-2 Evaluation - Commercial Items (OCT 2014) applies with the following insertion at paragraph (a): Technical, Past Performance, and Price; with award being made to the lowest priced responsible, responsive Offeror, with acceptable past performance, meeting the requirements of this combined synopsis/solicitation. Technical evaluation will be based on the Offeror's certification that it is a Manufacturer Authorized Partner and that it has the certification/

specialization level required by the manufacturer to support both the product sale and product pricing, in accordance with the applicable manufacturer certification/ specialization requirements. Past Performance will be verified by checking the Offeror's information on Government past performance websites (i.e. PPIRS) and by checking the Offeror's status on the Excluded Parties List System (EPLS). Offerors are reminded that the Government reserves the right to obtain past performance information from any source available. Offerors will be given the opportunity to respond to any negative past performance information received.

It is the responsibility of all interested offerors to review this site frequently for any updates/ amendments that may occur during the solicitation process. The posting of this requirement does not obligate the Government to award a contract nor does it obligate the Government to pay for any proposal preparation costs. The Government reserves the right to cancel this procurement/ solicitation either before or after the solicitation closing date, with no obligation to the offeror by the Government. The Government will issue a contract to the responsible, responsive offeror, with acceptable past performance, submitting the lowest price. All prospective contractors must be registered in the System for Award Management (SAM) in order to be eligible for contract award. For registration, go to www.sam.gov and follow the instructions.

The Government reserves the right to make multiple awards if, after considering the additional administrative costs, it is in the Government's best interest to do so.

h. Quotations must include a completed copy of FAR Provision 52.212-3 (Offeror Representations and Certifications - Commercial Items) (Jan 2017). Electronic submission is located at <https://www.sam.gov>.

52.0100-4094 MARKING INSTRUCTIONS FOR ALL ITEMS TO INCLUDE DROP SHIP AND DIRECT SHIPMENT (DMA)(FEB 2017)

The Contractor shall attach two (2) copies of a detailed packing list with each box or container with unlike items where the full description of the contents is not authorized or cannot be shown. Include one (1) copy of the packing list inside the box or container and attach one (1) copy of the packing list on the outside of the box or container. The outside of the box or container must also include the complete shipping address as provided in the schedule and the Contract/Purchase/Delivery Order number located on Page 1 of this document.

The packing list shall contain the following information:

- (a) Contract number/Purchase Order number or Delivery Order number
- (b) Package number and set number (if any) of the container.
- (c) A list of the contents which shows the quantity by item, item description, part number, type and size, unit of issue if other than each.

NOTE!

The government WILL NOT ACCEPT items shipped without a packing list especially when the content of the package is unidentifiable; rejected items will be returned at the contractor's expense.

INCOMPLETE DELIVERIES

Incomplete delivery refers to the incomplete shipment of a unit of issue of an individual contract line item (CLIN). Such Incomplete, or fragmented delivery of any part of a CLIN is not authorized and will not be accepted. Each item (CLIN), including all components and sub-items, is to be delivered complete. Where sub-line items are reflected as component parts of an item, all sub-line items must be delivered simultaneously to form the complete item.

Note! The government WILL NOT ACCEPT items shipped as incomplete unit of issue of an individual contract line item (CLIN). Rejected items will be returned at the contractor's expense.
