SECTION B NOTES

SOLICITATION NOTES:

1. Faxed offers will NOT be accepted.
2. Since the Government intends to award without discussion, any exceptions to the requirements of this solicitation should be raised prior to submission of an offer.
3. This item is a CSI – Critical Safety Item.
4. NECO Bids will not be accepted.
5. See Requisitioned Government Furnished Property Sheet as referenced in Section J.
6. Must adhere to UID requirements of DFARS 252.211-7003
7. For clarification purposes, Drawing 6889545, Note 11, should read: AIR DRY WITHIN 2 HOURS AFTER HYDROSTATIC PRESSURE TEST, THEN RETEST PER NOTE 9.
8. For clarification purposes, Drawings 6894551 & 6894552, Ticona 3210 per MIL-M-24519, Type GLT-20F for the housing has been discontinued; ULTEM 2200 may be utilized as an acceptable substitute.
9. The contractor shall comply with the additional testing requirements as called out in the Hot Bend Test 4 attachment referenced in Section J.
10. Electronic submission of an offer may be accomplished by attaching your offer to an email directed to **kirsten.barnes@navy.mil**. The size limitation of an email through the NAVSUP WSS mail server is 10 MB. All files designated as .zip files will be stripped from any email sent. Files larger than the server limitation may be segregated and sent via several emails as long as they are clearly identified as such. It is highly recommended that the Offeror request email delivery confirmation or other form of acknowledgement to verify that the proposal submission was received.
11. Serial Numbers Required. Contractor to complete NUWC-NEWPORT Request for S/N, form is included. Submit to NUWC-NEWPORT as per request form instructions in Section D.
12. OPTIONS
PROSPECTIVE OPTION QUANTITY UP TO 150%
NOTES:

1. If no unit prices are submitted for CLIN 0002, the unit price submitted for item CLIN 0001 will be considered the unit price for item CLIN 0002 (all stepladder quantities). Offerors are encouraged to supply a unit price for each stepladder quantity. Failure to do so could result in an option exercised for a relatively small quantity at the basic contract price.
2. Any exception to the option may render your offer unacceptable.
3. For evaluation purposes, the price submitted for the largest stepladder quantity will be utilized. This in no way limits the Government's ability after award to exercise a partial option at the appropriate stepladder unit price. If the stepladder quantities are not where the price breaks occur, the contractor is encouraged to provide different stepladder quantities.
4. The option validity period is 365 days after date of contract.
