

Notice of Intent to Sole Source

The Altoona VA Medical Center (Altoona VAMC), James E Van Zandt VA Medical Center, 2907 Pleasant Valley Blvd, Altoona, PA 16602 has a request for TempTrak Software Service and Maintenance. The Altoona VAMC has located only one vendor capable of providing the requested services and intends to issue a sole source contract to that vendor.

This notice is being posted so that any unknown vendors who are capable of providing this item may come forward and express their interest and capability in providing TempTrak Software Service and Maintenance to Altoona VAMC. If your company/organization is capable of providing the required item, provide your entities capability statement to Jacquelyn Mazurek, Contract Specialist by 09/12/2022 12:00 PM EST via email to Jacquelyn.mazurek@va.gov. In addition to your capability statement also provide any applicable distribution agreements regarding TempTrak Software Service and Maintenance, the size and socioeconomic status of your company, and any other information pertinent to this requirement.

***This is not a request for quote, no quotes should be sent in response to this notice.
