Price: Offeror's shall provide completed pricing for CLINS 0001 and 0004.

Page Count: Proposals shall not exceed 20 total pages. Cover page, Technical Compliance Matrix, standard commercial product literature, completed provisions and clauses, and any associated acronym lists will NOT count towards the 20 page limit.

9) The provision at FAR 52.212-2, Evaluation – Commercial Items, applies to this acquisition as modified below:

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer, conforming to the solicitation, will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers: Technical, Past Performance and Price. IAW, FAR 13.103(a)(2) and 13.5, this solicitation is not required to state the relative importance assigned to each evaluation factor.

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

10) Offeror shall include a completed copy of the provision at FAR 52.212-3, Offeror Representations and Certifications – Commercial Items, with its offer.

11) The clause at FAR 52.212-4, Contract Terms and Conditions – Commercial Items, applies to this acquisition.
