

**Sources Sought Notice**  
**Fire Station Alerting System**  
**Solicitation Number: W56ZTN-17-T-0016**

THIS IS A SOURCES SOUGHT NOTICE. The U.S. Army Contracting Command - Aberdeen Proving Ground (ACC-APG) intends to award a firm-fixed priced, purchase order for the purchase and installation of a Fire Station Alerting System. SEE ENCLOSURE FOR REQUIRED PRODUCTS AND SERVICES.

Request interested business concerns identify their interest and capability by responding to this notice no later than 5:00pm EST, 6 September 2017. Any response to this notice must show clear and convincing evidence of the ability to satisfy requirement. A determination by the Government not to compete this requirement based upon responses to this notice is solely within the discretion of the Government.

The North American Industry Classification Code (NAICS) is 517919 – All other Telecommunications; and the size standard is \$38.5 million. Important Notice: Vendors are required to register in the System for Award Management (SAM) database prior to award of a contract. Vendors must be registered under the NAICS code 517919. Registration in the SAM database can be accomplished at the website <http://https://www.sam.gov>.

Submit response and questions to this notice to, Contract Specialist, Joseph Thomas at [joseph.d.thomas10.civ@mail.mil](mailto:joseph.d.thomas10.civ@mail.mil) or Contracting Officer, Mr. Lane Gary at [lane.m.gary.civ@mail.mil](mailto:lane.m.gary.civ@mail.mil). NO TELEPHONE REQUESTS WILL BE HONORED.
