

# **TECHNICAL EXHIBIT 1** **PERFORMANCE REQUIREMENTS SUMMARY**

The Government reserves the right to review all services called for in the contract to determine whether or not the performance objectives and goals were met. The performance of the service will be evaluated to determine whether or not it meets the performance threshold. These thresholds are critical to mission success. Government surveillance of Contractor performance is not limited to the Performance Objectives as outlined in this PRS. The Government reserves the right to conduct compliance surveillance of any contractual requirement of this acquisition. The absence of any contract requirement from the PRS shall not detract from its enforceability nor limit the rights or remedies of the Government under any other provision of the contract, including the clauses entitled “Inspection of Services” and “Default.”.
