The term Foreign Affiliates (FAs) refers to all Local and Foreign Nationals. All FAs are now assigned a standard 9-digit unique identifier called a Foreign National ID number. FAs can get their ID information from their Civilian Personnel Office (CPO). The new 9 digit unique identifier is alpha/numeric (alpha in the middle two characters). The Field Assistance Branch (FAB) has been directed to have Foreign Affiliates fill out an AF Portal DD Form 2875 with this Foreign National ID number. Once a valid AF Portal DD Form 2875 is received, the AF Portal Operations Team will create your account. The DD Form 2875 will still have to be signed by the appropriate approval level. A signature of Security Officer validating a National Agency Check (NAC) and a signature of an AF Military/Civilian sponsor validating need is mandatory. https://www.my.af.mil/afp/netstorage/login_page_files_cce/cce-reg-requirements.html
