Each offeror shall submit their certifications when submitting a quote.

8. The provision at FAR 52.212-1, Instructions to Offerors - Commercial Items (MAR 2020) and the addendum, applies to this acquisition.

Addendum to FAR 52.212-1, Instructions to Offerors – Commercial Items (MAR 2020)

Offeror shall submit signed and dated offer at the time specified in this solicitation. Quote provided shall contain the following information: Name; Address; Cage Code; Telephone Number of Offeror; Terms Of Any Warranty provided; Any Discount Terms And Acknowledgement Of All Solicitation Amendments (If Applicable). Quotes must indicate quantity, unit price and total amount for each item. Offerors shall include a statement specifying the extent of agreement with all terms, conditions and provisions included in this solicitation. Quotes shall also contain all other documentation specified herein.

The government reserves the right to evaluate proposals and award a contract without discussions with offerors.

Addendum to FAR 52.212-1(c), Period for Acceptance of Offers. The paragraph is tailored as follows: "The Offeror agrees to hold the prices in its offer firm for 60 calendar days from the date specified for receipt of offers."

9. The provision at FAR 52.212-2, Evaluation - Commercial Items (Oct 2014), and the addendum, applies to this acquisition.

Addendum to FAR 52.212-2, Evaluation – Commercial Items (Oct 2014)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

- (i) technical capability of the item offered to meet the Government requirement;
- (ii) price;

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

10. Offerors shall include a completed copy of the provision at FAR 52.212-3, Offeror Representations and Certifications -- Commercial Items (MAR 2020), Alternate I (Oct 2014), with their offer, or the offeror shall complete paragraph (b) of FAR 52.212-3, if the offeror has completed the annual representations and certifications electronically at <http://www.sam.gov>.

FAR 52.232-33, Payment by Electronic Funds Transfer—System for Award Management (Jul 2013) (31 U.S.C. 3332).

13. 52.204-24 Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (Dec 2019)

The Offeror shall not complete the representation in this provision if the Offeror has represented that it “does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument” in the provision at 52.204-26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v) of the provision at 52.212-3, Offeror Representations and Certifications—Commercial Items.

(a) Definitions. As used in this provision—

“Covered telecommunications equipment or services”, “critical technology”, and “substantial or essential component” have the meanings provided in clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) Prohibition. Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Contractors are not prohibited from providing—

(1) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(2) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for “covered telecommunications equipment or services”.

(d) Representation. The Offeror represents that it will, will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it “will” provide covered telecommunications equipment or services”, the Offeror shall provide the following information as part of the offer—

(1) A description of all covered telecommunications equipment and services offered (include brand; model number, such as original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable);

(2) Explanation of the proposed use of covered telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b) of this provision;

(3) For services, the entity providing the covered telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known); and

(4) For equipment, the entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

14. Additional provisions and clauses that apply to this acquisition are:
