(f) Contractors do not have to update documents previously digitally signed using SHA-1 hash algorithms unless the document requires updating. The FAA and contractors may continue to use SHA-1 for the following applications: Verifying old digital signatures and time stamps, generating and verifying hash-based message authentication codes (HMACs), key derivation functions (KDFs), and random bit/number generation.

3.3.1-37 LIMITATION ON GOVERNMENT'S OBLIGATION (JUL 2018)

(a) Of the total price of contract line item number(s) (CLINs) TBD, \$TBD is presently available for payment and allocated to these CLINs.

(b) The Contractor agrees to perform on these CLINs up to the point at which, in the event of termination of this contract pursuant to the applicable "Termination for Convenience of the Government" clause, the total amount payable by the Government (including amounts payable in respect of subcontracts and settlement costs,) pursuant to paragraph (c) below, would in the exercise of reasonable judgment by the Contractor approximate the total amount currently allotted to the contract. The Contractor is not authorized to continue work on these CLINs beyond this point. The Government is not obligated to reimburse the Contractor in excess of the amount from time to time allotted to the contract, regardless of anything to the contrary in "Termination for Convenience of the Government."

(c) Funds presently allotted to this contract are estimated to cover the work to be performed until TBD. If funds allotted are considered by the Contractor to be inadequate to cover the work to be performed until this date, or an agreed substitute date, the Contractor must notify the Contracting Office in writing when within the next 30 days the work will reach a point at which, in the event of termination of this contract pursuant to "Termination for Convenience of the Government," the total amount payable by the Government pursuant to paragraph (e) below, will approximate 85 percent of the total amount then allotted to the contract. The notice must state the estimated date when this point will be reached and the estimated amount of additional funds required to continue performance to the above or an agreed substitute date. The Contractor must, 30 days prior to the date above written or agreed substitute date, advise the Contracting Officer in writing as to the estimated amount of additional funds which will be required for the timely performance of the CLINs for a further period as may be specified in this clause or otherwise agreed to by the parties. If after this notification, additional funds are not allotted by the date above written or by an agreed substitute date, the Contracting Officer will, upon written request of the Contractor,

terminate this contract on such date or the date set forth in the request, whichever is later, pursuant to "Termination for Convenience of the Government."

(d) When additional funds are allotted for continued performance of the CLINs, the parties will agree on the applicable period of contract performance that will be covered by such funds. Paragraphs (b) and (c) above apply to the additional allotted funds and agreed substituted date and the contract will be modified accordingly.

(e) If the Contractor incurs additional costs, or is delayed in the performance of the work under this contract, solely by the reason of the failure of the Government to allot additional funds in amounts sufficient for the timely performance of this contract, and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the CLINs, in the time of delivery, or in both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the "Contract Disputes" Clause.

(f) The Government may at any time prior to termination, and with the consent of the Contractor, after notice of termination, allot additional funds for this contract.

(g) The provisions of this clause with respect to termination will in no way be deemed to limit the rights of the Government under the applicable AMS "Default" clause. The provisions of this clause are limited to the work on and allotment of funds for the CLIN(s) in paragraph (a) above. This clause no longer applies upon the allotment of funds for the total price of the CLINs except for rights and obligations existing under this clause.

(h) Nothing in this clause will affect the right of the Government to terminate this contract pursuant to "Termination for Convenience of the Government." In the event of a conflict between this clause and any other term or condition of this contract, this clause will take precedence.

(End of clause)

access to FAA systems or resources

unless they have been authorized by the FAA Office of Personnel Security (AXP).

*SUI is defined as unclassified information, in any form including print, electronic, visual, or aural forms, which is protected from uncontrolled release to persons outside the FAA and indiscriminate dissemination within the FAA. It includes aviation security, homeland security, and protected critical infrastructure information. SUI may include information that may qualify for withholding from the public under the Freedom of Information Act (FOIA).

2. Consistent with FAA Order 1600.72A, AXP must approve designated risk levels for the positions under the contract, to be determined by the FAA Operating Office (the organization with the requirement) in coordination with the COR, using the OPM Position Designation Automated Tool (PD Tool).

3. For all contractor employees, subcontractors, or consultants requiring access to FAA facilities, classified information, sensitive unclassified information, systems, or resources, the prime contractor must submit to their responsible AXP office and CO/COR, a point of contact (POC) who will be responsible for entering all contractor applicant data, to include subcontractor data, into the Vendor Applicant Process (VAP) system (vap.faa.gov) for security processing. The contractor must not enter contractor employees in VAP unless they have a legitimate need for access to FAA facilities, classified information, sensitive unclassified information and/or systems according to the terms of the contract. Contractor employees who will not require the aforementioned types of access or who would be under escort of other badged personnel are not be entered in VAP.

4. If an applicant has had a previous US Government conducted background investigation, which meets the investigative requirements for the position and meets established reciprocity guidelines, it will be accepted by the FAA. The FAA reserves the right to conduct further investigations, including requesting additional information from the applicant, if necessary.

5. If no previous investigation exists, or if the previous investigation does not meet investigative requirements for the position, AXP will:

- a. Send the applicant an e-mail (this step may be delegated to VAP POC) with instructions for completing investigative requirements.;
- b. Instruct the applicant how to enter and complete a background investigation questionnaire through the electronic Questionnaires for Investigation Processing (eQIP) system;
- c. Provide where to upload, or send/fax applicable forms; and
- d. Provide instructions regarding fingerprinting. (any fees associated with obtaining fingerprints are not the responsibility of the FAA)

The contractor employee must complete the investigative requirements and submit required material within 15-calendar days of receiving the e-mail from AXP. If items are submitted outside of the eQIP system, the contractor must submit the required information, referencing the contract number, to the AXP POC noted in the instruction email.

6. No contract employee, subcontractor, or consultant, identified as requiring a background investigation under the contract will work in any position unless AXP has authorized them to begin work. Authorization will be in the form of an Interim or Final Suitability email notification from AXP to the VAP POC and CO.
7. No contract employees, subcontractor, or consultant will be issued a FAA Personal Identity Verification (PIV) card, or other FAA issued ID card, unless they have been granted an Interim or Final suitability from AXP.
8. The Contractor VAP POC must inform the CO/COR and submit a VAP removal record in VAP within twenty-four (24) hours after any contractor employee resigns, is terminated, transferred, or otherwise removed from the contract. If the FAA issued the contract employee a PIV card, or other ID card, the contractor must collect the card within twenty-four hours, and return it to AXP no later than five business-days of the employee's termination or transfer.
9. The CO will provide notice to the contractor within 24-hours after receipt of a determination that the contractor or its employee has not complied with security related contract requirements, security-related FAA Orders, or if a contractor employee's conduct is objectionable or contrary to the public interest, or inconsistent with the best interest of national security. The notice will instruct the contractor to remove its employee's access to FAA premises or networks, or otherwise remedy the contractor's performance.
10. The contractor must immediately comply with the CO's direction to remedy its security performance at the contractor's expense, including removing the employee from FAA premises and networks. If the contractor employee is working under an interim suitability authorization, the contractor must take appropriate action, including the removal of the contractor employee from working on the FAA contract, at their own expense. Once action has been taken, the contractor must report the action via the VAP within the timeframe prescribed in paragraph 8 of this clause.
11. After coordination with AXP, the CO may require contractor employees to submit any other security information deemed reasonably necessary to protect the interests of the FAA. This includes submitting to additional fingerprinting, responding to letters of inquiry, and background reinvestigations required under Federal Investigative Standards. In this event, the contractor must provide, or cause each of its employees to provide, such security information to AXP. Failure to cooperate with security processing will result in an unfavorable suitability determination.
12. The contractor must retrieve a current roster report through VAP on a quarterly basis to ensure the roster is accurate, and immediately correct any discrepancies with the responsible AXP office. The prime contractor is responsible for the accuracy of their subcontractors' rosters as well.
13. Contractor employees subject to the requirements of this clause must take the FAA Security Awareness Virtual Initiative (SAVI) training within 90 days of reporting to work and annually thereafter. This training is available on the FAA's Electronic Learning Management System (eLMS). Contractors without access to eLMS please see <https://my.faa.gov/org/linebusiness/ash/programs/savi.html> for instructions.

14. The prime contractor must contact the CO or COR, and AXP within one business-day in the event an employee (who has been cleared for FAA access by AXP) is arrested (i.e., taken into custody by law enforcement for any offenses, other than minor traffic offenses) or is involved in theft of government property or the Contractor becomes aware of any information that may raise a question about the suitability of a contractor or subcontractor employee.

15. Failure to submit information required by this clause within the time required may be determined by the CO a material breach of the contract, and may result in suspension or revoked access to FAA assets for the Contractor's employee.

16. If subsequent to the effective date of this contract, the security classification or security requirements under this contract are changed by the Government and if the changes cause an increase or decrease in direct contract costs or otherwise affect any other term or condition of this contract, the contract will be subject to an equitable adjustment.

17. The contractor agrees to insert terms that conform substantially to the language of this clause, excluding any reference to the Changes clause of this contract, in all subcontracts under this contract that involve access and where the exceptions under FAA Order 1600.72A do not apply.

(End of Clause)

(3) The appropriate security-related background investigation/inquiry can be adequately conducted.

(d) Foreign Nationals proposed under this contract must meet the following additional conditions:

(2) Successfully pass an export control review as outlined in FAA Order 1240.13 FAA Export Control Compliance.

(e) Interim suitability requirements may not be applied unless the position is low/moderate in risk, and/or temporary, and/or is not in a critical area position.

(End of Clause)

3.14-4 ACCESS TO FAA FACILITIES, SYSTEMS, GOVERNMENT PROPERTY, AND SENSITIVE UNCLASSIFIED INFORMATION (OCT 2021)

1. It may become necessary for the Government to grant access to FAA systems or issue Government property, to include FAA issued ID cards, or sensitive unclassified information (SUI), to contractor employees. Prior to or upon completion or termination of the work under the contract, the contractor must return all such Government property and SUI to the Contracting Officer's Representative (COR).
2. Improper use, possession or alteration of Government property is subject to penalties under Title 18, USC 499, 506, 701, and 1030.
3. In the event such Government property is lost, stolen, or not returned, the contractor understands and agrees that the Government may, in addition to any other withholding provision of the contract, withhold the value of the asset for each item of Government property not returned. If the Government property, to include FAA issued ID cards, or SUI is not returned within 30-calendar-days from the date the withholding action was initiated, any amount so withheld is forfeited by the contractor. Any portable devices that are lost, stolen, or not returned must be reported by the contractor within one (1) hour to the FAA Security Operations Center (phone 1(866)-580-1852(Option 1) or email 9-AWA-SOC@faa.gov).
4. Access to aircraft ramp/hangar areas is authorized only to those persons displaying a flight line identification card and for vehicles, with a current ramp permit issued pursuant to Title 49, Part 1542, Code of Federal Regulations.
5. The Government retains the right to inspect inventory, or audit Government property or sensitive information issued to the contractor in connection with the contract and do so at the convenience of the Government. Any items not accounted for, to the satisfaction of the Government, will be assumed to be lost and the provisions of section (3) of this clause apply.
6. The issuance of Government property to include SUI must be approved by the COR who will require the Contractor employee to sign a receipt for each item. Lost or stolen Government property or SUI must immediately be reported concurrently to the Contracting Officer (CO), COR, and the FAA SOC at the telephone number and email address listed under section (3) above.
7. Each Contract employee, during all times of on-site performance at an FAA facility, must prominently display his/her current and valid FAA Personal Identity Verification (PIV) card, or other FAA issued ID card, on the front portion of his/her body between the neck and waist. Each FAA ID cardholder must not affix pins, stickers, or other item to the card.
8. Prior to any contractor employee obtaining a FAA ID Card or other government property, IAW FAA Order 1600.78 the contractor is required to:
 - a. Enter data for each employee into the VAP as described in AMS clause 3.14-2, Contractor Personnel Suitability Requirements.
 - b. The Office of Personnel Security (AXP) will determine whether final suitability can be granted due to:
 - i. Existence of a previous investigation that meets reciprocity requirements, or:
 - ii. Initiate the contractor applicant into the electronic Questionnaires for Investigations Processing (eQIP) system so that the applicant can complete the investigative forms.
 - c. Interim suitability cannot be granted until the eQIP form is completed, and fingerprints and signature pages are submitted to AXP.
 - d. Authorization for the contractor employee to begin work will be an Interim or Final Suitability notification from AXP.
9. To obtain a FAA PIV card, IAW FAA Order 1600.78 Contractor employee must:
 - a. Submit an identification Card Application (DOT 1681) using the automated system located at <https://idms.faa.gov/1681>. The application must be approved by the CO or COR.

b. The contractor employee will be notified when the identification card application has been approved and is ready for processing by the FAA Identification Card issuer (e.g., PIV Administrator).

c. The contractor must contact AXP to obtain the procedures for obtaining their FAA PIV Card.

10. Off-Boarding. The contractor is responsible for ensuring final off-boarding is accomplished for all departing contractor employees. This includes termination, resignation, retirement, death, change of employment status (i.e., transferring from a contractor to a FAA employee), transfer to another FAA contract, and (with CO approval) extended leave of absence. The Contractor may appoint an off-boarding coordinator to oversee the off-boarding process.

a. For each departing employee having access to FAA facilities and/or Information Technology (IT) systems, the Contractor must submit a completely filled out and signed "FAA Contractor Employee Off-Boarding Form" (located in FAA Procurement Forms) to the CO no later than thirty (30) calendar days after the employee's departure. The Contractor must ensure that the Form confirms that all applicable Government property (including FAA issued ID cards) and sensitive information (including Classified National Security Information (CNSI)) has been collected and access to all FAA assets has been terminated.

b. When the Contractor is not collocated or within local driving distance of the responsible AXP office, the Contractor must collect the Personal Identity Verification (PIV) Card or other FAA issued ID card, and any other tokens and provide to the CO or COR within one (1) business day of receiving the card/tokens from the departing employee.

c. In event that the Contractor employee departs without completing the Form, the Contractor is responsible for completing and submitting the Form on the employee's behalf. If the departing Contractor employee served as the Property Custodian for the FAA contract, the Contractor must designate a new Property Custodian and ensure accountability of all property under the contract, or within fourteen calendar days with the CO's approval, provide to the CO the results of the associated inventory/property accountability.

d. The designated VAP POC must submit a VAP removal record for the departing employee within twenty-four (24) hours.

e. The Contractor must also comply with any local Employee Off-Boarding Forms in use at FAA Facilities.

11. All contractors and subcontractor employees with access to FAA systems must have a FAA-issued Personal Identity Verification (PIV) card and must use the PIV card to authenticate to the FAA system. Approved contractor equipment or software in accordance with clause 3.14-13 "Use of Contractor Equipment or Software - Permitted" that connects to FAA systems must be configured to accept and use FAA-issued PIV cards. The contractor must provide the appropriate equipment for the PIV card, while the FAA will furnish and configure the PIV software.

12. The contractor must insert this clause in all subcontracts under the contract.

(End of Clause)

3.6.2-46 PAID SICK LEAVE UNDER EXECUTIVE ORDER 13706 (JANUARY 2022)

(a) Executive Order 13706. This contract is subject to Executive Order 13706, the regulations issued by the Secretary of Labor in 29 CFR part 13 pursuant to the Executive Order, and the following provisions.

(b) Paid Sick Leave.

(1) The contractor must permit each employee (as defined in 29 CFR 13.2) engaged in the performance of this contract by the prime contractor or any subcontractor, regardless of any contractual relationship that may be alleged to exist between the contractor and employee, to earn not less than 1 hour of paid sick leave for every 30 hours worked. The contractor must additionally allow accrual and use of paid sick leave as required by Executive Order 13706 and 29 CFR part 13. The contractor must in particular comply with the accrual, use, and other requirements set forth in 29 CFR 13.5 and 13.6, which are incorporated by reference in this contract.

(2) The contractor must provide paid sick leave to all employees when due free and clear and without subsequent deduction (except as otherwise provided by 29 CFR 13.24), rebate, or kickback on any account. The contractor must provide pay and benefits for paid sick leave used no later than one pay period following the end of the regular pay period in which the paid sick leave was taken.

(3) The prime contractor and any upper-tier subcontractor will be responsible for the compliance by any subcontractor or lower-tier subcontractor with the requirements of Executive Order 13706, 29 CFR part 13, and this clause.

(c) Withholding. The Contracting Officer will, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the prime contractor under this or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay employees the full amount owed to compensate for any violation of the requirements of Executive Order 13706, 29 CFR part 13, or this clause, including any pay and/or benefits denied or lost by reason of the violation; other actual monetary losses sustained as a direct result of the violation, and liquidated damages.

(d) Contract Suspension/Contract Termination/Contractor Debarment. In the event of a failure to comply with Executive Order 13706, 29 CFR part 13, or this clause, the contracting agency may on its own action or after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment, advance, or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the right to proceed with the contract work. In such event, the FAA may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 13.52.

(e) The paid sick leave required by Executive Order 13706, 29 CFR part 13, and this clause is in addition to a contractor's obligations under the Service Contract Labor Standards and Davis–Bacon Act, and a contractor will not receive credit toward its prevailing wage or fringe benefit obligations under those Acts for any paid sick leave provided in satisfaction of the requirements of Executive Order 13706 and 29 CFR part 13.

(f) Nothing in Executive Order 13706 or 29 CFR part 13 will excuse noncompliance with or supersede any applicable Federal or State law, any applicable law or municipal ordinance, or a collective bargaining agreement requiring greater paid sick leave or leave rights than those established under Executive Order 13706 and 29 CFR part 13.

(g) Recordkeeping

(1) Any contractor performing work subject to Executive Order 13706 and 29 CFR part 13 must make and maintain, for no less than three (3) years from the completion of the work on the contract, records containing the information specified in paragraphs (i) through (vi) of this section for each employee and must make them available for inspection, copying, and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

(i) Name, address, and Social Security number of each employee;

(ii) The employee's occupation(s) or classification(s);

(iii) The rate or rates of wages paid (including all pay and benefits provided);

(iv) The number of daily and weekly hours worked;

(v) Any deductions made;

(vi) The total wages paid (including all pay and benefits provided) each pay period;

(vii) A copy of notifications to employees of the amount of paid sick leave the employee has accrued, as required under 29 CFR 13.5(a)(2);

(viii) A copy of employees' requests to use paid sick leave, if in writing, or, if not in writing, any other records reflecting such employee requests;

(ix) Dates and amounts of paid sick leave taken by employees (unless a contractor's paid time off policy satisfies the requirements of Executive Order 13706 and 29 CFR part 13 as described in § 13.5(f)(5), leave must be designated in records as paid sick leave pursuant to Executive Order 13706);

(x) A copy of any written responses to employees' requests to use paid sick leave, including explanations for any denials of such requests, as required under 29 CFR 13.5(d)(3);

(xi) Any records reflecting the certification and documentation a contractor may require an employee to provide under 29 CFR 13.5(e), including copies of any certification or documentation provided by an employee;

(xii) Any other records showing any tracking of or calculations related to an employee's accrual or use of paid sick leave;

(xiii) The relevant covered contract;

(xiv) The regular pay and benefits provided to an employee for each use of paid sick leave; and

(xv) Any financial payment made for unused paid sick leave upon a separation from employment intended, pursuant to 29 CFR 13.5(b)(5), to relieve a contractor from the obligation to reinstate such paid sick leave as otherwise required by 29 CFR 13.5(b)(4).

(2)(i) If a contractor wishes to distinguish between an employee's covered and non-covered work, the contractor must keep records or other proof reflecting such distinctions. Only if the contractor adequately segregates the employee's time will time spent on non-covered work be excluded from hours worked counted toward the accrual of paid sick leave. Similarly, only if that contractor adequately segregates the employee's time may a contractor properly refuse an employee's request to use paid sick leave on the ground that the employee was scheduled to perform non-covered work during the time she asked to use paid sick leave.

(ii) If a contractor estimates covered hours worked by an employee who performs work in connection with covered contracts pursuant to 29 CFR 13.5(a)(i) or

(iii), the contractor must keep records or other proof of the verifiable information on which such estimates are reasonably based. Only if the contractor relies on an estimate that is reasonable and based on verifiable information will an employee's time spent in connection with non-covered work be excluded from hours worked counted toward the accrual of paid sick leave. If a contractor estimates the amount of time an employee spends performing in connection with covered contracts, the contractor must permit the employee to use her paid sick leave during any work time for the contractor.

(3) In the event a contractor is not obligated by the Service Contract Labor Standards, the Davis–Bacon Act, or the Fair Labor Standards Act to keep records of an employee's hours worked, such as because the employee is exempt from the FLSA's minimum wage and overtime requirements, and the contractor chooses to use the assumption permitted by 29 CFR 13.5(a)(1)(iii), the contractor is excused from the requirement in paragraph (g) (1)(iv) of this section to keep records of the employee's number of daily and weekly hours worked.

(4)(i) Records relating to medical histories or domestic violence, sexual assault, or stalking, created for purposes of Executive Order 13706, whether of an employee or an employee's child, parent, spouse, domestic partner, or other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship, must be maintained as confidential records in separate files/records from the usual personnel files.

(ii) If the confidentiality requirements of the Genetic Information Nondiscrimination Act of 2008 (GINA), section

503 of the Rehabilitation Act of 1973, and/or the Americans with Disabilities Act (ADA) apply to records or documents created to comply with the recordkeeping requirements in this contract clause, the records and documents must also be maintained in compliance with the confidentiality requirements of the GINA, section 503 of the Rehabilitation Act of 1973, and/or ADA as described in 29 CFR 1635.9, 41 CFR 60–741.23(d), and 29 CFR 1630.14(c)(1), respectively.

(iii) The contractor must not disclose any documentation used to verify the need to use 3 or more consecutive days of paid sick leave for the purposes listed in 29 CFR 13.5(c) (1) (iv) (as described in 29 CFR 13.5(e) (1) (ii)) and must maintain confidentiality about any domestic abuse, sexual assault, or stalking, unless the employee consents or when disclosure is required by law.

(5) The contractor must permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(6) Nothing in this contract clause limits or otherwise modifies the contractor's recordkeeping obligations, if any, under the Davis–Bacon Act, the Service Contract Labor Standards, the Fair Labor Standards Act, the Family and Medical Leave Act, Executive Order 14026, their respective implementing regulations, or any other applicable law.

(h) The contractor (as defined in 29 CFR 13.2) must insert this clause in all of its covered subcontracts and must require its subcontractors to include this clause in any covered lower-tier subcontracts.

(i) Certification of Eligibility.

(1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Labor Standards, section 3(a) of the Davis–Bacon Act, or 29 CFR 5.12(a) (1).

(2) No part of this contract will be subcontracted to any person or firm whose name appears on the list of persons or firms ineligible to receive Federal contracts currently maintained on the System for Award Management Web site, <http://www.SAM.gov>.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(j) Interference/Discrimination.

(1) A contractor must not in any manner interfere with an employee's accrual or use of paid sick leave as required by Executive Order 13706 or 29 CFR part 13. Interference includes, but is not limited to, miscalculating the amount of paid sick leave an employee has accrued, denying or unreasonably delaying a response to a proper request to use paid sick leave, discouraging an employee from using paid sick leave, reducing an employee's accrued paid sick leave by more than the amount of such leave used, transferring an employee to work on non-covered contracts to prevent the accrual or use of paid sick leave, disclosing confidential information contained in certification or other documentation provided to verify the need to use paid sick leave, or making the use of paid sick leave contingent on the employee's finding a replacement worker or the fulfillment of the contractor's operational needs.

(2) A contractor must not discharge or in any other manner discriminate against any employee for:

(i) Using, or attempting to use, paid sick leave as provided for under Executive Order 13706 and 29 CFR part 13;

(ii) Filing any complaint, initiating any proceeding, or otherwise asserting any right or claim under Executive Order 13706 and 29 CFR part 13;

(iii) Cooperating in any investigation or testifying in any proceeding under Executive Order 13706 and 29 CFR part 13; or

(iv) Informing any other person about his or her rights under Executive Order 13706 and 29 CFR part 13.

(k) Waiver. Employees cannot waive, nor may contractors induce employees to waive, their rights under Executive Order 13706, 29 CFR part 13, or this clause.

(l) Notice. The contractor must notify all employees performing work on or in connection with a covered contract of the paid sick leave requirements of Executive Order 13706, 29 CFR part 13, and this clause by posting a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by employees. Contractors that customarily post notices to employees electronically may post the notice electronically provided such electronic posting is displayed prominently on any Web site that is maintained by the contractor, whether external or internal, and customarily used for notices to employees about terms and conditions of employment.

(m) Disputes concerning labor standards. Disputes related to the application of Executive Order 13706 to this contract will not be subject to the general disputes clause of the contract. Such disputes will be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR part 13. Disputes within the meaning of this contract clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(End of clause)

3.6.2-47 MINIMUM WAGES FOR CONTRACTOR WORKERS UNDER EXECUTIVE ORDER 14026 (JANUARY 2022)

(a) *Executive Order 14026*. This contract is subject to Executive Order (EO)14026, the regulations issued by the Secretary of Labor in 29 CFR part 23 pursuant to the EO, and the following provisions.

(b) *Minimum wages*.

(1) Each worker (as defined in 29 CFR 23.20) engaged in the performance of this contract by the prime contractor or any subcontractor, regardless of any contractual relationship which may be alleged to exist between the contractor and worker, must not be paid less than the applicable minimum wage under EO 14026.

(2) The minimum wage required to be paid to each worker performing work on or in connection with this contract between January 30, 2022 and December 31, 2022, must be \$15.00 per hour. The minimum wage must be adjusted each time the Secretary of Labor's annual determination of the applicable minimum wage under section 2(a)(ii) of EO14026 results in a higher minimum wage. Adjustments to the EO minimum wage under section 2(a)(ii) of EO 14026 will be effective for all workers subject to the EO beginning January 1 of the following year. If appropriate, the Contracting Officer (CO), or other agency official overseeing this contract must ensure the contractor is compensated only for the increase in labor costs resulting from the annual inflation increases in the EO 14026 minimum wage beginning on January 1, 2023. The Secretary of Labor will publish annual determinations in the Federal Register no later than 90 days before such new wage is to take effect. The Secretary will also publish the applicable minimum wage on <https://alpha.sam.gov/content/wagedeterminations> (or any successor website). The applicable published minimum wage is incorporated by reference into this contract.

(3) The contractor must pay unconditionally to each worker all wages due free and clear and without subsequent deduction (except as otherwise provided by 29 CFR 23.230), rebate, or kickback on any account. Such payments must be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this EO may not be of any duration longer than semi-monthly.

(4) The prime contractor and any upper-tier subcontractor are responsible for the compliance by any subcontractor or lower-tier subcontractor with the EO minimum wage requirements. In the event of any violation of the minimum wage obligation of this clause, the contractor and any subcontractor(s) are responsible and therefore liable for the unpaid wages.

(5) If the commensurate wage rate paid to a worker performing work on or in connection with a covered contract whose wages are calculated pursuant to a special certificate issued under 29 U.S.C. 214(c), whether hourly or piece

rate, is less than the EO minimum wage, the contractor must pay the EO minimum wage rate to achieve compliance with the Order. If the commensurate wage due under the certificate is greater than the EO minimum wage, the contractor must pay the worker the greater commensurate wage.

(c) *Withholding.* The FAA Administrator must, upon their own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the prime contractor under this or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay workers the full amount of wages required by EO 14026.

(d) *Contract suspension/Contract termination/Contractor debarment.* In the event of a failure to pay any worker all or part of the wages due under EO 14026 or 29 CFR part 23, or a failure to comply with any other term or condition of EO 14026 or 29 CFR part 23, the FAA may on its own action or after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment, advance or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 23.520.

(e) *Workers who receive fringe benefits.* The contractor may not discharge any part of its minimum wage obligation under EO 14026 by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Labor Standards, the cash equivalent thereof.

(f) *Relation to other laws.* Nothing herein relieves the contractor of any other obligation under Federal, state or local law, or under contract, for the payment of a higher wage to any worker, nor does a lower prevailing wage under any such Federal, State, or local law, or under contract, entitle a contractor to pay less than \$15.00 (or the minimum wage as established each January thereafter) to any worker.

(g) *Payroll records.*

(1) The contractor must make and maintain for three years records containing the information specified in paragraphs (g)(1)(i) through (vi) of this section for each worker and must make the records available for inspection and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

(i) Name, address, and social security number;

(ii) The worker's occupation(s) or classification(s);

(iii) The rate or rates of wages paid;

(iv) The number of daily and weekly hours worked by each worker;

(v) Any deductions made; and

(vi) Total wages paid.

(2) The contractor must also make available a copy of the contract, as applicable, for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available such records for inspection and transcription constitutes a violation of 29 CFR part 23 and this contract, and in the case of failure to produce such records, the CO, upon direction of an authorized representative of the Department of Labor, or under its own action, must take such action as may be necessary to cause suspension of any further payment or advance of funds until such time as the violations are discontinued.

(4) The contractor must permit authorized representatives of the Wage and Hour Division to conduct

investigations, including interviewing workers at the worksite during normal working hours.

(5) Nothing in this clause limits or otherwise modifies the contractor's payroll and recordkeeping obligations, if any, under the Davis-Bacon Act, as amended, and its implementing regulations; the Service Contract Labor Standards, as amended, and its implementing regulations; the Fair Labor Standards Act, as amended, and its implementing regulations; or any other applicable law.

(h) *Flow-down requirement.* The contractor (as defined in 29 CFR 23.20) must insert this clause in all of its covered subcontracts and must require its subcontractors to include this clause in any covered lower-tier subcontracts. EO 14026 does not apply to subcontracts for the manufacturing or furnishing of materials, supplies, articles, or equipment, and this clause is not required to be inserted in such subcontracts. The prime contractor and any upper-tier subcontractor must be responsible for the compliance by any subcontractor or lower-tier subcontractor with this contract clause.

(i) *Certification of eligibility.*

(1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Labor Standards, section 3(a) of the Davis-Bacon Act, or 29 CFR 5.12(a)(1).

(2) This contract, in any part or in whole, must not be subcontracted to any person or firm whose name appears on the list of persons or firms ineligible to receive Federal contracts.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(j) *Tipped employees.* In paying wages to a tipped employee as defined in section 3(t) of the Fair Labor Standards Act, 29 U.S.C. 203(t), the contractor may take a partial credit against the wage payment obligation (tip credit) to the extent permitted under section 3(a) of EO 14026. In order to take such a tip credit, the employee must receive an amount of tips at least equal to the amount of the credit taken; where the tipped employee does not receive sufficient tips to equal the amount of the tip credit the contractor must increase the cash wage paid for the workweek so that the amount of cash wage paid and the tips received by the employee equal the applicable minimum wage under EO 14026. To utilize this proviso:

(1) The employer must inform the tipped employee in advance of the use of the tip credit;

(2) The employer must inform the tipped employee of the amount of cash wage that will be paid and the additional amount by which the employee's wages will be considered increased on account of the tip credit;

(3) The employees must be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received); and

(4) The employer must be able to show by records that the tipped employee receives at least the applicable EO minimum wage through the combination of direct wages and tip credit.

(k) *Anti-retaliation.* Pursuant to 29 CFR § 23.60 it is unlawful for any person to discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to EO 14026 or 29 CFR part 23, or has testified or is about to testify in any such proceeding.

(l) *Disputes concerning labor standards.* Disputes related to the application of EO 14026 to this contract are not subject to the general disputes clause of the contract. Such disputes must be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR part 23. Disputes within the meaning of this contract clause include disputes between the contractor (or any of its subcontractors) and the FAA, the U.S. Department of Labor, or the workers or their representatives.

(m) *Notice.* The contractor must notify all workers performing work on or in connection with a covered contract of the applicable minimum wage rate under the EO. With respect to service employees on contracts covered by the Service Contract Labor Standards and laborers and mechanics on contracts covered by the Davis-Bacon Act, the contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers performing work on or in connection with a covered contract whose wages are governed by the FLSA, the contractor must post a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by workers. Contractors that customarily post notices to workers electronically may post the notice electronically provided such electronic posting is displayed prominently on any website that is maintained by the contractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

(End of Provision)

3.2.2.7-7 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (OCT 2021)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that

(i) All representations and certifications as reflected in the System for Award Management (SAM) are current and accurate as of the date the proposal/offer is submitted. The offeror must provide immediate written notice to the Contracting Officer if at any time prior to award the Offeror and/or any of its Principals learns that any certification or representation in SAM was erroneous when this proposal/offer was submitted or has become erroneous by reason of changed circumstances. If registered in SAM as a Service-Disabled Veteran-Owned Small Business (SDVOSB), by submission of an offer, the offeror acknowledges that they are designated as a SDVOSB by the Department of Veterans Affairs, and this designation appears as such on the Veteran Affairs website, vetbiz.va.gov.

(ii) The Offeror and/or any of its Principals-

(A) Are ☐ are not ☐ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ☐ have not ☐ within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public- (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws or receiving stolen property; and (C) Are ☐ are not ☐ presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1) (ii)(B) of this provision. (D) Have ☐, have not ☐, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied. (1) Federal taxes are considered delinquent if both of the following criteria apply: (i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted. (ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded. (2) Examples- (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights. (ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(E) The Offeror has ☐ has not ☐ within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) 'Principals,' for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions). THIS CERTIFICATION CONCERNS A MATTER WITHIN THE JURISDICTION OF AN AGENCY OF THE UNITED STATES AND THE MAKING OF A FALSE, FICTITIOUS, OR FRAUDULENT CERTIFICATION MAY RENDER THE MAKER SUBJECT TO PROSECUTION UNDER SECTION 1001, TITLE 18, UNITED STATES CODE.

(b) The Offeror must provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this SIR. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing must be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this SIR for default.

3.2.2.3-16 RESTRICTING, DISCLOSING AND USING DATA (JUL 2004)

3.2.2.3-17 PREPARING OFFERS (JUL 2004)

3.2.2.3-18 PROSPECTIVE OFFEROR'S REQUESTS FOR EXPLANATIONS (MAR 2009)

3.2.2.3-19 CONTRACT AWARD (JUL 2004)

3.2.2.3-14 LATE SUBMISSIONS, MODIFICATIONS, AND WITHDRAWALS OF SUBMITTALS (APR 2018)

(a) The FAA (we) will consider an offers received after the time specified for receipt only if we receive it before making an award and --

(1) The offeror (you) sent it by registered or certified mail not later than the fifth calendar day before the date specified for receiving offers (for example, you must have mailed an offer by the 15th in response to a SIR requiring that we receive offers by the 20th);

(2) You sent it by mail and we determine that we received it late only because of mishandling by the FAA;

(3) You sent it by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5:00 p.m. in the time zone from which you mailed it, two working days before the date specified for receiving offers. The term 'working days' excludes weekends and U.S. Federal holidays;

(4) You transmitted it electronically by a method the SIR authorized and it was received at the initial point of entry into the FAA infrastructure not later than 5:00 pm one working day prior to the date specified for receipt of proposals; or

(5) It is the only offer we received.

(b) Any modification you make to your offer for a reason other than the CO's request is subject to subparagraphs (a)(1), (2), and (3).

(c) We will not consider a modification resulting from the CO's request received after the time and date specified in the request. The exception to this is if we received it before we awarded the contract and we received it late only because we mishandled it;

(d) The U.S. or Canadian postmark is the only acceptable evidence of the date you mailed a late offer or modification sent by registered or certified mail. The postmark must be on the envelope or wrapper and on the original receipt from the U.S. or Canadian postal service. Both postmarks must show a legible date or we will consider the offer to have been mailed late. 'Postmark' means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been applied by the postal service on the date of mailing. Therefore, you should ask the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(e) Our time and date stamp on the wrapper or other documentary evidence of receipt are the only acceptable evidence of when we received it.

(f) The date the post office receiving clerk enters is the only acceptable evidence of the date you mailed a late offer, modification, or withdrawal sent by Express Mail Next Day Service. The postmark must be on the envelope or wrapper and on the original receipt from the postal service. 'Postmark' has the same meaning as in paragraph (d), excluding Canadian postmarks. Therefore, you should ask the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Despite paragraph (a), we will consider a late modification of an otherwise acceptable offer if the modification makes the offer's terms more favorable to the FAA.

(h) You may withdraw your offer by written notice or by any other means specified in this SIR for submitting offers. If the SIR allows electronic offers, this provision is subject to the conditions specified in provision 3.2.2.3-20 "Offers". You may withdraw offers in person either directly or through an authorized representative identified to FAA. We must receive any withdrawal before we award the contract.

3.9.1-3 PROTEST (JAN 2020)

AS A CONDITION OF SUBMITTING AN OFFER OR RESPONSE TO THIS SIR (OR OTHER SOLICITATION, IF APPROPRIATE), THE OFFEROR OR POTENTIAL OFFEROR AGREES TO BE BOUND BY THE FOLLOWING PROVISIONS RELATING TO PROTESTS:

(a) Protests concerning Federal Aviation Administration Screening Information Requests (SIRs) or awards of contracts shall be resolved through the Federal Aviation Administration (FAA) dispute resolution system at the Office of Dispute Resolution for Acquisition (ODRA) and shall be governed by the procedures set forth in 14 C.F.R. Parts 14 and 17, which are hereby incorporated by reference. Judicial review, where available, will be in accordance with 49 U.S.C. 46110 and shall apply only to final agency decisions. A protestor may seek review of a final FAA decision only after its administrative remedies have been exhausted.

(b) Offerors initially should attempt to resolve any issues concerning potential protests with the Contracting Officer. The Contracting Officer should make reasonable efforts to answer questions promptly and completely, and, where possible, to resolve concerns or controversies. The protest time limitations, however, will not be extended by attempts to resolve a potential protest with the Contracting Officer.

(c) The filing of a protest with the ODRA may be accomplished by mail, overnight delivery, hand delivery, or by facsimile or if permitted by order of the ODRA, by electronic filing. A protest is considered to be filed on the date it is received by the ODRA during normal business hours. The ODRA's normal business hours are from 8:30 am to 5:00 pm Eastern Time.

(d) Only an interested party may file a protest. An interested party is one whose direct economic interest has been or would be affected by the award or failure to award an FAA contract. Proposed subcontractors are not "interested parties" within this definition.

(e) A written protest must be filed with the ODRA within the times set forth below, or the protest shall be dismissed as untimely:

(1) Protests based upon alleged improprieties in a solicitation or a SIR that are apparent prior to bid opening or the time set for receipt of initial proposals shall be filed prior to bid opening or the time set for the receipt of initial proposals.

(2) In procurements where proposals are requested, alleged improprieties that do not exist in the initial solicitation, but which are subsequently incorporated into the solicitation, must be protested not later than the next closing time for receipt of proposals following the incorporation.

(3) For protests other than those related to alleged solicitation improprieties, the protest must be filed on the later of the following two dates:

(i) Not later than seven (7) business days after the date the protester knew or should have known of the grounds for the protest; or

(ii) If the protester has requested a post-award debriefing from the FAA Product Team, not later than five (5) business days after the date on which the Product Team holds that debriefing.

(f) Protests shall be filed at:

(1) For filing by hand delivery, courier or other form of in-person delivery:

Office of Dispute Resolution for Acquisition
Federal Aviation Administration
600 Independence Avenue SW., Room 2W100
Washington, DC 20591; or

For filing by U.S. Mail:

Facsimile: (202) 267-3720
Alternate Facsimile: (202) 267-1293; or

(g) At the same time as filing the protest with the ODRA, the protester shall serve a copy of the protest on the Contracting Officer and any other official designated in the SIR for receipt of protests by means reasonably calculated to be received by the Contracting Officer on the same day as it is to be received by the ODRA. The protest shall include a signed statement from the protester, certifying to the ODRA the manner of service, date, and time when a copy of the protest was served on the Contracting Officer and other designated official(s).

Section M - Evaluation Factors for Award

Clause List

3.2.4-31 EVALUATION OF OPTIONS (APR 1996)

Except when it is determined not to be in the Government's best interests, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

(End of provision)

SA23 BASIS OF AWARD FOR LOW PRICE WITH OPTIONAL BID ITEMS

The Government may award a contract on the basis of initial offers received, without discussion. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint. Award shall be in accordance with clause 3.2.2.3-19, entitled 'CONTRACT AWARD' (JULY 2004).

Contractors must make an offer on ALL items or the entire offer will be rejected as non-responsive. The evaluation of options will not obligate the government to exercise the options. The government reserves the right to award any or all options(s) in any order.

Only one (1) contract award shall be made as a result of this solicitation. If options are not selected, award will be made to the otherwise responsive offeror whose offer results in the lowest price for the base bid. If options are selected, award will be made to the otherwise responsive offeror whose offer results in the lowest aggregate price for the base bid and those option(s) exercised.

(End of Provision)

SA56 EVALUATION FACTORS FOR AWARD - SERVICES

The Government will make award to the contractor offering the lowest priced, technically acceptable offer. The Government will make award to the responsible offeror whose proposal conforms to the solicitation terms and conditions. The Government reserves the right to award on initial offers without discussions or to conduct one-on-one discussions with one or more offerors to clarify issues relating to scope, pricing and responsibility. Proposals shall be evaluated as either 'acceptable' or 'unacceptable' on the basis of the following criteria:

A. Relevant Experience.

STANDARD FOR REVIEW: An acceptable proposal must demonstrate:

- At least three (3) successful relevant projects that are the same or similar to the work required in the project specifications and this solicitation, AND
- Each project submitted must be valued at or over **\$700,000.00**, AND
- Projects submitted must have been completed, or underway, within the last 5 years through the closing date of the SIR.

The FAA reserves the right to contact the customers listed as references and apply that information in its final determination.

B. Past Performance.

STANDARD FOR REVIEW: At least three (3) Customer Satisfaction Surveys must be received by the solicitation deadline with a Good or higher rating that have been completed and submitted by a third party. The FAA reserves the right to contact customers listed as references and conduct a Customer Satisfaction Survey by telephone in the event that there is insufficient competition due to the lack of customer satisfaction surveys received. If Contractor does not have an applicable performance history, then within the cover letter the Contractor must indicate the reason

for such absence of past performance history and provide a proposed project management plan to ensure the quality of the services to be performed. Keep in mind that the Agency may use information other than that provided by the Contractor in connection with this solicitation. The Government can use information other than that provided by the contractor and that we may use that information as part of our responsibility determination.
