PART I - GENERAL PROVISIONS

SECTION 1.1
DEFINITIONS OF FEHB TERMS (JAN 2012)

For purpose of this contract, the following definitions apply:

Benefits: Covered services or payment for covered services set forth in Appendix A, to which Members are entitled to the extent provided by this contract.

Carrier: As defined by chapter 89 of title 5, United States Code, and may be used interchangeably with the term Contractor.

Enrollee: The Federal employee, Tribal Employee, annuitant, former spouse, temporarily-covered former Federal employee or family member enrolled under this contract.

FEHBP: Federal Employees Health Benefits Program.

Letter of Credit: The method by which certain Carriers, and their underwriters if authorized, receive recurring premium payments and contingency reserve payments by drawing against a commitment (certified by a responsible OPM official) which specifies a dollar amount available. For each Carrier participating in the Letter of Credit arrangement for payment under FEHBAR 1632.170(b), the terms "Carrier reserves" and "special reserves" include any balance in the Carrier's Letter of Credit account.

Member: The Enrollee and/or an eligible family member for benefit purposes, and sometimes referred to as subscriber.

Subcontractor: Any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime contractor, or another subcontractor, except for providers of direct medical services or supplies pursuant to the Carrier's health benefits plan.

Tribal Employee: A full-time or part-time common law employee of a tribal employer.

Tribal Employer: A Tribal Employer is an Indian tribe or tribal organization, as those terms are defined in 25 U.S.C. Chapter 18, carrying out at least one program under the Indian Self-Determination and Education Assistance Act or an urban Indian organization as that term is defined in 25 U.S.C. Chapter 18 carrying out at least one program under the title V of the Indian Health Care Improvement Act, provided that OPM accepts the tribe, tribal organization, or urban Indian organization's agreement to offer FEHB.
SECTION 1.2
ENTIRE CONTRACT (JAN 2009)

(a) This document as described in the Table of Contents constitutes the entire contract between the parties. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in this contract. Requests for modifications of this contract must be submitted to the authorized Contracting Officer. Only the Contracting Officer acting within the scope of his or her authority may execute a contract modification on behalf of the government.

(b) All statements concerning coverage or benefits made by OPM, the Carrier or by any individual covered under this contract shall be deemed representations and not warranties. No such statement shall convey or void any coverage, increase or reduce any benefits under this contract or be used in the prosecution of or defense of a claim under this contract unless it is contained in writing and a copy of the instrument containing the statement is or has been furnished to the Member or to the person making the claim.

SECTION 1.3
ORDER OF PRECEDENCE (JAN 1996)

Any inconsistency in this contract shall be resolved by giving precedence in the following descending order: The Act, the regulations in part 890, title 5, Code of Federal Regulations, the regulations in chapters 1 and 16, title 48, Code of Federal Regulations, and this contract.

SECTION 1.4
INCORPORATION OF LAWS AND REGULATIONS (JAN 2002)

(a) The applicable provisions of (1) chapter 89 of title 5, United States Code; (2) OPM's regulations as contained in part 890 of title 5, Code of Federal Regulations; and (3) chapters 1 and 16 of title 48, Code of Federal Regulations constitute a part of this contract as if fully set forth herein, and the other provisions of this contract shall be construed so as to comply therewith.

(b) If the Regulations are changed in a manner which would increase the Carrier's liability under this contract, the Contracting Officer will make an equitable adjustment in accordance with the changes clause, Section 5.38 -- Changes--Negotiated Benefits Contracts.

SECTION 1.5
RECORDS AND INFORMATION TO BE FURNISHED BY OPM (JAN 2012)

(a) OPM shall maintain or cause to be maintained records from which the Carrier may determine the names and social security numbers of all Enrollees. OPM, other agencies of the Federal Government, Tribal Employer, or the FEHB Clearinghouse shall furnish the information to the Carrier at such times and in such form and detail as will enable the Carrier to maintain a currently accurate record of all Enrollees.

(b) The Carrier is entitled to rely on information furnished to it under paragraph (a). OPM agrees that any liabilities incurred under this contract in reliance upon such information
shall be a valid charge against the contract. Errors or delays in keeping or reporting data relating
to coverage shall not invalidate coverage that would otherwise be validly in force and shall not
continue coverage that would otherwise be terminated. OPM shall make an equitable adjustment
of premiums upon discovery of errors or delays under this Section.

(c) Clerical error (whether by OPM, any other agency, Tribal Employer, the FEHB
Clearinghouse, or the Carrier) in keeping records pertaining to coverage under this contract,
delays in making entries thereon, or failure to make or account for any deduction of enrollment
charges, shall not invalidate coverage otherwise validly in force or continue coverage otherwise
validly terminated. OPM shall make an equitable adjustment of premiums when an error, delay,
or failure is discovered. If any person finds relevant facts pertaining to a person covered under
this contract to be misstated, and if the misstatement affects the existence, amount, or extent of
coverage, the actual facts shall determine whether coverage is in force under the terms of this
contract and in what amount or to what extent. Any claim payments the Carrier makes before an
adjustment or determination shall be a valid charge against this contract.

(d) The OPM shall direct the agencies and Tribal Employers to provide the Carrier or the
FEHB Clearinghouse, not less often than quarterly, the names of Enrollees enrolled under the
contract by payroll office and the premium paid for those Enrollees for the current pay cycle.
The Carrier shall at least quarterly reconcile its enrollment records with those provided by the
Government, the Tribal Employer, or the FEHB Clearinghouse.

(e) In instances of erroneous enrollments where benefit payments have been made in
error, the Carrier must inform Enrollees within forty-five days of when the Carrier receives
notification from the agency or the Tribal Employer that the Carrier will collect for these benefit
payments. The Carrier shall provide notice to the Enrollees that they have the right to contest
their enrollment change with their agency, Tribal Employer, or their retirement system.

SECTION 1.6
CONFIDENTIALITY OF RECORDS
(JAN 1991) (FEHBAR 1652.224-70)

(a) The Carrier shall use the personal data on employees and annuitants that is provided
by agencies and OPM, including social security numbers, for only those routine uses stipulated
for the data and published annually in the Federal Register as part of OPM's notice of systems of
records.

(b) The Carrier shall also hold all medical records, and information relating thereto, of
Federal subscribers confidential except as follows:
(1) As may be reasonably necessary for the administration of this contract;
(2) As authorized by the patient or his or her guardian;
(3) As disclosure is necessary to permit Government officials having authority to
investigate and prosecute alleged civil or criminal actions;
(4) As necessary to audit the contract;
(5) As necessary to carry out the coordination of benefit provisions of this contract; and
(6) For bona fide medical research or educational purposes. Release of information for
medical research or educational purposes shall be limited to aggregated information of a
statistical nature that does not identify any individual by name, social security number, or any
other identifier unique to an individual.
(c) If the Carrier uses medical records for the administration of the contract, or for bona fide research or educational purposes, it shall so state in the Plan's brochure.

SECTION 1.7
STATISTICS AND SPECIAL STUDIES (JAN 2009)

(a) The Carrier shall maintain or cause to be maintained statistical records of its operations under the contract and shall furnish OPM, in the form prescribed by the Contracting Officer, the statistical reports reasonably necessary for the OPM to carry out its functions under Chapter 89 of title 5, United States Code.
(b) The Carrier shall furnish such other reasonable statistical data and reports of special studies as the Contracting Officer may from time to time request for the purpose of carrying out its functions under Chapter 89 of title 5, United States Code.
(c) The Carrier shall furnish the routine reports in the required number of copies in a format to be determined by the Contracting Officer as instructed by OPM.
(d) The Carrier shall notify the OPM Contract Representative immediately upon a change in the name or address of the Carrier's contract administrator(s).

SECTION 1.8
NOTICE (JAN 2003)

Where the contract requires that notice be given to the other party, such notice must be given in writing to the address shown on this contract’s signature page. To notify OPM, the Carrier must write to the Contracting Officer, unless otherwise specified.

SECTION 1.9
PLAN PERFORMANCE--EXPERIENCE-RATED FFS CONTRACTS (JAN 2018)

(a) Detection of Fraud, Waste, and Abuse (FWA). The Carrier shall conduct a program to assess its vulnerability to FWA to include but not limited to performing post-payment reviews and audits of providers identified either proactively or reactively. The Carrier shall operate a system designed to detect and eliminate FWA internally by Carrier employees and Subcontractors, by providers providing goods or services to FEHB Members, and by individual FEHB Members. In addition, FEHBP Carriers must demonstrate they have submitted written notification to OPM-OIG within 30 business days of identifying potential FWA issues impacting the FEHB Program regardless of dollar value. The program must specify provisions in place for cost avoidance, not just fraud detection, along with criteria for follow-up actions. The report will also include the industry standards checklist.

(b) Clinical Care Measures. The Carrier shall measure and/or collect data on the quality of the health care services it provides to its members as requested by OPM. Measurement/data collection efforts may include performance measurement systems such as Healthcare Effectiveness Data and Information Set (HEDIS), measures developed by the Pharmacy Quality Alliance (PQA), and similar measures developed by accrediting organizations such as, but not limited to, the Association for Ambulatory Health Care (AAAHC), the National Committee for Quality Assurance (NCQA), and URAC or endorsed by the National Quality Forum. Costs incurred by the Carrier for collecting or contracting with a vendor to collect quality measures/data shall be the Carrier’s responsibility and are allowable administrative expenses, subject to the administrative cost limitation.

(c) Patient Safety. The Carrier shall implement a patient safety improvement program. At a minimum, the Carrier shall --

2. Report to OPM on how it will strengthen its patient safety program for the future;

In addition to any other means of surveying Plan members that the Carrier may develop, the Carrier shall participate in the Consumer Assessments of Healthcare Providers and Systems (CAHPS) 5.0 Survey to provide feedback to Enrollees on Enrollee experience with the various FEHBP plans. The Carrier shall take into account the published results of the survey, or other results as directed by OPM, in identifying areas for improvement as part of the Carrier’s
quality assurance program. Payment of survey charges will be in accordance with Section
3.11.

(f) Contract Quality Assurance. The Carrier shall develop and apply a quality
assurance program specifying procedures for assuring contract quality. At a minimum the
Carrier shall meet the following standards and submit an annual report to OPM on these

receives an FEHB claim to the date it adjudicates it (paid, denied or a request for further

days.

(6) Processing ID cards on change of plan or option - the number of calendar days
from the date the Carrier receives the enrollment from the Enrollee’s agency, Tribal Employer,
or retirement system to the date it issues the ID card.

REQUIRED STANDARD: The Carrier issues the ID card within fifteen calendar days after
receiving the enrollment from the Enrollee’s agency, Tribal Employer, or retirement system
except that the Carrier will issue ID cards resulting from an open season election within fifteen
calendar days or by December 15, whichever is later.

(7) Member Inquiries - the number of working days taken to respond to an FEHB
member’s written inquiry, expressed as a cumulative percentage, for the given time period.

REQUIRED STANDARD: The Carrier responds to 90 percent of inquiries within 15
working days (including internet inquiries).

(8) Written Inquiries Accuracy – the number of FEHB written inquiries handled

   REQUIRED STANDARD: On average, no more than 30 seconds elapse before the Carrier connects a member’s telephone call to its service representative.

   (iv) **Initial Call Resolution** – the percentage of issues resolved during the initial call.

   REQUIRED STANDARD: On average, caller’s issues must be resolved during the initial call at least 80 percent of the time.

(12) **Responsiveness to FEHB Member Requests for Reconsideration:**

REQUIRED STANDARD: For 100 percent of written FEHB disputed claim requests received for the given time period, within 30 days after receipt by the Carrier, the Carrier shall affirm the denial in writing to the FEHB member, pay the claim, provide or authorize coverage of the service, or request additional information reasonably necessary to make a determination.

(g) **Quality Assurance Plan.** The Carrier must demonstrate that a statistically valid sampling technique is routinely used prior to or after processing to randomly sample FEHB claims against Carrier quality assurance/fraud and abuse prevention standards.

The Carrier shall take the necessary action promptly to implement the Contracting Officer’s order. If the Contracting Officer orders a modification of the Carrier's quality assurance program or fraud prevention program pursuant to this paragraph (j) after the contract year has begun, the costs incurred to correct the deficiency may be excluded from the administrative expenses -- for the contract year -- that are subject to the administrative expenses limitation specified at Appendix B; provided the Carrier demonstrates that the correction of the deficiency significantly increases the Carrier's liability under this contract.

(k) In order to allow sufficient implementation time, the Contracting Officer will notify the Carrier reasonably in advance of any new requirement(s) under paragraphs (a) through (j).

**SECTION 1.10**

**NOTICE OF SIGNIFICANT EVENTS (JUL 2005) (FEHBR 1652.222-70)**

As used in this section, a Significant Event is any occurrence or anticipated occurrence that might reasonably be expected to have a material effect upon the Carrier’s ability to meet its obligations under this contract, including, but not limited to, any of the following:

1. Disposal of major assets;

11. Any significant changes in policies and procedures or interpretations of the contract or brochure which would affect the benefits available under the contract or the costs charged to the contract;
12. Any fraud, embezzlement or misappropriation of FEHB funds; or
13. Any written exceptions, reservations or qualifications expressed by the independent accounting firm (which ascribes to the standards of the American Institute of Certified Public Accountants) contracted with by the Carrier to provide an opinion on its annual financial statements.

(b) Upon learning of a Significant Event OPM may institute action, in proportion to the seriousness of the event, to protect the interest of Members, including, but not limited to--

The amount of the dollar charge to the FEHB Program shall be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254b(a)(7).

SECTION 1.11
FEHB INSPECTION (JUL 2005) (FEHBAR 1652.246-70)

(a) The Contracting Officer, or an authorized representative of the Contracting Officer, has the right to inspect or evaluate the work performed or being performed under the contract, and the premises where the work is being performed, at all reasonable times and in a manner that will not unreasonably delay the work.

(b) The Contractor shall maintain and the Contracting Officer, or an authorized representative of the Contracting Officer, shall have the right to examine and audit all books and records relating to the contract for purposes of the Contracting Officer’s determination of the Carrier’s subcontractor or Large Provider’s compliance with the terms of the contract, including its payment (including rebate and other financial arrangements) and performance provisions. The Contractor shall make available at its office at all reasonable times those books and records for examination and audit for the record retention period specified in the Federal Employees Health Benefits Acquisition Regulation (FEHBAR), 48 CFR 1652.204-70. This subsection is applicable to subcontract and Large Provider Agreements with the exception of those that are subject to the “Audits and Records – Negotiation” clause, 48 CFR 52.215-2.

(c) If the Contracting Officer, or an authorized representative of the Contracting Officer, performs inspection, audit or evaluation on the premises of the Carrier, the subcontractor, or the Large Provider, the Carrier shall furnish or require the subcontractor or Large Provider to furnish all reasonable facilities for the safe and convenient performance of these duties.

(d) The Carrier shall insert this clause, including this subsection (d), in all subcontracts for underwriting and claim payments and administrative services and in all Large Provider Agreements and shall substitute “contractor”, “Large Provider,” or other appropriate reference for the term “Carrier.”

SECTION 1.12
CORRECTION OF DEFICIENCIES (JAN 1997)

(a) The Carrier shall maintain sufficient financial resources, facilities, providers, staff and other necessary resources to meet its obligations under this contract. If the OPM determines that the Carrier does not demonstrate the ability to meet its obligations under this contract, the OPM shall notify the Carrier of the asserted deficiencies. The Carrier agrees that, within ten (10) working days following notification, it shall present detailed plans for correcting the deficiencies. These plans shall be presented in a form prescribed by the OPM. Pending submission or implementation of plans required under this Section, the OPM may institute action as it deems necessary to protect the interests of Members, including, but not limited to:

(1) Suspending new enrollments under this contract;
(2) Advising Enrollees of the asserted deficiencies and providing them an opportunity to transfer to another plan;
(3) Withholding payment of subscription income or restricting access to the Carrier's Letter of Credit account; or
(4) Terminating the enrollment of those Enrollees who, in the judgment of OPM, would be adversely affected by the deficiency.

(b) The Carrier agrees that failure to submit or to diligently implement plans which are required under this Section shall constitute sufficient grounds for termination of this contract pursuant to Section 1.15, Renewal and Withdrawal of Approval.

(c) Prior to taking action as described in paragraph (a) the OPM shall notify the Carrier and offer an opportunity to respond.

(d) The Carrier shall include the substance of this clause in the contract with its underwriter and substitute an appropriate term for "Carrier."

SECTION 1.13
INFORMATION AND MARKETING MATERIALS (JAN 2014)

(a) OPM and the Carrier shall agree upon language setting forth the benefits, exclusions and other language of the Plan. The Carrier bears full responsibility for the accuracy of its FEHB brochure. OPM in its sole discretion, may order the Carrier to produce and distribute the agreed upon brochure text in a format and quantity approved by OPM, including an electronic 508 compliant brochure version, Section 508 of the Rehabilitation Act of 1973, as amended 29 U.S.C. § 794d, for OPM’s website. This formatted document is referred to as the FEHB brochure. The Carrier shall distribute the FEHB brochure on a timely basis to new Enrollees and to other Enrollees upon their request. The Carrier shall also distribute the document(s) to Federal agencies and Tribal Employers to be made available to such individuals who are eligible to enroll under this contract. At the direction of OPM, the Carrier shall produce and distribute an audio cassette version, CD, or other electronic media of the approved language. The Carrier may print additional FEHB brochures for distribution for its own use, but only in the approved format and at its own expense.

(b) Supplemental material. Only marketing materials or other supplemental literature prepared in accordance with FEHBar 1652.203-70 (Section 1.14 of this contract) may be distributed or displayed at or through Federal facilities.

(c) The Carrier shall reflect the statement of benefits in the agreed upon brochure text included at Appendix A of this contract, verbatim, in the FEHB brochure.
(d) OPM may order the Carrier to prepare an addendum or reissue the FEHB brochure or any piece(s) of supplemental marketing material at no expense to the Government if it is found to not conform to the agreed upon brochure text and/or supplemental marketing materials preparations described in paragraphs (a), (b) and (c) of this section.

(e) The Carrier shall produce and make available an FEHB Summary of Benefits and Coverage (SBC).

SECTION 1.14
MISLEADING, DECEPTIVE OR UNFAIR ADVERTISING (JAN 1991) (FEHBAR 1652.203-70)

(a) The Carrier agrees that any advertising material, including that labeled promotional material, marketing material, or supplemental literature, shall be truthful and not misleading.

(b) Criteria to assess compliance with paragraph (a) of this clause are available in the FEHB Supplemental Literature Guidelines which are developed by OPM and should be used, along with the additional guidelines set forth in FEHBAR 1603.7002, as the primary guide in preparing material; further guidance is provided in the NAIC Advertisements of Accident and Sickness Insurance Model Regulation. The guidelines are periodically updated and provided to the Carrier by OPM.

(c) Failure to conform to paragraph (a) of this clause may result in a reduction in the service charge, if appropriate, and corrective action to protect the interest of Federal Members. Corrective action will be appropriate to the circumstances and may include, but is not limited to the following actions by OPM:

1. Directing the Carrier to cease and desist distribution, publication, or broadcast of the material;
2. Directing the Carrier to issue corrections at the Carrier's expense and in the same manner and media as the original material was made; and
3. Directing the Carrier to provide, at the Carrier's expense, the correction in writing by certified mail to all Enrollees of the Plan(s) that had been the subject of the original material.

(d) Egregious or repeated offenses may result in the following action by OPM:

1. Suspending new enrollments in the Carrier's Plan(s);
2. Providing Enrollees an opportunity to transfer to another plan; and
3. Terminating the contract in accordance with Section 1.15, Renewal and Withdrawal of Approval.

(e) Prior to taking action as described in paragraphs (c) and (d) of this clause, the OPM will notify the Carrier and offer an opportunity to respond.

(f) The Carrier shall incorporate this clause in subcontracts with its underwriter, if any, and other subcontractors directly involved in the preparation or distribution of such advertising material and shall substitute "Contractor" or other appropriate reference for the term "Carrier."

SECTION 1.15
RENEWAL AND WITHDRAWAL OF APPROVAL (JAN 1991) (FEHBAR 1652.249-70)

(a) The contract renews automatically for a term of one (1) year each January first, unless written notice of non-renewal is given either by OPM or the Carrier not less than 60 calendar days before the renewal date, or unless modified by mutual agreement.
(b) This contract also may be terminated at other times by order of OPM pursuant to 5 U.S.C. 8902(e). After OPM notifies the Carrier of its intent to terminate the contract, OPM may take action as it deems necessary to protect the interests of Members, including but not limited to--

   (1) Suspending new enrollments under the contract;
   (2) Advising Enrollees of the asserted deficiencies; and
   (3) Providing Enrollees an opportunity to transfer to another plan.

(c) OPM may, after proper notice, terminate the contract at the end of the contract term if it finds that the Carrier did not have at least 300 Enrollees enrolled in its Plan at any time during the two preceding contract terms.

SECTION 1.16
SUBCONTRACTS (JUL 2005) (FEHBAR 1652.244-70)

(a) The Carrier will notify the Contracting Officer in writing at least 30 days in advance of entering into any subcontract or subcontract modification, or as otherwise specified by this contract, if the amount of the subcontract or modification charged to the FEHB Program equals or exceeds $550,000 and is at least 25 percent of the total subcontract cost. The amount of the dollar charge to the FEHB Program shall be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254b(a)(7). Failure to provide advance notice may result in a Contracting Officer's disallowance of subcontract costs or a penalty in the performance aspect of the Carrier’s service charge. In determining whether the amount chargeable to the FEHB Program contract for a given subcontract or modification equals or exceeds the $550,000 threshold, the following rules apply:

   (1) For initial advance notification, the Carrier shall add the total cost/price for the base year and all options, including quantity or service options and option periods.
   (2) For contract modifications, options and/or renewals (e.g. evergreen contracts) not accounted for in paragraph (a)(1) of this clause, the Carrier shall provide advance notification if they cause the total price to equal or exceed the threshold. OPM’s review will be of the modification(s), itself, but documentation for the original subcontract will be required to perform the review. The $550,000 threshold will be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act. All subcontracts or subcontract modifications that equal or exceed the threshold are subject to audit under FAR 52.215-2 “Audit and Records-Negotiations” if based on cost analysis or 48 CFR 1646.301 and 1652.246-70 “FEHB Inspection” if based on price analysis.

(b) The advance notification required by paragraph (a) of this clause shall include the information specified below:

   (1) A description of the supplies or services to be subcontracted;
   (2) Identification of the type of subcontract to be used;
   (3) Identification of the proposed subcontractor and an explanation of why and how the proposed subcontractor was selected, including the competition obtained;
   (4) The proposed subcontract price and the Carrier’s cost or price analysis;
   (5) The subcontractor’s current, complete, and accurate cost or pricing data and Certificate of Current Cost or Pricing Data, must be submitted to the Contracting Officer if required by law, regulation, or other contract provisions.
   (6) (Reserve)
(7) A negotiation memorandum reflecting--
   (i) The principal elements of the subcontract price negotiations;
   (ii) The most significant consideration controlling establishment of initial or revised
        prices;
   (iii) An explanation of the reason cost or pricing data are not required, if the Carrier
        believes that cost or pricing data are not required.
   (iv) The extent, if any, to which the Carrier did not rely on the subcontractor's cost or
        pricing data in determining the price objective and in negotiating the final price;
   (v) The extent, if any, to which it was recognized in the negotiation that the
        subcontractor's cost or pricing data were not accurate, complete, or current; the action
        taken by the Carrier and the subcontractor; and the effect of any such defective data on
        the total price negotiated;
   (vi) The reasons for any significant difference between the Carrier's price objective and
        the price negotiated; and
   (vii) A complete explanation of the incentive fee or profit plan when incentives are used.
        The explanation will identify each critical performance element, management decisions
        used to quantify each incentive element, reasons for the incentives, and a summary of all
        trade-off possibilities considered.

(c) The Carrier will obtain the Contracting Officer's written consent before placing any
    subcontract for which advance notification is required under paragraph (a) of this clause.
    However, the Contracting Officer may ratify in writing any such subcontract for which
    written consent was not obtained. Ratification will constitute the consent of the Contracting
    Officer.

(d) The Contracting Officer may waive the requirement for advance notification and
    consent required by paragraphs (a), (b) and (c) of this clause where the Carrier and
    subcontractor submit an application or renewal as a contractor team arrangement as defined
    in FAR Subpart 9.6 and--

    (1) The Contracting Officer evaluated the arrangement during negotiation of the contract
        or contract renewal; and
    (2) The subcontractor's price and/or costs were included in the Plan's rates that were
        reviewed and approved by the Contracting Officer during negotiation of the contract or contract
        renewal.

    (e) If the Carrier follows the notification and consent requirements of paragraphs (a), (b)
        and (c) of this clause and subsequently obtains the Contracting Officer's consent or ratification,
        then the reasonableness of the subcontract's costs will be inferred as provided for in 1631.205-
        81. However, consent or ratification by the Contracting Officer will not constitute a
        determination:

        (1) Of the acceptability of any subcontract terms or conditions;
        (2) Of the allowability of any cost under this contract; or
        (3) That the Carrier should be relieved of any responsibility for performing this contract.

    (f) No subcontract placed under this contract will provide for payment on a cost-plus-
        percentage-of-cost basis. Any fee payable under cost reimbursement type subcontracts will
        not exceed the fee limitations in FAR 15.404-4(c)(4)(i). Any profit or fee payable under a
        subcontract will be in accordance with the provision of Section 3.7, Service Charge.

    (g) The Carrier will give the Contracting Officer immediate written notice of any action
        or suit filed and prompt notice of any claim made against the Carrier by any subcontractor or
        vendor that, in the opinion of the Carrier, may result in litigation related in any way to this
contract with respect to which the Carrier may be entitled to reimbursement from the Government.

SECTION 1.17
NOVATION AGREEMENT (JAN 1996)

The agreement at FEHBAR 1642.1204 shall be submitted for approval to OPM when the Carrier's assets or the entire portion of the assets pertinent to the performance of this contract, as determined by the Government, are transferred.

SECTION 1.18
AGREEMENT TO RECOGNIZE CARRIER'S CHANGE OF NAME (JAN 1996)

The agreement at FEHBAR 1642.1205 shall be submitted for approval to OPM when the Carrier changes its name and the Government's and Contractor's rights and obligations remain unaffected.

SECTION 1.19
UNDERWRITER (JAN 2009)

(a) If this Plan is underwritten, the Carrier shall not modify (except as allowed in Section 2.3, Payment of Benefits and Provision of Services and Supplies) or terminate the policy issued by the Underwriter of the Plan or give notice of termination or intent not to renew the policy without prior express approval of the Contracting Officer. The Carrier shall notify the Contracting Officer in writing of its decision to change Underwriters as soon as is reasonable after the decision is made but no later than at the time the Carrier submits its benefit and rate proposal to OPM for the succeeding contract term.

(b) In the event of any inconsistency between the terms of this contract between OPM and the Carrier and the terms of the policy issued by the Underwriter to the Carrier, the terms of this contract shall prevail.

(c) If this Plan is underwritten, the policy issued to the Carrier by its Underwriter is a part of this contract and is incorporated therein by reference. The Carrier shall include paragraph (b) in the contract with its Underwriter.

SECTION 1.20
[RESERVED]

SECTION 1.21
PATIENTS’ BILL OF RIGHTS (JAN 1999)

(a) The Carrier shall implement the recommendations in the Health Care Consumer Bill of Rights and Responsibilities (“Patients’ Bill of Rights”) in accordance with OPM guidance.

(b) During the Carrier’s provider contract renewal process, the Carrier shall make any necessary modifications to such provider contracts to comply with the recommendations of the Patients’ Bill of Rights in accordance with OPM guidance. All new provider contracts with the Carrier shall comply with the recommendations of the Patients’ Bill of Rights in accordance with OPM guidance.
SECTION 1.22
ADMINISTRATIVE SIMPLIFICATION-HIPAA (JAN 2008)

(a) The Carrier shall implement and be in compliance with the Department of Health and Human Services (DHHS) regulations regarding the standards for electronic transactions, code sets and unique identifiers on the date DHHS specifies. Subject to paragraph (c) of this section, the regulations at 45 CFR parts 160 and 162 are incorporated by reference in this contract.

(b) The Carrier shall implement and be in compliance with the DHHS regulations regarding the standards for privacy and security of individually identifiable health information on the date DHHS specifies. Subject to paragraph (c) of this section, the regulations at 45 CFR parts 160 and 164 are incorporated by reference in this contract.

(c) Because OPM has determined that the DHHS administrative simplification regulations should serve as a uniform nationwide standard for the FEHB Program, and because of the preemption provision at 5 U.S.C. 8902(m)(1), the provisions of 45 CFR part 160, subpart B are inapplicable to the Carrier with respect to the Plan.

(d) If the Carrier is an employee organization that retains an underwriter, then these requirements also apply to the underwriter with respect to the Plan. If the Carrier for the plan authorized under 5 U.S.C. 8903(l), qualifies for limited application of the HHS Privacy Rule as a business associate, then the HHS Privacy Rule requirements apply to the underwriting participating affiliates.

SECTION 1.23
HIPAA COMPLIANCE (JAN 1998)

(a) The Carrier shall comply with and shall take all steps reasonably necessary to ensure that its affiliates, subcontractors, and agents comply with the guaranteed availability provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and implementing regulations. “Guaranteed availability” means the Carrier, affiliates, subcontractors, and agents do not engage in practices that: 1) decline to offer health insurance coverage (as defined in section 2791(b)(1) of the Public Health Service Act “the Act”) to, or deny enrollment of an eligible individual (as defined in section 2741(b) of the Act); or, 2) impose any preexisting condition exclusion (as defined in section 2701(b)(1)(A) of the Act), with respect to such coverage.

(b) A State or Federal enforcement action as the result of noncompliance with the requirements of HIPAA is a significant event under Section 1.10 of this contract, Notice of Significant Events. If the Carrier, or any affiliate, subcontractor, or agent, is notified of any enforcement action by any Federal or State authority with regard to HIPAA compliance, the Carrier must notify OPM within ten working days of learning of the action.

SECTION 1.24
NOTICE ON TERMINATION OF FEHBP OR PROVIDER CONTRACT (JAN 2003)

(a) Members who are undergoing treatment for a chronic or disabling condition or who are in the second or third trimester of pregnancy at the time a Carrier terminates (1) its FEHBP contract, (2) the members’ specialty provider contract, or (3) a Preferred Provider Organization
(PPO) or Point of Service (POS) network contract, for reasons other than cause, may be able to continue to see their specialty provider for up to 90 days or through their postpartum care.

(b) The Carrier shall notify its members in writing of its intent to terminate its FEHBP contract, the members’ specialty provider contract, or a PPO or POS network contract, for reasons other than cause, in order to allow sufficient time for the members to arrange for continued care after the 90-day period or their postpartum care, whichever applies. The Carrier shall send the required notice to the member if the Carrier has in its records an address for the member different from the Enrollee’s address; otherwise, the Carrier may send the notice to the Enrollee. The Carrier shall send the notice in time to ensure it is received by the members no less than 90 days prior to the date it terminates the contract, unless the Carrier demonstrates it was prevented from doing so for reasons beyond its control. The Carrier’s prompt notice will ensure that the notification period and the transitional care period run concurrently.

SECTION 1.25
TRANSITIONAL CARE (JAN 2003)

(a) “Transitional care” is specialized care provided for up to 90 days or through the postpartum period, whichever is later, to a member who is undergoing treatment for a chronic or disabling condition or who is in the second or third trimester of pregnancy when the Carrier terminates (1) its FEHBP contract, (2) the member’s specialty provider contract, or (3) a Preferred Provider Organization (PPO) or Point of Service (POS) network contract for reasons other than cause. The 90-day period begins the earlier of the date the member receives the notice required under Section 1.24, Notice on Termination of FEHBP or Provider Contract, or the date the Carrier’s or the provider’s contract ends.

(b) The Carrier shall ensure the following:

(1) If it terminates a specialty provider contract or a PPO or POS network contract other than for cause, it allows members who are undergoing treatment for a chronic or disabling condition or who are in the second or third trimester of pregnancy to continue treatment under the specialty provider for up to 90 days, or through their postpartum period, whichever is later, under the same terms and conditions that existed at the beginning of the transitional care period; and

(2) If it enrolls a new member who voluntarily changed Carriers because the member’s former Carrier was no longer available in the FEHB Program, it provides transitional care for the member if he or she is undergoing treatment for a chronic or disabling condition or is in the second or third trimester of pregnancy for up to 90 days, or through the postpartum period, whichever is later, under the same terms and conditions the member had under the prior Carrier.

(c) In addition, the Carrier shall (1) pay for or provide the transitional care required under this clause at no additional cost to members;

(2) require the specialty provider or network to promptly transfer all medical records to the designated new provider during or upon completion of the transition period, as authorized by the patient; and,

(3) require the specialty provider or network to give all necessary information to the Carrier for quality assurance purposes.

SECTION 1.26
STANDARDS FOR PHARMACY BENEFIT MANAGEMENT COMPANY (PBM) ARRANGEMENTS (JAN 2014)

The Carrier will ensure and report that the following standards are included in new, renewing or amended contracts with vendors providing a retail pharmacy network and/or a mail order pharmacy and/or a specialty pharmacy to Enrollees and family members (hereafter “PBM”) effective on or after January 1, 2011. Notwithstanding the foregoing, the revisions to Section 1.26(a) in the January 2011 clause shall not take effect before the expiration of the Carrier’s current contract (including the exercise of an existing option to extend the term by not more than one year at a time) but not later than January 2013. The PBM includes all entities that have a majority ownership interest in or majority control over the PBM. The PBM also includes any other subsidiary of the entity that has majority ownership or control over the PBM.

This section does not apply to Carrier-owned PBMs, which are already expected to adhere to the FAR and FEHBAR standards and requirements, and the remaining provisions of this contract.

If the Carrier’s PBM arrangement is with an Underwriter rather than with the Carrier, then all references to the Carrier and Plan appearing in this Section 1.28 shall be deemed to be references to the Underwriter.

(a) Transparency Standards

(1) The PBM is not majority-owned or majority-controlled by a pharmaceutical manufacturing company. The PBM must disclose to the Carrier and OPM the name of any entity that has a majority ownership interest in or majority control over the PBM.

(2) The PBM agrees to provide pass-through transparent pricing based on the PBM’s cost for drugs (as described below) in which the Carrier receives the value of the PBM’s negotiated discounts, rebates, credits or other financial benefits.

(i) The PBM shall charge the Carrier no more than the amount it pays the pharmacies in its retail network for brand and generic drugs plus a dispensing fee.

(ii) The PBM shall charge the Carrier the cost of drugs at mail order pharmacies based on the actual cost, plus a dispensing fee. Costs shall not be based on industry benchmarks; for example, Average Acquisition Cost (AAC) or Wholesale Acquisition Cost (WAC).

(iii) The PBM, or any other entity that negotiates and collects Manufacturer Payments allocable to the Carrier, agrees to credit to the Carrier either as a price reduction or by cash refund the value of all Manufacturer Payments properly allocated to the Carrier. Manufacturer Payments are any and all compensation, financial benefits, or remuneration the PBM receives from a pharmaceutical manufacturer, including but not limited to, discounts; credits; rebates, regardless of how categorized; market share incentives, chargebacks, commissions, and administrative or management fees. Manufacturer payments also include any fees received for sales of utilization data to a pharmaceutical manufacturer.

(3) The PBM must identify sources of profit to the Carrier and OPM as it relates to the FEHB contract.
(4) The PBM’s administrative fees, such as dispensing fees, must be clearly identified to retail claims, mail claims and clinical programs, if applicable. The PBM must agree to disclose each administrative fee to the Carrier and OPM.

(5) The PBM, or any other entity that negotiates and collects Manufacturer Payments allocable to the Plan, will provide the Carrier with quarterly and annual Manufacturer Payment Reports identifying the following information. This information shall be presented for both the total of all prescription drugs dispensed through the PBM, acting as a mail order pharmacy, and its retail network and in the aggregate for the 25 brand name drugs that represent the greatest cost to the Carrier or such number of brand name drugs that together represent 75 percent of the total cost to the Carrier, whichever is the greater number:

(i) the dollar amount of Total Product Revenue for the reporting period, with respect to the PBM’s entire client base. Total Product Revenue is the PBM’s net revenue which consists of sales of prescription drugs to clients, either through retail networks or PBM-owned or controlled mail order pharmacies. Net revenue is recognized at the prescription price negotiated with clients and associated administrative fees;
(ii) the dollar amount of total drug expenditures for the Plan;
(iii) the dollar amount of all Manufacturer Payments earned by the PBM for the reporting period;
(iv) the Manufacturer Payments that have been (1) earned but not billed (2) billed and (3) paid to the PBM based on the drugs dispensed to the Plan members during the past year.
(v) the percentage of all Manufacturer Payments earned by the PBM for the reporting period that were Manufacturer Formulary Payments, which are payments the PBM receives from a manufacturer in return for formulary placement and/or access, or payments that are characterized as “formulary” or “base” rebates or payments pursuant to the PBM’s agreements with pharmaceutical manufacturers;
(vi) the percentage of all Manufacturer Payments received by the PBM during the reporting period that were Manufacturer Additional Payments, which are all Manufacturer Payments other than Manufacturer Formulary Payments.

(6) The PBM agrees to provide the Carrier, at least annually, with all financial and utilization information requested by the Carrier relating to the provision of benefits to eligible Enrollees through the PBM and all financial and utilization information relating to services provided to the Carrier.

(7) OPM reserves the right to review and receive any information and/or documents the Carrier receives from the PBM, including a copy of its contract with the PBM. A PBM providing information to a Carrier under this subsection may mark that information as confidential commercial information. The Carrier, in its contract with the PBM shall effectuate the PBM’s consent to the disclosure of this information to OPM. OPM shall handle the information in accordance with 5 CFR Part 294.

(8) The Carrier will require that its PBM contractors:

(i) Provide information to physicians, pharmacists, other health care professionals, consumers, and payers about the factors that affect formulary system decisions, including: cost containment measures; the procedures for obtaining non-formulary
drugs; and the importance of formulary compliance to improving quality of care and restraining health care costs;

(ii) Provide consumer education that explains how formulary decisions are made and the roles and responsibilities of the consumer; and

(iii) Disclose the existence of formularies and have copies of the current formulary readily available and publicly accessible.

(9) In accordance with FEHBAR 1652.204-74, FAR 52.215-2 and FEHBAR 1652.246-70, all contracts and other documentation that support amounts charged to the Carrier contract are fully disclosed to and auditable by the OPM Office of Inspector General (OPM OIG). The PBM must provide the OPM OIG upon request all PBM records including, but not limited to:

(i) All PBM contracts with Participating Pharmacies;
(ii) All PBM contracts with Pharmaceutical Manufacturers;
(iii) All PBM contracts with third parties purchasing or using claims data;
(iv) All PBM transmittals in connection with sales of claims data to third parties; and
(v) All PBM Maximum Allowable Cost (MAC) price lists.

(b) Integrity Standard
The Carrier will require that its PBM contractors agree to adopt and adhere to a code of ethics promulgated by a national professional association, such as the Code of Ethics of the American Pharmacists Association (dated October 27, 1994), for their employed pharmacists.

(c) Performance Standards
The Carrier will require that its PBM contractors develop and apply a quality assurance program specifying procedures for ensuring contract quality on the following standards at a minimum and submit reports to the Carrier on their performance. PBMs must meet, at minimum, the member inquiry, telephone customer service, paper claims processing, and other applicable standards set for Carriers at Section 1.9(f)(1), (2), (5), (7), and (11). All other standards discussed below will have specific target goals the PBM is expected to achieve. Carriers may permit PBMs to measure compliance using statistically valid samples for the PBMs book of business. Agreed to standards shall be provided to OPM for its review and comment. If OPM has concerns about a particular standard, the Carrier agrees to present OPM’s concerns to the PBM and either revise the standard as requested by OPM or revise the standard to the extent feasible and present to OPM information demonstrating the problems associated with making the requested revisions in full.

(1) Retail Pharmacy Standards

(i) Point of Service (POS) system response time. The PBM’s network electronic transaction system provides rapid response to network pharmacies.

(ii) POS system availability. The PBM’s network electronic transaction system generally is available to, and accessible by, network pharmacies.

(iii) Licensing – The PBM verifies the appropriate licensing of its network pharmacies.

(2) Mail Service Pharmacy Standards
Dispensing accuracy – The PBM dispenses its prescriptions to the correct patient and for the correct drug, drug strength and dosage in accordance with the physician’s prescription not less than 99.9 percent of the time.

Turnaround time – The PBM promptly dispenses and ships at least 98 percent on average of all prescriptions not requiring intervention or clarification within 3 business days or meets an equivalent measure approved by OPM.

Prior Approval – if applicable – The PBM promptly reviews and responds to requests for prior approval for specific drugs following receipt of all required information.

Quality of Drug Therapy - The quality assurance program implemented by a Carrier’s PBM contractor must include a process to measure the quality of its drug therapy provided to Enrollees. Specific areas to be addressed include achievement of quality targets measured by both internal and external metrics; identification and appropriate use of best practices; and application of evidence-based medicine, as appropriate.

(d) Alternative Drug Options
The Carrier will require that its PBM contractors, at a minimum, utilize the following protocols for PBM initiated drug interchanges (any change from the original prescription) other than generic substitutions:

(i) The PBM must treat the prescribing physician, and not itself, as the ultimate decision-maker. Furthermore, to the extent appropriate under the circumstances, the PBM must allow the patient input into that decision-making process. At a minimum, the PBM must provide the patient with a written notice in the package sent to the patient that the drug interchange has occurred with the approval of the Prescriber.

(ii) The PBM will obtain authorization for a drug interchange only with the express, verifiable authorization from the Prescriber as communicated directly by the Prescriber, in writing or verbally, or by a licensed medical professional or other physician’s office staff member as authorized by the Prescriber.

(iii) The PBM must memorialize in appropriate detail all conversations with patients and physicians in connection with drug interchanging requests, including the identity of the contact person at the physician’s office and the basis for his or her authority.

(iv) The PBM will only interchange a patient’s drug from a lower priced drug to a higher priced drug to patient or Plan when authorized by the Carrier or the Plan.

(v) The PBM will permit pharmacists to express their professional judgment to both the PBM and physicians on the impact of drug interchanges and to answer physicians’ questions about dosing. PBMs will not require pharmacists to, and will not penalize pharmacists for refusing to, initiate calls to physicians for drug interchanges that in their professional judgment should not be made.

(vi) The PBM will offer to disclose, and if requested, will disclose to physicians, the Carrier, and patients (i) the reason(s) why it is suggesting a
drug interchange and (ii) how the interchange will affect the PBM, the Plan, and the patients financially.

(e) **Patient Safety Standard** - The Carrier will require that its PBM contractors establish drug utilization management, formulary process and procedures that have distinct systems for identifying and rectifying consumer safety issues including:

(i) A system for identifying and communicating drug and consumer safety issues at point-of-service; and

(ii) A system of drug utilization management tools, such as prospective and concurrent drug utilization management that identifies situations which may compromise the safety of the consumer.

(f) **Safety and Accessibility for Consumers** - The Carrier will require that its PBM contractors meet the following standards related to pharmacy network management and consumer access to medications.

(1) The Carrier will require that its PBM contractor define the scope of its services with respect to:

(i) The distribution channels offered (e.g. pharmacy network, mail order pharmacies, or specialty pharmacies);

(ii) The types of pharmacy services offered within each distribution channel; and

(iii) The geographic area served by each distribution channel.

(2) The Carrier will require that for each distribution channel provided by its PBM contractor, the PBM contractor:

(i) Establishes criteria and measures actual performance in comparison to those criteria; and

(ii) Makes improvements where necessary to maintain the pharmacy network and meet contractual requirements.

(3) The Carrier will require that its PBM contractor establish a quality and safety mechanism for each distribution channel in order to identify and address concerns related to:

(i) Quality and safety of drug distribution; and

(ii) Quality of service

(g) **Contract Terms** - The contract between the PBM and the Carrier must not exceed 3 years without re-competition unless the Contracting Officer approves an exception. The Carrier’s PBM contract must allow for termination based on a material breach of any terms and conditions stated in the Carrier’s PBM contract. The Carrier must provide sufficient written notice of the material breach to the PBM and the PBM must be given adequate time to respond and cure the material breach.

SECTION 1.27
The Carrier will issue, as part of its FEHB benefits brochure, a disclosure notice concerning creditable prescription drug coverage in accordance with the regulation at 42 CFR §423.56 issued by the Department of Health and Human Services.

SECTION 1.28
CARRIER DISASTER RECOVERY PLAN (JAN 2007)

The Carrier must implement a disaster recovery plan that addresses flexibility for the following:
(a) Medical and pharmacy procedures and requirements;
(b) Barriers to accessing needed health care;
(c) Requests for out-of-network medical services;
(d) Alternatives for medical pre-certification, referrals, medical necessity review and notification of hospital admissions;
(e) Accessing other PCPs or specialists;

A “cold work site” is a designated location to use in the event of a disaster that is not fully prepared for continuation of work to which the employees can go.

The Carrier must provide OPM with the following information:
(a) description of its disaster recovery plan;
(b) the Carrier’s current state of readiness and the frequency of evaluations;
(c) the Carrier’s work with its subcontractor on this issue;
(d) a timeline; and
(e) any potential problem areas.

The Carrier may implement its own additional measures.

Carriers must submit this information by January 1, 2007. Carriers who enter the FEHBP subsequent to 2007, must submit this information by January 1st of their first FEHBP contract year. Any material changes to the disaster recovery plan, such as a prime disaster recovery subcontract change or a hot site change, should be reported to OPM.

SECTION 1.29
HEALTH INFORMATION TECHNOLOGY REQUIREMENTS (JAN 2011)
(a) The Carrier agrees that as it implements, acquires, or upgrades health information technology systems, it shall utilize, where available, certified health information technology systems and products that meet interoperability standards recognized by the Secretary of Health and Human Services, as existing on the date of the implementation, acquisition, or upgrade of health information technology systems (“Interoperability Standards”). Interoperability Standards include those standards adopted by the Secretary to promote meaningful use of health information technology in accordance with Public Law 111-5, The Health Information Technology for Economic and Clinical Health Act (HITECH Act).

(b) The Carrier agrees that such health information technology systems will have already been pilot tested in a variety of live settings and refined, if needed, before the Carrier will consider them for implementation.

(c) The Carrier agrees that as its provider agreements are established or renewed, it will encourage contracted providers to comply with applicable Interoperability Standards and to demonstrate meaningful use of health information technology in accordance with the HITECH ACT.

SECTION 1.30
HEALTH INFORMATION TECHNOLOGY PRIVACY AND SECURITY (JAN 2014)

(a) Any Carrier subcontractor, large provider, or vendor, that administers a personal health record or quality and cost or price transparency software applications for Members that collect, create, receive, store or transmit individually identifiable protected health information of Members that does not qualify as a covered entity or business associate under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or regulations will be required by the Carrier to, at a minimum, comply with equivalent privacy and security policies as are required of a “covered entity” under the HIPAA Privacy and Security regulations.

(b) The Carrier will provide for consumer transparency including, but not limited to, the posting of the subcontractor’s, large provider’s, or vendor’s notice of privacy practices prominently at the point where the Member enters the subcontractor’s, large provider’s, vendor’s or other entity’s website or web portal.

(c) Notices of privacy practices disclosures must describe the uses of individually identifiable protected health information and any potential disclosure to other entities as described in the HIPAA Privacy Rule.

(d) (1) The Contracting Officer or an authorized representative of the Contracting Officer may use NIST SP 800-53 (or its current equivalent) requirements as a benchmark for conducting audits of Carrier information systems and may recommend that the Carrier adopt a best practice drawn from NIST SP 800-53 (or its current equivalent) to the following Carrier information systems:

(i) Information systems that directly process FEHBP data for contract purposes; and
(ii) All other information systems operating in the same general information technology control environment as the information systems in (i) above.

(2) In a written response to such a recommendation, the Carrier shall (i) agree to adopt the recommendation, (ii) explain that it is already in compliance with the recommendation, or (iii) explain why maintaining its current practice is compliant with Section 1.22, captioned Administrative Simplification -- HIPAA and is equally, if not more, appropriate for its business purposes than the recommended best practice from (1) above.
(3) Upon request of the Contracting Officer or an authorized representative of the Contracting Officer, the Carrier agrees to demonstrate to the requestor its compliance with either a recommended best practice from (1) or an alternative current practice from (2)(iii) that the Carrier has adopted. Evidence submitted pursuant to (2) that the Carrier and Contracting Officer agree is extremely sensitive may, at the Carrier’s request and the Contracting Officer’s concurrence, be reviewed on the Carrier’s premises.

(4) If the Carrier agrees to adopt a best practice recommendation made pursuant to (1) above, the Contracting Officer will allow reasonable time for the Carrier to implement the best practice before making any request under (3) above.

SECTION 1.31
DEFINITION AND SCOPE OF INFORMATION SECURITY (JAN 2012)

(a) As indicated in FAR Subpart 2.1, information security means protecting OPM information and information systems from unauthorized access, use, disclosure, disruption, modification, or destruction in order to provide —
1. Integrity, which means guarding against improper information modification or destruction, and includes ensuring information nonrepudiation and authenticity; or destruction.
2. Confidentiality, which means preserving authorized restrictions on access and disclosure, including means for protecting personal privacy and proprietary information; and
3. Availability, which means ensuring timely and reliable access to, and use of, information.

(b) This Contract grants the Carrier access to OPM’s Letter of Credit (LOC) System. The Carrier recognizes its responsibility to help maintain the information security of OPM’s LOC System. Section 1.31 through 1.35 inclusive and Section 5.67 and 5.68 pertain exclusively to such limited access to OPM’s LOC System.

SECTION 1.32
CARRIER PERSONNEL ACCESS DETERMINATION REQUIREMENTS (JAN 2012)

(a) Carrier personnel who receive a user identification and password to access OPM’s LOC System shall comply with the U.S. Office of Management and Budget (OMB) Memorandum M-05-24, referenced in paragraph (a) of FAR 52.204-9, Personal Identity Verification of Contractor Personnel, which is available on-line at http://www.whitehouse.gov/omb/memoranda/fy2005/m05-24.pdf.

(b) Homeland Security Presidential Directive (HSPD) 12 requires the Government to institute standards for secure and reliable identification of employees and contractors accessing Federal facilities. OPM has determined that a National Agency Check with Written Inquiries (NACI) is required for Carrier employees with access to OPM’s LOC System. The Carrier must obtain these access determinations for its employees with access to OPM’s LOC System using the e-QIP system. The NACI will be requested on a Standard Form (SF) 85, “Questionnaire for Non-Sensitive Positions.” OPM will not allow Carrier employees who have not completed the NACI process in any of its facilities, pursuant to applicable security policies.

(c) Carriers must meet facility and access clearance requirements.

(d) Carriers are responsible for the security, integrity and appropriate authorized use of their systems interfacing with OPM’s LOC System. OPM, through its Contracting Officer, may
require the use or modification of security and/or secure communications technologies related to Government systems access and use.

(e) OPM, at its discretion, may suspend or terminate the Carrier’s access to and/or use of OPM’s LOC System when a security or other electronic access, use or misuse issue gives cause for such action. The suspension or termination may last until such time as the Government determines that the situation has been corrected or no longer exists.

SECTION 1.33
INFORMATION TECHNOLOGY SYSTEMS SECURITY (JULY 2011)

Carriers must comply with OPM IT Security and Privacy, NIST and OMB requirements for system users. System users are Carrier employees with a user identification and password to access OPM’s LOC System. Based upon the Federal Information Processing Standards Publication 199 (FIPS PUB 199), the Government has determined that a minimum level, applies to the sensitivity of the data contained in OPM’s LOC System and a minimum level, applies to the operational criticality of the data processing capabilities of OPM’s LOC System. (Note: FIPS PUB 199 is accessible on line at: http://csrc.nist.gov/publications/fips/fips199/FIPS-PUB-199-final.pdf.)

In order to access the OPM LOC System, the Carriers must demonstrate that they comply with the end-user security requirements in the Federal Information Security Management Act of 2002 (FISMA, Public Law 107-347, 44 U.S.C. 3531-3536); Office of Management and Budget (OMB) Circular A-130, Appendix III, “Security of Federal Automated Information Systems” and an acknowledgement of their understanding of the security requirements in the contract. (Note: OMB Circular A-130, Appendix III is accessible on line at: http://www.whitehouse.gov/omb/circulars/a130/appendix_iii.pdf.)

SECTION 1.34
CARRIER ACCESS TO OPM IT SYSTEMS (JAN 2011)

Each Carrier employee is required to utilize individual identification and authorization to access the OPM LOC System. Using shared accounts to access the OPM LOC System is strictly prohibited. OPM will disable accounts and access to the OPM LOC System will be revoked and denied if Carriers share accounts. Users of the OPM LOC System will be subject to periodic auditing to ensure compliance to OPM Security and Privacy Policy. In addition, Carriers are required to comply with the following NIST 800-53 security controls to include at a minimum: Access Control (AC) - Controls falling under the AC category ensure that proper restrictions are in place to limit access to authorized users with a need to know.

The Carrier must:

1. Provide to the OPM Letter of Credit (LOC) System Security Officer listed in OPM’s “Letter of Credit Drawdown System User Manual For Experience Rated Carriers” - Contacts for Questions and Problem Resolution, an initial and complete list of employees’ names that require access to OPM’s LOC System;

2. By the fifth day of each month thereafter, send a staffing change report to the Contracting Officer’s Representative, contract administrator and LOC Security Officer. The report must contain the listing of all staff members with an LOC System user identification and password who left employment or were hired under this contract in the past 60 days. This form
must be submitted even if no separation has occurred during this period. Failure to submit a ‘Contractor Staffing Change Report’ each month will result in the suspensions of all user IDs associated with this contract; and

(3) Anyone who accesses the OPM LOC System must complete OPM’s IT Security and Privacy Awareness Training (ITPSA) annually and upon the initial access. This requirement applies to all Carriers.

SECTION 1.35
PROCEDURES FOR REPORTING A LETTER OF CREDIT SYSTEM SECURITY BREACH
(JAN 2013)

(a) A breach of data, system access, etc. includes loss of control, compromise, unauthorized disclosure, unauthorized acquisition, or unauthorized access of information whether physical or electronic. As an agency, OPM is required to immediately report all potential security and data breaches -- whether they involve paper documents or electronic information. In order to meet this responsibility, OPM has established a new internal procedure for reporting the loss or possible compromise of any data, and this clause conforms to that procedure.

(b) OPM Carriers must report any breach or potential breach to the OPM Situation Room and the Contracting Officer within 30 minutes of becoming aware of the risk – regardless of the time or day of the week. Breaches should be reported, even if it is believed the breach is limited, small, or insignificant. OPM’s IT security experts, who will determine when a breach needs additional focus and attention. The OPM Situation Room is available 24 hours per day, 365 days per year. Report the breach to the OPM Situation Room and the Contracting Officer either by phone or by e-mail; however, be sure NOT to include PII in the e-mail.

(1) OPM Carriers must report a breach or potential security breach to the OPM Situation Room at: sitroom@opm.gov, (202) 418-0111, Fax (202) 606-0624.

(3) To get help with WinZip, please contact the OPM Help Desk at: helpdesk@opm.gov, (202) 606-4927, TTY (202) 606-1295.

(4) If you have questions regarding these procedures, contact the Contracting Officer.

SECTION 1.36
FEDERAL FLEXIBLE SPENDING ACCOUNT PROGRAM (FSAFEDS) PAPERLESS REIMBURSEMENT
(JAN 2013)

(a) If the Carrier participates in the FSAFEDS paperless reimbursement process, the Carrier must notify OPM following the discovery of a triggering event, as defined herein. Unless OPM and the Carrier mutually agree upon a different triggering event, the triggering event for notice shall be when the paid or denied claims included in a weekly electronic feed to FSAFEDS contain systemic errors attributable to a single claims processing system programming error, including but not limited to, a programming error in setting a co-payment or deductible amount. OPM and the Carrier recognize and agree that medical, dental, or prescription drug claim payment adjustments and voids made in the regular course of business including but not limited to, network pricing changes or restocking unclaimed prescription drugs, are not claims processing system programming errors for purposes of this provision.
(b) The Carrier shall provide notice to OPM as set forth in subsection (a) above within one business day after discovering the triggering event.
(c) The Carrier's notice to OPM shall explain in writing the nature of the triggering event.
(d) After giving such notice, the Carrier shall take the following steps:
   (1) Explain in writing, the steps that the Carrier has taken or will take to correct the error within five (5) business days after discovering the triggering event;
   (2) Collaborate with FSAFEDS to confirm the number of impacted Enrollees or the number of claims affected by the error;
   (3) Assist FSAFEDS when requested to develop an action plan that assists Enrollees to avoid a situation in which Enrollees would forfeit a portion of their annual salary reduction contributed toward FSAFEDS;
   (4) Draft in consultation with OPM and FSAFEDS a notice to all affected Enrollees that explains the nature of the error and how the Carrier anticipates solving the problem; and
   (5) Timely inform OPM about issues raised by Enrollees that result from recovery efforts and cooperate with OPM's efforts to resolve those issues.
PART II – BENEFITS

SECTION 2.1
ENROLLMENT ELIGIBILITY AND EVIDENCE OF ENROLLMENT (JAN 2015)

(a) Enrollment.
(1) Each eligible individual who wishes to be enrolled in the plan offered by this Carrier shall, as a prerequisite to such enrollment, complete a Health Benefits Election Form, or use an electronic or telephonic method approved by OPM, within the time and under the conditions specified in 5 CFR Part 890. The personnel office having cognizance over the Enrollee shall promptly furnish notification of such election to the Carrier.

(2) A person's eligibility for coverage, effective date of enrollment, the level of benefits (option), the effective date of termination or cancellation of a person's coverage, the date any extension of a person's coverage ceases, and any continuance of benefits beyond a period of enrollment and the date any such continuance ceases, shall all be determined in accordance with regulations or directions of OPM given pursuant to chapter 89, title 5, United States Code.

(b) Special Limitations With Regard To Employee Organizations.
(1) A plan sponsored by an employee organization as defined by the Act, is available only to eligible employees, Tribal Employees, annuitants, former spouses, and former employees and eligible members of their families who must be or must become members of the sponsoring organization to enroll in the Plan.

(2) Employees with membership status in an employee organization at the time they become annuitants may retain their membership in the organization and, if eligible, continue their enrollment in the Plan. Survivor annuitants of Enrollees in the Plan may continue their enrollment in the Plan without becoming members of the sponsoring employee organization.

(c) The Carrier shall issue evidence of the Enrollee's coverage and furnish to the Enrollee copies of any forms necessary to make claim for benefits.

SECTION 2.2
BENEFITS PROVIDED (JAN 2016)

(a) The Carrier shall provide the benefits as described in the agreed upon brochure text found in Appendix A.

(b) In addition to providing benefits in accordance with (a) above, the Carrier shall be authorized to modify them as follows:

(1) To permit methods of treatment not expressly provided for, but not prohibited by law, rule or Federal policy, if otherwise contractually appropriate, and if such treatment is medically necessary and is as cost effective as providing benefits to which the Member may otherwise be entitled.

(2) To pay for or provide a health service or supply in an individual case which does not come within the specific benefit provisions of the contract, if the Carrier determines the benefit is within the intent of the contract, and the Carrier determines that the provision of such benefit is in the best interests of the Federal Employees Health Benefits Program.

(3) To offer in individual cases, after consultation with and concurrence by the Member and provider(s), a benefit alternative not ordinarily covered under this contract which will result
in equally effective medical treatment at no greater benefit cost. An alternative benefit will be made available for a limited time period and is subject to the Carrier’s ongoing review. Members must cooperate with the Carrier’s review process.

(c) The decision to offer, deny, or withdraw coverage for a modified benefit provided in accordance with (b) above is solely within the Carrier's discretion (unless the Carrier and Member have entered into an alternative benefits agreement that expressly modifies this authority), and is not subject to OPM review under the disputed claims process.

(d) In each case when the Carrier provides a non-covered benefit in accordance with the authority of (b) above, the Carrier shall document in writing prior to the provision of such benefit the reasons and justification for its determination. The writing may be in the form of an alternative benefit agreement with the Member. Such payment or provision of services or supplies while a valid charge under the contract shall not be considered to be a precedent in the disposition of similar cases or extensions in the same case beyond the approved period.

(e) Except as provided for in (b) above, the Carrier shall provide benefits for services or supplies in accordance with Appendix A.

(f) The Carrier, subject to (g) below, shall determine whether in its judgment a service or supply is medically necessary or payable under this contract.

(g) The Carrier agrees to pay for or provide a health service or supply in an individual case if OPM finds that the Member is entitled thereto under the terms of the contract.

(h) (1) Notwithstanding (b) and (e) above, in accordance with Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, and 5 C.F.R. § 723.130(d), in the case of a Member who is a qualified individual with a handicap, the Carrier shall pay for or provide a covered health service or supply in the most integrated setting appropriate to the Member’s needs, when required by OPM following OPM consultation with the Carrier, pursuant to paragraph 2.2(g), above.

(2)(i) An OPM requirement under (h)(1) is subject to ongoing review by OPM and the Carrier. Members must cooperate with the review process. If, in the Carrier’s judgment, the conditions for the OPM requirement are no longer satisfied, the Carrier may request that OPM modify or terminate the requirement. OPM’s decision to modify or terminate a requirement shall be subject to judicial review.

(ii) The Carrier agrees that its benefits as described in the brochure found at Appendix A, are reasonably and in good faith expected to result in coverage that satisfies Mental Health Parity and Addiction Equity Act requirements as defined in 45 C.F.R. § 146.136.

(i) In accordance with Section 2706(a) of the Public Health Service Act as added by the Affordable Care Act, the Carrier shall not discriminate with respect to participation under the plan or coverage against any health care provider who is acting within the scope of that provider’s license or certification under applicable State law. This section shall not require the Carrier to contract with any health care provider willing to abide by the terms and conditions for participation established by the carrier. Nothing in this section shall be construed as preventing a Carrier from establishing varying reimbursement rates based on quality or performance measures.

SECTION 2.3
PAYMENT OF BENEFITS AND PROVISION OF SERVICES AND SUPPLIES (JAN 2016)

(a) By enrolling or accepting services under this contract, Members are obligated to all terms, conditions, and provisions of this contract. The Carrier may request Members to complete
reasonable forms or provide information which the Carrier may reasonably request, provided, however, that the Carrier shall not require Members to complete any form as a precondition of receiving benefits unless the form has first been approved for use by OPM. Notwithstanding Section 2.9, Claims Processing, forms requiring specific approval do not include claim forms and other forms necessary to receive payment of individual claims.

(b) All benefits shall be paid (with appropriate documentation of payment) within a reasonable time after receipt of reasonable proof covering the occurrence, character, and extent of the event for which the claim is made. The claimant shall furnish satisfactory evidence that all services or supplies for which expenses are claimed are covered services or supplies within the meaning of the contract.

(c) The procedures and time period for filing claims shall be as specified in the agreed upon brochure text (Appendix A). However, failure to file a claim within the time required shall not in itself invalidate or reduce any claim where timely filing was prevented by administrative operations of Government or legal incapacitation, provided the claim was submitted as soon as reasonably possible.

(d) The Carrier may request a Member to submit to one or more medical examinations to determine whether benefits applied for are for services and supplies necessary for the diagnosis or treatment of an illness or injury or covered condition of the Member and may withhold payment of such benefits pending completion of the examinations. The examinations shall be made at the expense of the Carrier by a physician selected by the Member from a panel of at least three physicians whose names are furnished by the Carrier, and the results of the examinations shall be made available to the Carrier and the Member.

(e) As a condition precedent to the provision of benefits hereunder, the Carrier, to the extent reasonable and necessary and consistent with Federal law, shall be entitled to obtain from any person, Tribal Employer, organization or agency, including the Office of Personnel Management, all information and records relating to visits or examination of, or treatment rendered or supplies furnished to, a Member as the Carrier requires in the administration of such benefits. The Carrier may obtain from any insurance company or other organization or person any information, with respect to any Member, which it has determined is reasonably necessary to:

(1) identify enrollment in a plan,
(2) verify eligibility for payment of a claim for health benefits, and
(3) carry out the provisions of the contract, such as subrogation, recovery of payments made in error, workers’ compensation, and coordination of benefits.

(f) Benefits are payable to the Enrollee in the Plan or his or her assignees. However, under the following circumstances different payment arrangements are allowed:

(1) Reimbursement Payments for the Enrollee. If benefits become payable to the estate of an Enrollee or an Enrollee is a minor, or an Enrollee is physically or mentally not competent to give a valid release, the Carrier may either pay such benefits directly to a hospital or other provider of services or pay such benefits to any relative by blood or connection by marriage of the Enrollee determined by the Carrier to be equitably entitled thereto.

(2) Reimbursement Payments for a minor child. If a child is covered as a family member under the Enrollee's Self Plus One or Self and Family enrollment and is in the custody of a person other than the Enrollee, and if that other person certifies to the Carrier that he or she has custody of and financial responsibility for the child, then the Carrier may issue an identification card for the child(ren) to that person and may reimburse that person for any covered medical service or supply.

(FFS-2018)
(3) Reimbursement Payments to family members covered under the Enrollee's Self Plus One or Self and Family enrollment. If a covered child is legally responsible, or if a covered spouse is legally separated, and if the covered person does not reside with the Enrollee and certifies such conditions to the Carrier, then the Carrier may issue an identification card to the person and may reimburse that person for any covered medical service or supply. In the case of a legally separated spouse, the Carrier may also furnish the explanation of benefits to the spouse when determined by the Carrier to be required.

(4) Reimbursement payments to Government programs, such as Medicaid. If Federal law provides that reimbursement is payable to a Government program under coordination of benefits or similar rules, in lieu of being payable to the Enrollee or other covered person, the Carrier may reimburse the other Government program for any covered medical service or supply. To the degree that the Carrier is able to identify Medicaid beneficiaries, the Carrier will process claims directly to the provider of service or reimburse the Medicaid agency if the Medicaid agency has already paid the provider and is seeking reimbursement. When this situation is identified, the Carrier will update the member's records to ensure proper adjudication of claims.

(5) Compliance with the HIPAA Privacy Rule. The Carrier may pay benefits to a covered person other than the Enrollee when in the exercise of its discretion the Carrier decides that such action is necessary to comply with the HIPAA Privacy Rule, 45 C.F.R. §164.500 et seq.

(6) Any payments made in good faith in accordance with paragraphs (f)(1) through (f)(5) shall fully discharge the Carrier to the extent of such payment.

(g) Erroneous Payments. It is the Carrier’s responsibility to proactively identify overpayments through comprehensive, statistically valid reviews and a robust internal control program. If the Carrier determines that a Member's claim has been paid in error for any reason (except in the case of fraud or abuse), the Carrier shall make a prompt and diligent effort to recover the erroneous payment to the member from the member or, if to the provider, from the provider. The recovery of any overpayment must be treated as an erroneous benefit payment, overpayment, or duplicate payment under 48 C.F.R. §1631.201-70(h) regardless of any time period limitations in the written agreement with the provider. The Carrier shall follow general business practices and procedures in collecting debts owed under the Federal Employees Health Benefits Program. Prompt and diligent effort to recover erroneous payments means that upon discovering that an erroneous payment exists, the Carrier shall--

(1) Send a written notice of erroneous payment to the member or provider that provides: (A) an explanation of when and how the erroneous payment occurred, (B) when applicable, cite the appropriate contractual benefit provision, (C) the exact identifying information (i.e., dollar amount paid erroneously, date paid, check number, date of service and provider name), (D) a request for payment of the debt in full, and (E) an explanation of what may occur should the debt not be paid, including possible offset to future benefits. The notice may also offer an installment option. In addition, the Carrier shall provide the debtor with an opportunity to dispute the existence and amount of the debt before proceeding with collection activities;

(2) After confirming that the debt does exist and in the appropriate amount, send follow-up notices to the member or the provider at 30, 60 and 90 day intervals, if the debt remains unpaid and undisputed;

(3)(i) The Carrier may off-set future Benefits payable to the Member or to a provider on behalf of the Member to satisfy a debt due under the FEHBP if the debt remains unpaid and undisputed for 120 days after the first notice.

(ii) Notwithstanding section 2.3(g)(3)(i), a Carrier may set up benefit off-sets to a
provider less than 120 days after the first notice as long as the Carrier electing this option continues to comply with any remaining applicable steps enumerated in this subsection 2.3(g) as part of the Carrier’s effort to recover erroneous benefit payments.

(4) After applying the first three steps, refer cases when it is cost effective to do so to a collection attorney or a collection agency if the debt is not recovered; provided, however, that the Carrier may not commence an overpayment recovery lawsuit later than December 31 of the third year after the year in which the overpayment was discovered by the Carrier (except in cases where the False Claims Act, 31 U.S.C § 3729, or another federal limitations period applies);

(5) Make prompt and diligent effort to recover erroneous payments until the debt is paid in full or determined to be uncollectible by the Carrier because it is no longer cost effective to pursue further collection efforts or it would be against equity and good conscience to continue collection efforts;

(6) Additional prompt and diligent effort is required for significant claim overpayments that exceed $10,000 per each claim. Examples of such efforts include copies of dated notices, offset attempt(s) made, certified letter communication(s), and third party collection efforts to the extent required under (g)(4) above. The Carrier should maintain and provide to OPM upon request, documentation of those efforts.

(7) Suspend recovery efforts for a debt which is based upon a retroactive disenrollment that has been appealed under 5 C.F.R. § 890.104 or a claim that has been appealed as a disputed claim under Section 2.8, until the appeal has been resolved;

(8)(i) The Carrier may charge the contract for benefit payments made erroneously but in good faith provided that it can document that it made a prompt and diligent effort to recover erroneous payments as described above.

(ii) Notwithstanding (g)(8)(i), the Carrier may not charge the contract for the administrative costs to correct erroneous benefit payments (or to correct processes or procedures that caused erroneous benefit payments) when the errors are egregious or repeated. These costs are deemed to be unreasonable and unallowable under section 3.2(b)(2)(ii);

(9) Maintain records that document individual unrecovered erroneous payment collection activities for audit or future reference.

(10) If OPM determines that a Member's claim has been paid in error for any reason (except fraud and abuse), the Carrier shall make a prompt and diligent effort to recover the erroneous payment to the Member, from the Member or, if to the provider, from the provider as specified in (g)(1) through (9).

(11) At the request of OPM, the Carrier shall provide evidence that it has taken the steps enumerated above in this subsection to promptly recover erroneous payments, including but not limited to overpayments related to Medicare coordination of benefits. OPM will review the Carrier’s claims payments and procedures to validate the Carrier’s prompt and diligent effort. The Contracting Officer may require the Carrier to establish and submit to the Contracting Officer a written corrective action plan.

(12) In compliance with the provisions of the Contract Disputes Act, the Carrier shall return to the Program an amount equal to the uncollected erroneous payment where the Contracting Officer determines that (a) the Carrier’s failure to appropriately apply its operating procedure caused the erroneous payment and (b) that the Carrier failed to make a prompt and diligent effort to recover an erroneous payment.

(h) Erroneous payment recoveries may be reduced by any legal or collection agency fees expended to obtain the recoveries and which are not otherwise payable under this experience-rated
contract. The amount credited to the contract shall be the net amount remaining after deducting the related legal or collection agency fees.

(i) All health benefit refunds and recoveries, including erroneous payment recoveries, must be deposited into the working capital or investment account within 30 days and returned to or accounted for in the FEHBP letter of credit account within 60 days after receipt by the Carrier.

(j) Notwithstanding subsection (f), the Carrier reserves the right to pay the Member directly for all covered services described in the agreed upon brochure text attached as Appendix A.

SECTION 2.4
TERMINATION OF COVERAGE AND CONVERSION PRIVILEGES (JAN 2017)

(a) A Member's coverage is terminated as specified in regulations issued by the OPM. Benefits after termination of coverage are as specified in the regulations.

(b) A Member is entitled to a temporary continuation of coverage under the conditions and to the extent specified in the regulations or an extension of coverage under the conditions and to the extent specified below.

(c) A Member whose coverage hereunder has terminated is entitled, upon application within the times and under the conditions specified in regulations, to obtain assistance from the Carrier for enrollment in a guaranteed issue non-group contract available in the Carrier’s service area. In the event this 31-day temporary extension period provides insufficient opportunity for the Member to obtain non-group coverage with an effective date commencing before or immediately upon termination of group coverage, the Carrier may, on a case-by-case basis, provide an additional 29 days extension of coverage (not to exceed a total of 60 days) as appropriate to avoid an interruption in coverage. The Member must explain in writing the circumstances for seeking additional extension, and the Carrier must notify the Contracting Officer of any extension granted, or obtain prior approval of any request for an extension that the Carrier intends to deny.

(d) Costs associated with the additional extension of coverage not to exceed 60 days are allowable costs under the contract. Costs associated with writing or providing benefits under conversion contracts shall not be an allowable cost of this contract.

SECTION 2.5
SUBROGATION AND REIMBURSEMENT (JAN 2016)

(a) The Carrier must condition the extension of benefits and benefit payments to covered individuals on its rights to subrogation and reimbursement under 5 CFR 890.106.

(b) The Carrier shall subrogate and pursue reimbursement of FEHB claims if doing so would be in the best interests of the FEHBP.

(c) The Carrier may recover directly from any party that may be liable, or from the covered individual, or from any applicable insurance policy, or a workers’ compensation program or insurance policy, all amounts available to or received by or on behalf of the covered individual by judgment, settlement, or other recovery, to the extent of the amount of benefits that have been paid or provided by the Carrier. The Carrier has the right to file suit in federal court in order to enforce its rights to subrogation and reimbursement.

(d) The Carrier's subrogation and reimbursement policies-for payments with respect to benefits shall be explained in the plan brochure.
(e) Subrogation recoveries and reimbursements may be reduced by any legal or
subrogation and reimbursement vendor fees expended to obtain the recoveries and which are not
otherwise payable under this experience-rated contract. The amount credited to the contract shall
be the net amount remaining after deducting the related legal or subrogation and reimbursement
vendor fees.

SECTION 2.6
COORDINATION OF BENEFITS (JAN 2001) (FEHBAR 1652.204-71)

(a) The Carrier shall coordinate the payment of benefits under this contract with the
payment of benefits under Medicare, other group health benefits coverages, and the payment of
medical and hospital costs under no-fault or other automobile insurance that pays benefits
without regard to fault.
(b) The Carrier shall not pay benefits under this contract until it has determined whether
it is the primary Carrier or unless permitted to do so by the Contracting Officer.
(c) In coordinating benefits between plans, the Carrier shall follow the order of
precedence established by the NAIC Group Coordination of Benefits Model Regulation, Rules
for Coordination of Benefits, as specified by OPM.
(d) Where (1) the Carrier makes payments under this contract which are subject to COB
provisions; (2) the payments are erroneous, not in accordance with the terms of the contract, or in
excess of the limitations applicable under this contract; and (3) the Carrier is unable to recover
such COB overpayments from the Member or the providers of services or supplies, the
Contracting Officer may allow such amounts to be charged to the contract; the Carrier must be
prepared to demonstrate that it has made a diligent effort to recover such COB overpayments.
(e) COB savings shall be reported by experience-rated Carriers each year along with the
Carrier's annual accounting statement in a form specified by OPM.
(f) Changes in the order of precedence established by the NAIC Group Coordination of
Benefits Model Regulation, Rules for Coordination of Benefits, implemented after January 1 of
any given year shall be required no earlier than the beginning of the following contract term.
[NOTE: In the event that benefits are payable to the Member under no-fault automobile
insurance, the no-fault automobile insurer shall be the Primary Carrier if it is obligated
legally to pay benefits for health care expenses without regard to other health benefits
coverage that the Member may have. The term "no-fault automobile insurance" includes
any automobile insurance policy under which the insurer pays benefits for health care
expenses resulting from the accident without regard to whether the insured's conduct
contributed to the accident.]

SECTION 2.7
DEBARMENT AND OTHER SANCTIONS (JAN 1999)

(a) Notwithstanding 5 U.S.C. 8902(j) or any other provision of the law and regulations,
if, under 5 U.S.C. 8902a, 5 CFR 970, or Public Law 103-123 (or other applicable appropriations
law), a provider is barred from participating in the Program under 5 U.S.C. or the provider's
services under 5 U.S.C. are excluded, the Carrier agrees that no payment shall be made by the
Carrier pursuant to any contract under 5 U.S.C. (either to such provider or by reimbursement) for
any service or supply furnished by such provider during the period of the debarment, except as
provided in 5 CFR 970.200(b).

(FFS-2018)
(b) The OPM shall notify the Carrier when a provider is barred from the FEHBP.

SECTION 2.8
FILING HEALTH BENEFIT CLAIMS/COURT REVIEW OF DISPUTED CLAIMS (MAR 1995) (FEHBAR 1652.204-72)

(a) General. (1) The Carrier resolves claims filed under the Plan. All health benefit claims must be submitted initially to the Carrier. If the Carrier denies a claim (or a portion of a claim), the covered individual may ask the Carrier to reconsider its denial. If the Carrier affirms its denial or fails to respond as required by paragraph (b) of this clause, the covered individual may ask OPM to review the claim. A covered individual must exhaust both the Carrier and OPM review processes specified in this clause before seeking judicial review of the denied claim.

(2) This clause applies to covered individuals and to other individuals or entities who are acting on the behalf of a covered individual and who have the covered individual's specific written consent to pursue payment of the disputed claim.

(b) Time limits for reconsidering a claim. (1) The covered individual has 6 months from the date of the notice to the covered individual that a claim (or a portion of a claim) was denied by the Carrier in which to submit a written request for reconsideration to the Carrier. The time limit for requesting reconsideration may be extended when the covered individual shows that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(2) The Carrier has 30 days after the date of receipt of a timely-filed request for reconsideration to:

(i) Affirm the denial in writing to the covered individual;

(ii) Pay the bill or provide the service; or

(iii) Request from the covered individual or provider additional information needed to make a decision on the claim. The Carrier must simultaneously notify the covered individual of the information requested if it requests additional information from a provider. The Carrier has 30 days after the date the information is received to affirm the denial in writing to the covered individual or pay the bill or provide the service. The Carrier must make its decision based on the evidence it has if the covered individual or provider does not respond within 60 days after the date of the Carrier's notice requesting additional information. The Carrier must then send written notice to the covered individual of its decision on the claim. The covered individual may request OPM review as provided in paragraph (b)(3) of this clause if the Carrier fails to act within the time limit set forth in this paragraph.

(3) The covered individual may write to OPM and request that OPM review the Carrier's decision if the Carrier either affirms its denial of a claim or fails to respond to a covered individual's written request for reconsideration within the time limit set forth in paragraph (b)(2) of this clause. The covered individual must submit the request for OPM review within the time limit specified in paragraph (e)(1) of this clause.

(4) The Carrier may extend the time limit for a covered individual's submission of additional information to the Carrier when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the additional information.

(c) Information required to process requests for reconsideration. (1) The covered individual must put the request to the Carrier to reconsider a claim in writing and give the
reasons, in terms of applicable brochure provisions, that the denied claim should have been approved.

(2) If the Carrier needs additional information from the covered individual to make a decision, it must:
   (i) Specifically identify the information needed;
   (ii) State the reason the information is required to make a decision on the claim;
   (iii) Specify the time limit (60 days after the date of the Carrier's request) for submitting the information; and
   (iv) State the consequences of failure to respond within the time limit specified, as set out in paragraph (b)(2) of this section.

(d) Carrier determinations. The Carrier must provide written notice to the covered individual of its determination. If the Carrier affirms the initial denial, the notice must inform the covered individual of:
   (1) The specific and detailed reasons for the denial;
   (2) The covered individual's right to request a review by OPM; and
   (3) The requirement that requests for OPM review must be received within 90 days after the date of the Carrier's denial notice and include a copy of the denial notice as well as documents to support the covered individual's position.

(e) OPM review. (1) If the covered individual seeks further review of the denied claim, the covered individual must make a request to OPM to review the Carrier's decision. Such a request to OPM must be made:
   (i) Within 90 days after the date of the Carrier's notice to the covered individual that the denial was affirmed; or
   (ii) If the Carrier fails to respond to the covered individual as provided in paragraph (b)(2) of this clause, within 120 days after the date of the covered individual's timely request for reconsideration by the Carrier; or
   (iii) Within 120 days after the date the Carrier requests additional information from the covered individual, or the date the covered individual is notified that the Carrier is requesting additional information from a provider. OPM may extend the time limit for a covered individual's request for OPM review when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the request for OPM review within the time limit.

   (2) In reviewing a claim denied by the Carrier, OPM may
   (i) Request that the covered individual submit additional information;
   (ii) Obtain an advisory opinion from an independent physician;
   (iii) Obtain any other information as may in its judgment be required to make a determination; or
   (iv) Make its decision based solely on the information the covered individual provided with his or her request for review.

   (3) When OPM requests information from the Carrier, the Carrier must release the information within 30 days after the date of OPM's written request unless a different time limit is specified by OPM in its request.

   (4) Within 90 days after receipt of the request for review, OPM will either:
   (i) Give a written notice of its decision to the covered individual and the Carrier; or
   (ii) Notify the individual of the status of the review. If OPM does not receive requested evidence within 15 days after expiration of the applicable time limit in paragraph (e)(3) of this
clause, OPM may make its decision based solely on information available to it at that time and give a written notice of its decision to the covered individual and to the Carrier.

(f) OPM, upon its own motion, may reopen its review if it receives evidence that was unavailable at the time of its original decision.

(g) Court review. (1) A suit to compel enrollment under § 890.102 of Title 5, Code of Federal Regulations, must be brought against the employing office that made the enrollment decision.

(2) A suit to review the legality of OPM's regulations under this part must be brought against the Office of Personnel Management.

(3) Federal Employees Health Benefits (FEHB) Carriers resolve FEHB claims under authority of Federal statute (chapter 89, title 5, United States Code). A covered individual may seek judicial review of OPM's final action on the denial of a health benefits claim. A legal action to review final action by OPM involving such denial of health benefits must be brought against OPM and not against the Carrier or the Carrier's subcontractors. The recovery in such a suit shall be limited to a court order directing OPM to require the Carrier to pay the amount of benefits in dispute.

(4) An action under paragraph (3) of this clause to recover on a claim for health benefits:
   (i) May not be brought prior to exhaustion of the administrative remedies provided in paragraphs (a) through (f) of this clause;
   (ii) May not be brought later than December 31 of the 3rd year after the year in which the care or service was provided; and
   (iii) Will be limited to the record that was before OPM when it rendered its decision affirming the Carrier's denial of benefits.

SECTION 2.9
CLAIMS PROCESSING (JAN 2011)

A standardized claims filing process shall be used by all FEHB Carriers. The Carrier shall apply procedures for using the standard claims process. At a minimum the Carrier's program must achieve the following objectives:

(1) The majority of provider claims should be submitted electronically;
(2) All providers shall be notified that future claims must be submitted electronically, or on the Centers for Medicare and Medicaid Services 1500 form or the UB-04 form;
(3) The Carrier shall not use any unique provider claim form(s) for such FEHB member claims;
(4) The Carrier should reject all such claims submitted on forms other than the CMS 1500 form or the UB-04 form and shall explain the reason on the Explanation of Benefits form; and
(5) The Carrier shall advise OPM of its progress in implementing this policy as directed by the Contracting Officer.

SECTION 2.10
CALCULATION OF COST SHARING PROVISIONS (JAN 1996)

When the Member is required to pay a specified percentage of the cost of covered services, the Member's obligation for covered services shall be based on the amount the provider has agreed to accept as full payment, including future discounts that are known and that can be accurately calculated at the time the claim is processed. This includes for example, prompt pay discounts as
well as other discounts granted for various business reasons. Any discount not determined at the time of the actual adjudication shall be placed in the Special Reserve upon its determination.

SECTION 2.11
BENEFITS PAYMENTS WHEN MEDICARE IS PRIMARY (JAN 2015)

When a Member who is covered by Medicare Part A, Part B, or Parts A and B on a fee-for-service basis (a) receives services that generally are eligible for coverage by Medicare (regardless of whether or not benefits are paid by Medicare) and are covered by the Carrier, and (b) Medicare is the primary payer and the Carrier is the secondary payer for the Member under the order of benefit determination rules stated in Appendix A and Appendix D of this contract, then the Carrier shall limit its payment to an amount that supplements the benefits payable by Medicare (regardless of whether or not Medicare benefits are paid). When emergency services have been provided by a Medicare nonparticipating institutional provider and the provider is not reimbursed by Medicare, the Carrier shall pay its primary benefits. Payments that supplement Medicare include amounts necessary to reimburse the Member for Medicare deductibles, coinsurance, copayments, and the balance between the Medicare approved amount and the Medicare limiting charge made by non-participating providers.

Carriers may use the Department of Veterans Affairs (VA) Medicare-equivalent remittance advice (MRA) when the form is submitted to determine the Plan’s benefits payment for covered services provided to members who have Medicare as their primary payer, when Medicare does not pay the VA facility.

SECTION 2.12
CONTINUING REQUIREMENTS AFTER TERMINATION OF THE CARRIER (JAN 2004)

(a) The Carrier shall fulfill all of the requirements agreed to under the contract that continue after termination. The order of precedence for the applicable laws, regulations, and the contract are listed in Section 1.3.

(b) Contract requirements extend beyond the date of the Carrier’s termination until the effective date of the new enrollment including processing and paying claims incurred prior to the effective date of the new enrollment.

(c) When the prior Carrier is discontinued in whole or in part, the gaining Carrier assumes full coverage on the effective date of the new enrollment.

SECTION 2.13
LARGE PROVIDER AGREEMENTS (OCT 2005) (FEHBAR 1652.204-74)

(a) Notification and Information Requirements. (1) The experience-rated Carrier must provide notice to the Contracting Officer of its intent to enter into or to make a significant modification of a Large Provider Agreement:

(i) Not less than 60 days before entering into any Large Provider Agreement; and

(ii) Not less than 60 days before exercising a renewal or other option, or significant modification to a Large Provider Agreement, when such action would result in total costs to the FEHB Program of an additional 20 percent or more above the existing contract. However, if a
Carrier is exercising a simple renewal or other option contemplated by a Large Provider Agreement that OPM previously reviewed, and there are no significant changes, then a statement to the effect that the renewal or other option is being exercised along with the dollar amount is sufficient notice.

(2) The Carrier's notification to the Contracting Officer must be in writing and must, at a minimum:
   (i) Describe the supplies and/or services the proposed provider agreement will require;
   (ii) Identify the proposed basis for reimbursement;
   (iii) Identify the proposed provider agreement, explain why the Carrier selected the proposed provider, and what contracting method it used, where applicable, including the kind of competition obtained;
   (iv) Describe the methodology the Carrier used to compute the provider's profit; and,
   (v) Describe provider risk provisions.
(3) The Contracting Officer may request from the Carrier any additional information on a proposed provider agreement and its terms and conditions prior to a provider award and during the performance of the agreement. The Carrier may mark any information it deems confidential commercial information, and OPM will handle information so designated in accordance with relevant procedures set forth at 5 CFR Part 294.
(4) Within 30 days of receiving the Carrier's notification, the Contracting Officer will give the Carrier either written comments or written notice that there will be no comments. If the Contracting Officer comments, the Carrier must respond in writing within 10 calendar days, and explain how it intends to address any concerns.
(5) When computing the Carrier’s service charge, the Contracting Officer will consider how well the Carrier complies with the provisions of this section, including the advance notification requirements, as an aspect of the Carrier's performance factor.
(6) The Contracting Officer's review of any Large Provider Agreement, option, renewal, or modification will not constitute a determination of the acceptability of the terms and conditions of any provider agreement or of the allowability of any costs under the Carrier's contract, nor will it relieve the Carrier of any responsibility for performing the contract.
   (b) Records and Inspection. The Carrier must insert in all Large Provider Agreements the requirement that the provider will retain and make available to the Government all records relating to the agreement that support the annual statement of operations and Enrollee records--Retain for 6 years after the agreement term ends.
   (c) Audit and Records - Negotiation. The provisions of FAR 52.215-2, "Audit and Records--Negotiation," when required, or FEHBAR 1652.246-70, “FEHB Inspection” apply to all experience-rated Carriers' Large Provider Agreements. The Carrier will insert the clauses at FAR 52.215-2, when applicable, or FEHBAR 1652.246-70 in all Large Provider Agreements. In FAR 52.215-2 the Carrier will substitute
   (1) The term "Large Provider" for the term "Contractor" throughout the clause, and
   (2) The term "Large Provider Agreement" for the term "Subcontracts" in paragraph (g) of FAR 52.215-2. The term "Contracting Officer" will mean the FEHB Program Contracting Officer at OPM. The Carrier will be responsible for ensuring the Large Provider complies with the provisions set forth in the clause.
   (d) Prohibited Agreements. No provider agreement made under this contract will provide for payment on a cost-plus-a-percentage-of-cost basis.
   (e) The Carrier will insert this clause, 1652.204-74, in all Large Provider Agreements.
COORDINATION OF PRESCRIPTION DRUG BENEFITS WITH MEDICARE (JAN 2015)

(a) The Carrier shall comply with the Center for Medicare and Medicaid Services’ (CMS) Part D Coordination of Benefits Guidance when the mechanisms and systems indicated in this guidance are in place and functioning properly. This guidance provides the requirements and procedures for coordination of benefits between Part D plans and other providers of prescription drug coverage.

(b) For Medicare Part B covered prescription drugs, the Carrier will coordinate benefits with Medicare except when such prescription drugs are purchased from retail or mail order pharmacies. The Carrier may pay its benefits on retail pharmacy or mail order drugs eligible for Medicare Part B coverage or may coordinate benefits subject to Contracting Officer approval.
PART III - PAYMENTS, CHARGES AND ACCOUNTING

SECTION 3.1

(a) OPM will pay to the Carrier, in full settlement of its obligations under this contract, subject to adjustment for error or fraud, the subscription charges received for the Plan by the Employees Health Benefits Fund (hereinafter called the Fund) less the amounts set aside by OPM for the Contingency Reserve and for the administrative expenses of OPM and amounts for obligations due pursuant to paragraph (b) of this clause, plus any payments made by OPM from the Contingency Reserve.

(b) OPM will notify the Carrier of amounts due for outstanding obligations under the contract. Not later than 60 days after the date of written notice from OPM, the Carrier shall reimburse OPM. If payment is not received within the prescribed time frame, OPM shall withhold the amount due from the subscription charges owed the Carrier under paragraph (a) of this clause.

(c) The specific subscription rates, charges, allowances and limitations applicable to the contract are set forth in Appendix B.

(d) Recurring payments from premiums shall be made available for Carrier drawdown not later than thirty days after receipt by the Fund. The Contracting Officer may authorize special non-recurring payments from the Contingency Reserve in accordance with OPM's regulations.

(e) In the event this contract between the Carrier and OPM is terminated or not renewed in accordance with General Provision 1.15, Renewal and Withdrawal of Approval, the Contingency Reserve of the Carrier held by OPM shall be available to the Carrier to pay the necessary and proper charges against this contract to the extent that the Carrier reserves are insufficient for that purpose.

SECTION 3.2
ACCOUNTING AND ALLOWABLE COST (JAN 2003) (FEHBAR 1652.216-71)

(a) Annual Accounting Statements.

(1) The Carrier shall furnish to OPM an accounting of its operations under the contract. In preparing the accounting, the Carrier shall follow the reporting requirements and statement formats prescribed by OPM in the OPM Annual and Fiscal Year Financial Reporting Instructions.

(2) The Carrier shall have its Annual Accounting Statements and that of its underwriter, if any, audited in accordance with the FEHBP Experienced-Rated Carrier and Service Organization Audit Guide (Guide). The Carrier shall submit the audit report and the Annual Accounting Statements to OPM in accordance with the requirements of the Guide.

(3) Based on the results of either the independent audit prescribed by the Guide or a Government audit, OPM may require the Carrier to adjust its annual accounting statements (i) by amounts found not to constitute actual, allowable, allocable and reasonable costs; or (ii) to reflect prior overpayments or underpayments.

(4) The Carrier shall develop corrective action plans to resolve audit findings identified in audits that were performed in accordance with the Guide. The corrective action plans will be prepared in accordance with and as defined by the Guide.

(b) Definition of costs. (1) The Carrier may charge a cost to the contract for a contract term if the cost is actual, allowable, allocable, and reasonable. In addition, the Carrier must:
(i) on request, document and make available accounting support for the cost to justify that the cost is actual, reasonable and necessary; and

(ii) determine the cost in accordance with: (A) the terms of this contract, and (B) Subpart 31.2 of the Federal Acquisition Regulation (FAR) and Subpart 1631.2 of the Federal Employees Health Benefits Program Acquisition Regulation (FEHBAR) applicable on the first day of the contract period.

(2) In the absence of specific contract terms to the contrary, the Carrier shall classify contract costs in accordance with the following criteria:

(i) Benefits. Benefit costs consist of payments made and liabilities incurred for covered health care services on behalf of FEHBP subscribers less any refunds, rebates, allowances or other credits received.

(ii) Administrative expenses. Administrative expenses consist of all actual, allowable, allocable and reasonable expenses incurred in the adjudication of subscriber benefit claims or incurred in the Carrier's overall operation of the business. Unless otherwise stated in the contract, administrative expenses include, in part: all taxes (excluding premium taxes, as provided in section 1631.205-41), insurance and reinsurance premiums, medical and dental consultants used in the adjudication process, concurrent or managed care review when not billed by a health care provider and other forms of utilization review, the cost of maintaining eligibility files, legal expenses incurred in the litigation of benefit payments and bank charges for letters of credit. Administrative expenses exclude the cost of Carrier personnel, equipment, and facilities directly used in the delivery of health care services, which are benefit costs, and the expense of managing the FEHBP investment program which is a reduction of investment income earned.

(iii) Investment income. While compliance with the checks presented letter of credit methodology will minimize funds on hand, the Carrier shall invest and reinvest all funds on hand, including any in the Special Reserve or any attributable to the reserve for incurred but unpaid claims, which are in excess of the funds needed to discharge promptly the obligations incurred under the contract. Investment income represents the net amount earned by the Carrier after deducting investment expenses. Investment expenses are those actual, allowable, allocable, and reasonable contract costs that are attributable to the investment of funds, such as consultant or management fees.

(iv) Other charges.

(A) Mandatory statutory reserve. Charges for mandatory statutory reserves are not allowable unless specifically provided for in the contract. When the term "mandatory statutory reserve" is specifically identified as an allowable contract charge without further definition or explanation, it means a requirement imposed by State law upon the Carrier to set aside a specific amount or rate of funds into a restricted reserve that is accounted for separately from all other reserves and surpluses of the Carrier and which may be used only with the specific approval of the State official designated by law to make such approvals. The amount chargeable to the contract may not exceed an allocable portion of the amount actually set aside. If the statutory reserve is no longer required for the purpose for which it was created, and these funds become available for the general use of the Carrier, the Carrier shall return to the FEHBP a pro rata share based upon FEHBP's contribution to the total Carrier's set aside shall be returned to the FEHBP in accordance with FAR 31.201-5.

(B) Premium taxes. (1) When the term “premium taxes” is used in this contract without further definition or explanation, it means a tax, fee, or other monetary payment directly or indirectly imposed on FEHB premiums by any State, the District of Columbia, or the Commonwealth of Puerto Rico or by any political subdivision or other governmental authority of
those entities, with the sole exception of a tax on net income or profit, if that tax, fee, or payment is applicable to a broad range of business activity.

(2) For purposes of this paragraph (B), OPM has determined that the term “State” as used in 5 U.S.C. 8909(f) includes, but is not limited to, a territory or possession of the United States.

(c) Certification of Accounting Statement Accuracy. (1) The Carrier shall certify the annual and fiscal year accounting statements in the form set forth in paragraph (c)(3) of this clause. The Carrier’s chief executive officer and the chief financial officer shall sign the certificate.

(2) The Carrier shall require an authorized agent of its underwriter, if any, also to certify the annual accounting statement.

(3) The certificate required shall be in the following form:

CERTIFICATION OF ACCOUNTING STATEMENT ACCURACY

This is to certify that I have reviewed this accounting statement and to the best of my knowledge and belief:

1. The statement was prepared in conformity with the guidelines issued by the Office of Personnel Management and fairly presents the financial results of this reporting period in conformity with those guidelines.

2. The costs included in the statement are actual, allowable, allocable, and reasonable in accordance with the terms of the contract and with the cost principles of the Federal Employees Health Benefits Acquisition Regulation and the Federal Acquisition Regulation;

3. Income, rebates, allowances, refunds and other credits made or owed in accordance with the terms of the contract and applicable cost principles have been included in the statement;

4. If applicable, the letter of credit account was managed in accordance with 5 CFR part 890, 48 CFR chapter 16, and OPM guidelines.

SECTION 3.3
SPECIAL RESERVE (JAN 2003)

(a) This contract is experience rated. The Special Reserve represents the cumulative difference between income to the plan (subscription income plus interest on investments [item (b)(2)(iii) in Section 3.2, Accounting and Allowable Cost, which also includes income gain or loss]) and plan expenses (benefit costs plus allowable administrative expenses and retentions). The Special Reserve held by or on behalf of the Carrier is to be used only for payment of charges against this contract.

(b) If this contract is terminated or not renewed and there is a positive balance remaining in the Special Reserve after all allowable costs chargeable to the contract in accordance with Section 3.2 plus an agreed-upon amount of administrative expenses for contract liquidation have been paid, the balance of any funds held by the Carrier, including current income on its investment, shall be paid to OPM for credit to the Carrier's Contingency Reserve maintained by OPM when the Carrier submits its annual accounting statement for the final contract year.

(c) The Carrier shall incorporate this clause in all agreements with underwriters of the Carrier's FEHB Plan.

SECTION 3.4
INVESTMENT INCOME (JAN 1998) (FEHBAR 1652.215-71)

(a) The Carrier shall invest and reinvest all FEHB funds on hand that are in excess of the funds needed to promptly discharge the obligations incurred under this contract. The Carrier shall seek to maximize investment income with prudent consideration to the safety and liquidity of investments.

(b) All investment income earned on FEHB funds shall be credited to the Special Reserve on behalf of the FEHBP.

(c) When the Contracting Officer concludes that the Carrier failed to comply with paragraphs (a) or (b) of this clause, the Carrier shall credit the Special Reserve with investment income that would have been earned, at the rate(s) specified in paragraph (f) of this clause, had it not been for the Carrier's noncompliance. "Failed to comply with paragraphs (a) or (b)" means: (1) making any charges against the contract which are not allowable, allocable, or reasonable; or (2) failing to credit any income due the contract and/or failing to place excess funds, including subscription income and payments from OPM not needed to discharge promptly the obligations incurred under the contract, refunds, credits, payments, deposits, investment income earned, uncashed checks, or other amounts owed the Special Reserve, in income producing investments and accounts.

(d) Investment income lost as a result of unallowable, unallocable, or unreasonable charges against the contract shall be paid from the first day of the contract term following the contract term in which the unallowable charge was made and shall end on the earlier of: (1) the date the amounts are returned to the Special Reserve (or the Office of Personnel Management); (2) the date specified by the Contracting Officer; or (3) the date of the Contracting Officer's Final Decision.

(e) Investment income lost as a result of failure to credit income due the contract or failure to place excess funds in income producing investments and accounts shall be paid from the date the funds should have been invested or appropriate income was not credited and shall end on the earlier of: (1) the date the amounts are returned to the Special Reserve (or the Office of

(g) The Carrier shall incorporate this clause into agreements with underwriters of the Carrier's FEHB plan and shall substitute "underwriter" or other appropriate reference for the term "Carrier".

Accounting for such FEHBP funds shall not be based on allocations or other sharing mechanisms and shall agree with the Carrier's accounting records.

(b) In certain instances the physical separation of FEHBP funds may not be practical or desirable. In such cases, the Carrier may request a waiver from this requirement from the Contracting Officer. The waiver shall be requested in advance and the Carrier shall demonstrate that accounting techniques have been established that will clearly measure FEHBP cash and investment income (i.e., subsidiary ledgers). Reconciliations between amounts reported and actual amounts shown in accounting records shall be provided as supporting schedules to the Annual Accounting Statements.

(c) The Carrier shall incorporate this clause in all subcontracts that exceed $25,000 and shall substitute "contractor" or other appropriate reference for "Carrier and/or its underwriter".

SECTION 3.6

The term "Check" shall include any written instrument issued to pay or reimburse the payment of benefits, or any services, supplies or subcontracts hereunder.

(b) One-twelfth of the service charge for the contract term accrues on the last day of each month during the contract term. The Carrier shall withdraw the service charge from the Special Reserve when it accrues.
(c) If this contract is renewed by operation of section 1.15(a), the amount of the service charge accrued under (b) shall be "one-twenty-fourth" rather than "one-twelfth." The remainder of the service charge not otherwise accrued during the contract term shall accrue on the last day of the contract term.

SECTION 3.15

This must be done within the timeframe specified in the OIG Draft Report transmittal letter. The Carriers shall promptly begin reconciling findings and not wait until the receipt of the Final Report to address disagreement with any findings previously communicated in the Draft Report.

OPM expects to fully resolve audits within 180 days of issuance of the final report. To enable this, Carriers must expeditiously tender all documentation necessary for resolution of the audit not later than 120 days from the date of the final audit report. This includes overpayment recoveries via check or certification, full documentation of the Carrier’s position for findings being contested, evidence supporting due diligence assertions, and support for all other pertinent issues which OPM must consider, as appropriate. (b) Claim payment findings (i.e., claim overpayments) in the scope of an OIG audit are reportable as questioned charges unless the Carrier provides documentation supporting that these findings were already identified (i.e., documentation that the plan initiated recovery efforts) prior
to audit notification and corrected (i.e., claims were adjusted and/or voided and overpayments were recovered and returned to the FEHBP) by the original due date of the draft report response.

SECTION 3.17 FEHB FAMILY MEMBER VERIFICATION AUDIT (JAN 2015)

OPM may conduct a family member verification audit. If OPM conducts the audit, the Carrier shall pay a pro rata share for conducting the audit based on its proportion of FEHB premiums as determined by OPM. (a) If any price, including profit or fee, negotiated in connection with this contract, or any cost reimbursable under this contract, was increased by any significant amount because (1) the Contractor or a subcontractor furnished certified cost or pricing data that were not complete, accurate, and current as certified in its Certificate of Current Cost or Pricing Data, (2) a
subcontractor or prospective subcontractor furnished the Contractor certified cost or pricing data that were not complete, accurate, and current as certified in the Contractor's Certificate of Current Cost or Pricing Data, or (3) any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the contract shall be modified to reflect the reduction.

(b) Any reduction in the contract price under paragraph (a) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract; or (2) the actual cost to the Contractor, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Contractor; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(c)(1) If the Contracting Officer determines under paragraph (a) of this clause that a price or cost reduction should be made, the Contractor agrees not to raise the following matters as a defense:

   (i) The Contractor or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the contract would not have been modified even if accurate, complete, and current certified cost of pricing data had been submitted;

   (ii) The Contracting Officer should have known that the certified cost or pricing data in issue were defective even though the Contractor or subcontractor took no affirmative action to bring the character of the data to the attention of the Contracting Officer;

   (iii) The contract was based on an agreement about the total cost of the contract and there was no agreement about the cost of each item procured under the contract; or

   (iv) The Contractor or subcontractor did not submit a Certificate of Current Cost or Pricing Data.

   (2)(i) Except as prohibited by subdivision (c)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a contract price reduction if--

   (A) The Contractor certifies to the Contracting Officer that, to the best of the Contractor's knowledge and belief, the Contractor is entitled to the offset in the amount requested; and

   (B) The Contractor proves that the certified cost or pricing data were available before the “as of” date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.

   (ii) An offset shall not be allowed if--

   (A) The understated data were known by the Contractor to be understated before the “as of” date specified on its Certificate of Current Cost or Pricing Data; or

   (B) The Government proves that the facts demonstrate that the contract price would not have increased in the amount to be offset even if the available data had been submitted before the “as of” date specified on its Certificate of Current Cost or Pricing Data.

   (d) If any reduction in the contract price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Contractor shall be liable to and shall pay the United States at the time such overpayment is repaid--

   (1) Interest compounded daily, as required by 26 U.S.C. 6622, on the amount of such overpayment to be computed from the date(s) of overpayment to the Contractor to the date the Government is repaid by the Contractor at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and
(2) A penalty equal to the amount of the overpayment, if the Contractor or subcontractor knowingly submitted certified cost or pricing data which were incomplete, inaccurate, or noncurrent.

(b) The Contractor shall require the subcontractor to certify in substantially the form prescribed in FAR 15.406-2 that, to the best of its knowledge and belief, the data submitted under paragraph (a) of this clause were accurate, complete, and current as of the date of agreement on the negotiated price of the subcontract or subcontract modification.

(c) In each subcontract that exceeds the threshold for submission of certified cost or pricing data at FAR 15.403-4, when entered into, the Contractor shall insert either --

(1) The substance of this clause, including this paragraph (c), if paragraph (a) of this clause requires submission of certified cost or pricing data for the subcontract; or

part of such employee’s essential job functions discloses the compensation of such other
employees or applicants to individuals who do not otherwise have access to such information,
unless such disclosure is in response to a formal complaint or charge, in furtherance of an
investigation, proceeding, hearing, or action, including an investigation conducted by the
employer, or is consistent with the Contractor’s legal duty to furnish information.

(g) No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds $250.

(h) If the Carrier obtains a reduction in tax liability under the United States Internal Revenue Code (Title 26, U.S. Code) because of the payment of any tax or duty that either was included in the contract price or was the basis of an increase in the contract price, the amount of the reduction shall be paid or credited to the Government of the United States as the Contracting Officer directs.

(i) The Carrier shall take all reasonable action to obtain exemption from or refund of any taxes or duties, including interest or penalty, from which the United States Government, the Carrier, any subcontractor, or the transactions covered by this contract are exempt under the laws of the country concerned or its political subdivisions or which the governments of the United States and of the country concerned have agreed shall not be applicable to expenditures in such country by or on behalf of the United States.

(j) The Carrier shall promptly notify the Contracting Officer of all matters relating to taxes or duties that reasonably may be expected to result in either an increase or decrease in the contract price and shall take appropriate action as the Contracting Officer directs. The contract price shall be equitably adjusted to cover the costs of action taken by the Carrier at the direction of the Contracting Officer, including any interest, penalty, and reasonable attorneys' fees.

SECTION 5.33
DISCOUNTS FOR PROMPT PAYMENT (FEB 2002) (FAR 52.232-8)
(a) Discounts for prompt payment will not be considered in the evaluation of offers. However, any offered discount will form a part of the award, and will be taken if payment is made within the discount period indicated in the offer by the offeror. As an alternative to offering a discount for prompt payment in conjunction with the offer, offerors awarded contracts may include discounts for prompt payment on individual invoices.

(b) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the agency annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday when Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following business day.

SECTION 5.34
INTEREST (MAY 2014) (FAR 52.232-17)

(a) Except as otherwise provided in this contract under a Price Reduction for Defective Certified Cost or Pricing Data clause or a Cost Accounting Standards clause, all amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in paragraph (e) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(b) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(c) Final Decisions. The Contracting Officer will issue a final decision as required by 33.211 if—

(1) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt in a timely manner;

(2) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(3) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see 32.607-2).

(d) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(e) Amounts shall be due at the earliest of the following dates:

(1) The date fixed under this contract.

(2) The date of the first written demand for payment, including any demand for payment resulting from a default termination.
The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on—
   (1) The date on which the designated office receives payment from the Contractor;
   (2) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or
   (3) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

The interest charge made under this clause may be reduced under the procedures prescribed in 32.608-2 of the Federal Acquisition Regulation in effect on the date of this contract.

SECTION 5.35
ASSIGNMENT OF CLAIMS (MAY 2014) (FAR 52.232-23)

(a) The Contractor, under the Assignment of Claims Act, as amended, 31 U.S.C. 3727, 41 U.S.C. 6305 (hereafter referred to as "the Act"), may assign its rights to be paid amounts due or to become due as a result of the performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency. The assignee under such an assignment may thereafter further assign or reassign its right under the original assignment to any type of financing institution described in the preceding sentence.
(b) Any assignment or reassignment authorized under the Act and this clause shall cover all unpaid amounts payable under this contract, and shall not be made to more than one party, except that an assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in the financing of this contract.
(c) The Contractor shall not furnish or disclose to any assignee under this contract any classified document (including this contract) or information related to work under this contract until the Contracting Officer authorizes such action in writing.

SECTION 5.36
DISPUTES (MAY 2014) (FAR 52.233-1)

(a) This contract is subject to 41 U.S.C chapter 71, Contract Disputes.
(b) Except as provided in 41 U.S.C chapter 71, all disputes arising under or relating to this contract shall be resolved under this clause.
(c) "Claim," as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. However, a written demand or written assertion by the Contractor seeking the payment of money exceeding $100,000 is not a claim under 41 U.S.C chapter 71 until certified. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under 41 U.S.C chapter 71. The submission may be converted to a claim under 41 U.S.C chapter 71, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.
(d)(1) A claim by the Contractor shall be made in writing and, unless otherwise stated in this contract, submitted within 6 years after accrual of the claim to the Contracting Officer for a
written decision. A claim by the Government against the Contractor shall be subject to a written decision by the Contracting Officer.

(2)(i) The Contractor shall provide the certification specified in paragraph (d)(2)(iii) of this clause when submitting any claim exceeding $100,000.

(ii) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a claim.

(iii) The certification shall state as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable; and that I am authorized to certify the claim on behalf of the Contractor."

(3) The certification may be executed by any person authorized to bind the Contractor with respect to the claim.

(e) For Contractor claims of $100,000 or less, the Contracting Officer must, if requested in writing by the Contractor, render a decision within 60 days of the request. For Contractor-certified claims over $100,000, the Contracting Officer must, within 60 days, decide the claim or notify the Contractor of the date by which the decision will be made.

(f) The Contracting Officer's decision shall be final unless the Contractor appeals or files a suit as provided in 41 U.S.C chapter 71.

(g) If the claim by the Contractor is submitted to the Contracting Officer or a claim by the Government is presented to the Contractor, the parties, by mutual consent, may agree to use alternative dispute resolution (ADR). If the Contractor refuses an offer for ADR, the Contractor shall inform the Contracting Officer, in writing, of the Contractor's specific reasons for rejecting the offer.

(h) The Government shall pay interest on the amount found due and unpaid from (1) the date that the Contracting Officer receives the claim (certified, if required); or (2) the date that payment otherwise would be due, if that date is later, until the date of payment. With regard to claims having defective certifications, as defined in FAR 33.201, interest shall be paid from the date that the Contracting Officer initially receives the claim. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.

(i) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

SECTION 5.37
NOTICE OF INTENT TO DISALLOW COSTS (APR 1984) (FAR 52.242-1)

(a) Notwithstanding any other clause of this contract--

(1) The Contracting Officer may at any time issue to the Contractor a written notice of intent to disallow specified costs incurred or planned for incurrence under this contract that have been determined not to be allowable under the contract terms; and

(2) The Contractor may, after receiving a notice under subparagraph (1) above, submit a written response to the Contracting Officer, with justification for allowance of the costs. If the
Contractor does respond within 60 days, the Contracting Officer shall, within 60 days of receiving the response, either make a written withdrawal of the notice or issue a written decision.

(b) Failure to issue a notice under this Notice of Intent to Disallow Costs clause shall not affect the Government's right to take exception to incurred costs.

SECTION 5.38
CHANGES--NEGOTIATED BENEFITS CONTRACTS (JAN 1998) (FEHBAR 1652.243-70)

(a) The Contracting Officer may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in any one or more of the following:

(1) Description of services to be performed.
(2) Time of performance (i.e., hours of the day, days of the week, etc.).
(3) Place of performance of the services.

(b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, the Contracting Officer shall make an equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

(c) The Carrier must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the Contracting Officer decides that the facts justify it, the Contracting Officer may receive and act upon a proposal submitted before final payment of the contract.

(d) Failure to agree to any adjustment shall be a dispute under the Disputes clause. However, nothing in this clause shall excuse the Carrier from proceeding with the contract as changed.

SECTION 5.39
COMPETITION IN SUBCONTRACTING (DEC 1996) (FAR 52.244-5)

(a) The Contractor shall select subcontractors (including suppliers) on a competitive basis to the maximum practical extent consistent with the objectives and requirements of the contract.

(b) If the Contractor is an approved mentor under the Department of Defense Pilot Mentor-Protégé Program (Pub. L. 101-510, section 831 as amended), the Contractor may award subcontracts under this contract on a noncompetitive basis to its protégés.

SECTION 5.40
GOVERNMENT PROPERTY (NEGOTIATED BENEFITS CONTRACTS) (JAN 1998) (FEHBAR 1652.245-70)

(a) Government-furnished property. (1) The Government shall deliver to the Carrier, for use in connection with and under the terms of this contract, the Government-furnished property described in this contract together with any related data and information that the Carrier may request and is reasonably required for the intended use of the property (hereinafter referred to as "Government-furnished property").

(2) The delivery or performance dates for this contract are based upon the expectation that Government-furnished property suitable for use (except for property furnished "as-is") will be
delivered to the Carrier at the times stated in this contract or, if not so stated, in sufficient time to enable the Carrier to meet the contract's performance dates.

(3) If Government-furnished property is received by the Carrier in a condition not suitable for the intended use, the Carrier shall, upon receipt of it, notify the Contracting Officer, detailing the facts, and, as directed by the Contracting Officer and at Government expense, either repair, modify, return, or otherwise dispose of the property. After completing the directed action and upon written request of the Carrier, the Contracting Officer shall make an equitable adjustment as provided in paragraph (h) of this clause.

(b) Changes in Government-furnished property. (1) The Contracting Officer may, by written notice, (i) decrease the Government-furnished property provided or to be provided under this contract, or (ii) substitute other Government-furnished property for the property to be provided by the Government, or to be acquired by the Carrier for the Government, under this contract. The Carrier shall promptly take such action as the Contracting Officer may direct regarding the removal, shipment, or disposal of the property covered by such notice.

(2) Upon the Carrier's written request, the Contracting Officer shall make an equitable adjustment to the contract in accordance with paragraph (h) of this clause, if the Government has agreed in this contract to make the property available for performing this contract and there is any -

(i) Decrease or substitution in this property pursuant to subparagraph (b)(1) above; or
(ii) Withdrawal of authority to use this property, if provided under any other contract or lease.

(c) Title in Government property. (1) The Government shall retain title to all Government-furnished property.

(2) All Government-furnished property and all property acquired by the Carrier, title to which vests in the Government under this paragraph (collectively referred to as "Government property"), are subject to the provisions of this clause. Title to Government property shall not be affected by its incorporation into or attachment to any property not owned by the Government, nor shall Government property become a fixture or lose its identity as personal property by being attached to any real property.

(d) Use of Government property. The Government property shall be used only for performing this contract, unless otherwise provided in this contract or approved by the Contracting Officer.

(e) Property administration. (1) The Carrier shall be responsible and accountable for all Government property provided under this contract and shall comply with Federal Acquisition Regulation (FAR) subpart 45.5, as in effect on the date of this contract.

(2) The Carrier shall establish and maintain a program for the use, maintenance, repair, protection, and preservation of Government property in accordance with sound industrial practice and the applicable provisions of subpart 45.5 of the FAR.

(3) If damage occurs to Government property, the risk of which has been assumed by the Government under this contract, the Government shall replace the items or the Carrier shall make such repairs as the Government directs. However, if the Carrier cannot effect such repairs within the time required, the Carrier shall dispose of the property as directed by the Contracting Officer. When any property for which the Government is responsible is replaced or repaired, the Contracting Officer shall make an equitable adjustment in accordance with paragraph (h) of this clause.

(4) The Carrier represents that the contract price does not include any amount for repairs or replacement for which the Government is responsible. Repair or replacement of property for which the Carrier is responsible shall be accomplished by the Carrier at its own expense.
(f) Access. The Government and all its designees shall have access at all reasonable times to the premises in which any Government property is located for the purpose of inspecting the Government property.

(g) Risk of loss. Unless otherwise provided in this contract, the Carrier assumes the risk of, and shall be responsible for, any loss or destruction of, or damage to, Government property upon its delivery to the Carrier. However, the Carrier is not responsible for reasonable wear and tear to Government property or for Government property properly consumed in performing this contract.

(h) Equitable adjustment. When this clause specifies an equitable adjustment, it shall be made to any affected contract provision in accordance with the procedures of the Changes clause. When appropriate, the Contracting Officer may initiate an equitable adjustment in favor of the Government. The right to an equitable adjustment shall be the Carrier's exclusive remedy. The Government shall not be liable to suit for breach of contract for --

1. Any delay in delivery of Government-furnished property;
2. Delivery of Government-furnished property in a condition not suitable for its intended use;
3. A decrease in or substitution of Government-furnished property; or
4. Failure to repair or replace Government property for which the Government is responsible.

(i) Final accounting and disposition of Government property. Upon completing this contract, or at such earlier dates as may be fixed by the Contracting Officer, the Carrier shall submit, in a form acceptable to the Contracting Officer, inventory schedules covering all items of Government property (including any resulting scrap) not consumed in performing this contract or delivered to the Government. The Carrier shall prepare for shipment, deliver f.o.b. origin, or dispose of the Government property as may be directed or authorized by the Contracting Officer. The net proceeds of any such disposal shall be credited to the contract price or shall be paid to the Government as the Contracting Officer directs.

(j) Abandonment and restoration of Carrier's premises. Unless otherwise provided herein, the Government -

1. May abandon any Government property in place, at which time all obligations of the Government regarding such abandoned property shall cease; and
2. Has no obligation to restore or rehabilitate the Carrier's premises under any circumstances (e.g., abandonment, disposition upon completion of need, or upon contract completion).

However, if the Government-furnished property is withdrawn or is unsuitable for the intended use, or if other Government property is substituted, then the equitable adjustment under paragraph (h) of this clause may properly include restoration or rehabilitation costs.

(k) Communications. All communications under this clause shall be in writing.

(l) Overseas contracts. If this contract is to be performed outside of the United States of America, its territories, or possessions, the words "Government" and "Government-furnished" (wherever they appear in this clause) shall be construed as "United States Government" and "United States Government-furnished", respectively.

SECTION 5.41
LIMITATION OF LIABILITY -- SERVICES (FEB 1997) (FAR 52.246-25)

(a) Except as provided in paragraphs (b) and (c) below, and except to the extent that the Contractor is expressly responsible under this contract for deficiencies in the services required to be
performed under it (including any materials furnished in conjunction with those services), the Contractor shall not be liable for loss of or damage to property of the Government that (1) occurs after Government acceptance of services performed under this contract and (2) results from any defects or deficiencies in the services performed or materials furnished.

(b) The limitation of liability under paragraph (a) above shall not apply when a defect or deficiency in, or the Government's acceptance of, services performed or materials furnished results from willful misconduct or lack of good faith on the part of any of the Contractor's managerial personnel. The term Contractor's managerial personnel, as used in this clause, means the Contractor's directors, officers, and any of the Contractor's managers, superintendents, or equivalent representatives who have supervision or direction of --

(1) All or substantially all of the Contractor's business;
(2) All or substantially all of the Contractor's operations at any one plant, laboratory, or separate location at which the contract is being performed; or
(3) A separate and complete major industrial operation connected with the performance of this contract.

(c) If the Contractor carries insurance, or has established a reserve for self-insurance, covering liability for loss or damage suffered by the Government through the Contractor's performance of services or furnishing of materials under this contract, the Contractor shall be liable to the Government, to the extent of such insurance or reserve, for loss of or damage to property of the Government occurring after Government acceptance of, and resulting from any defects and deficiencies in, services performed or materials furnished under this contract.

SECTION 5.42
PREFERENCE FOR U.S.-FLAG AIR CARRIERS (JUN 2003) (FAR 52.247-63)

(a) Definitions. As used in this clause-
"International air transportation" means transportation by air between a place in the United States and a place outside the United States or between two places both of which are outside the United States.

"United States" means the 50 States, the District of Columbia, and outlying areas.

"U.S.-flag air Carrier" means an air Carrier holding a certificate under 49 U.S.C. Chapter 411.

(b) Section 5 of the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. 40118) (Fly America Act) requires that all Federal agencies and Government contractors and subcontractors use U.S.-flag air Carriers for U.S. Government-financed international air transportation of personnel (and their personal effects) or property, to the extent that service by those Carriers is available. It requires the Comptroller General of the United States, in the absence of satisfactory proof of the necessity for foreign-flag air transportation, to disallow expenditures from funds, appropriated or otherwise established for the account of the United States, for international air transportation secured aboard a foreign-flag air Carrier if a U.S.-flag air Carrier is available to provide such services.

(c) If available, the Contractor, in performing work under this contract, shall use U.S.-flag Carriers for international air transportation of personnel (and their personal effects) or property.
(d) In the event that the Contractor selects a Carrier other than a U.S.-flag air Carrier for international air transportation, the Contractor shall include a statement on vouchers involving such transportation essentially as follows:

STATEMENT OF UNAVAILABILITY OF U.S.-FLAG AIR CARRIERS
International air transportation of persons (and their personal effects) or property by U.S.-flag air Carrier was not available or it was necessary to use foreign-flag air Carrier service for the following reasons (see section 47.403 of the Federal Acquisition Regulation):
(State reasons):
(End of statement)
(e) The Contractor shall include the substance of this clause, including this paragraph (e), in each subcontract or purchase under this contract that may involve international air transportation.

SECTION 5.43
GOVERNMENT SUPPLY SOURCES (APR 2012) (FAR 52.251-1)

The Contracting Officer may issue the Contractor an authorization to use Government supply sources in the performance of this contract. Title to all property acquired by the Contractor under such an authorization shall vest in the Government unless otherwise specified in the contract. The provisions of the clause at FAR 52.245–1, Government Property, apply to all property acquired under such authorization.

SECTION 5.44
AUTHORIZED DEVIATIONS IN CLAUSES (APR 1984) (FAR 52.252-6)

(a) The use in this solicitation or contract of any Federal Acquisition Regulation (48 CFR Chapter 1) clause with an authorized deviation is indicated by the addition of "(DEVIATION)" after the date of the clause.
(b) The use in this solicitation or contract of any Federal Employees Health Benefits Acquisition Regulation (48 CFR Chapter 16) clause with an authorized deviation is indicated by the addition of "(DEVIATION)" after the name of the regulation.

SECTION 5.45
LIMITATION ON PAYMENTS TO INFLUENCE CERTAIN FEDERAL TRANSACTIONS (OCT 2010) (FAR 52.203-12)

(a) Definitions. As used in this clause—
“Agency” means “executive agency” as defined in Federal Acquisition Regulation (FAR) 2.101.
“Covered Federal action” means any of the following actions:
(1) Awarding any Federal contract.
(2) Making any Federal grant.
(3) Making any Federal loan.
(4) Entering into any cooperative agreement.
(5) Extending, continuing, renewing, amending, or modifying any Federal contract, grant, loan, or cooperative agreement.
“Indian tribe” and “tribal organization” have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b) and include Alaskan Natives.

“Influencing or attempting to influence” means making, with the intent to influence, any communication to or appearance before an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

“Local government” means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

“Officer or employee of an agency” includes the following individuals who are employed by an agency:

(1) An individual who is appointed to a position in the Government under Title 5, United States Code, including a position under a temporary appointment.

(2) A member of the uniformed services, as defined in subsection 101(3), Title 37, United States Code.

(3) A special Government employee, as defined in section 202, Title 18, United States Code.

(4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, Title 5, United States Code, appendix 2.

“Person” means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit, or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization eligible to receive Federal contracts, grants, cooperative agreements, or loans from an agency, but only with respect to expenditures by such tribe or organization that are made for purposes specified in paragraph (b) of this clause and are permitted by other Federal law.

This term excludes an Indian tribe, tribal organization, or any other Indian organization eligible to receive Federal contracts, grants, cooperative agreements, or loans from an agency, but only with respect to expenditures by such tribe or organization that are made for purposes specified in paragraph (b) of this clause and are permitted by other Federal law.

“Regularly employed” means, with respect to an officer or employee of a person requesting or receiving a Federal contract, an officer or employee who is employed by such person for at least 130 working days within 1 year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract. An officer or employee who is employed by such person for less than 130 working days within 1 year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.
“State” means a State of the United States, the District of Columbia, or an outlying area of the United States, an agency or instrumentality of a State, and multi-State, regional, or interstate entity having governmental duties and powers.

(b) Prohibition. 31 U.S.C. 1352 prohibits a recipient of a Federal contract, grant, loan, or cooperative agreement from using appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal actions. In accordance with 31 U.S.C. 1352 the Contractor shall not use appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the award of this contractor the extension, continuation, renewal, amendment, or modification of this contract.

(1) The term appropriated funds does not include profit or fee from a covered Federal action.

(2) To the extent the Contractor can demonstrate that the Contractor has sufficient monies, other than Federal appropriated funds, the Government will assume that these other monies were spent for any influencing activities that would be unallowable if paid for with Federal appropriated funds.

(c) Exceptions. The prohibition in paragraph (b) of this clause does not apply under the following conditions:

(1) Agency and legislative liaison by Contractor employees.

(i) Payment of reasonable compensation made to an officer or employee of the Contractor if the payment is for agency and legislative liaison activities not directly related to this contract. For purposes of this paragraph, providing any information specifically requested by an agency or Congress is permitted at any time.

(ii) Participating with an agency in discussions that are not related to a specific solicitation for any covered Federal action, but that concern—

(A) The qualities and characteristics (including individual demonstrations) of the person’s products or services, conditions or terms of sale, and service capabilities; or

(B) The application or adaptation of the person’s products or services for an agency’s use.

(iii) Providing prior to formal solicitation of any covered Federal action any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(iv) Participating in technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and

(v) Making capability presentations prior to formal solicitation of any covered Federal action by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95-507, and subsequent amendments.

(2) Professional and technical services.

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.
(ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(iii) As used in paragraph (c)(2) of this clause, “professional and technical services” are limited to advice and analysis directly applying any professional or technical discipline (for examples, see FAR 3.803(a)(2)(iii)).

(iv) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation and any other requirements in the actual award documents.

(3) Only those communications and services expressly authorized by paragraphs (c)(1) and (2) of this clause are permitted.

(d) Disclosure.

(1) If the Contractor did not submit OMB Standard Form LLL, Disclosure of Lobbying Activities, with its offer, but registrants under the Lobbying Disclosure Act of 1995 have subsequently made a lobbying contact on behalf of the Contractor with respect to this contract, the Contractor shall complete and submit OMB Standard Form LLL to provide the name of the lobbying registrants, including the individuals performing the services.

(2) If the Contractor did submit OMB Standard Form LLL disclosure pursuant to paragraph (d) of the provision at FAR 52.203-11, Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions, and a change occurs that affects Block 10 of the OMB Standard Form LLL (name and address of lobbying registrant or individuals performing services), the Contractor shall, at the end of the calendar quarter in which the change occurs, submit to the Contracting Officer within 30 days an updated disclosure using OMB Standard Form LLL.

(e) Penalties.

(1) Any person who makes an expenditure prohibited under paragraph (b) of this clause or who fails to file or amend the disclosure to be filed or amended by paragraph (d) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(2) Contractors may rely without liability on the representation made by their subcontractors in the certification and disclosure form.

(f) Cost allowability. Nothing in this clause makes allowable or reasonable any costs which would otherwise be unallowable or unreasonable. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any other provision.

(g) Subcontracts.

(1) The Contractor shall obtain a declaration, including the certification and disclosure in paragraphs (c) and (d) of the provision at FAR 52.203-11, Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions, from each person requesting or receiving a subcontract exceeding $150,000 under this contract. Each subcontractor certification shall be retained in the subcontract file of the awarding Contractor.

The Contractor shall include the substance of this clause, including this paragraph (g), in any subcontract exceeding $150,000.

SECTION 5.46
[RESERVED]

SECTION 5.47
PROTECTING THE GOVERNMENT'S INTEREST WHEN SUBCONTRACTING WITH CONTRACTORS DEBARRED, SUSPENDED OR PROPOSED FOR DEBARMENT (OCT 2015) (FAR 52.209-6)

(a) Definition. “Commercially available off-the-shelf (COTS)” item, as used in this clause—
(1) Means any item of supply (including construction material) that is—
(i) A commercial item (as defined in paragraph (1) of the definition in FAR 2.101);
(ii) Sold in substantial quantities in the commercial marketplace; and
(iii) Offered to the Government, under a contract or subcontract at any tier, without modification, in the same form in which it is sold in the commercial marketplace; and
(2) Does not include bulk cargo, as defined in 46 U.S.C. 40102(4), such as agricultural products and petroleum products.

(b) The Government suspends or debars Contractors to protect the Government’s interests. Other than a subcontract for a commercially available off-the-shelf item, the Contractor shall not enter into any subcontract, in excess of $35,000 with a Contractor that is debarred, suspended, or proposed for debarment by any executive agency unless there is a compelling reason to do so.

(c) The Contractor shall require each proposed subcontractor whose subcontract will exceed $35,000, other than a subcontractor providing a commercially available off-the-shelf item, to disclose to the Contractor, in writing, whether as of the time of award of the subcontract, the subcontractor, or its principals, is or is not debarred, suspended, or proposed for debarment by the Federal Government.

(d) A corporate officer or a designee of the Contractor shall notify the Contracting Officer, in writing, before entering into a subcontract with a party (other than a subcontractor providing a commercially available off-the-shelf item) that is debarred, suspended, or proposed for debarment (see FAR 9.404 for information on the System for Award Management (SAM) Exclusions). The notice must include the following:
(1) The name of the subcontractor.
(2) The Contractor’s knowledge of the reasons for the subcontractor being listed with an exclusion in SAM.
(3) The compelling reason(s) for doing business with the subcontractor notwithstanding its being listed with an exclusion in SAM.
(4) The systems and procedures the Contractor has established to ensure that it is fully protecting the Government’s interests when dealing with such subcontractor in view of the specific basis for the party’s debarment, suspension, or proposed debarment.

(e) Subcontracts. Unless this is a contract for the acquisition of commercial items, the Contractor shall include the requirements of this clause, including this paragraph (e) (appropriately modified for the identification of the parties), in each subcontract that—

(1) Exceeds $35,000 in value; and

(2) Is not a subcontract for commercially available off-the-shelf items.

SECTION 5.48
BANKRUPTCY (JUL 1995) (FAR 52.242-13)

In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish, by certified mail or electronic commerce method authorized by the contract, written notification of the bankruptcy to the Contracting Office responsible for administering the contract. This notification shall be furnished within five days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of Government contract numbers and contracting offices for all Government contracts against which final payment has not been made. This obligation remains in effect until final payment under this contract.

SECTION 5.49
FEHBP TERMINATION FOR CONVENIENCE OF THE GOVERNMENT--NEGOTIATED BENEFITS CONTRACTS (JAN 1998) (FEHBAR 1652.249-71)

(a) The Government may terminate performance of work under this contract in whole or, from time to time, in part if the Contracting Officer determines that a termination is in the Government’s interest. The Contracting Officer shall terminate by delivering to the Carrier a Notice of Termination specifying the extent of terminating and the effective date.

(b) After receipt of a Notice of Termination, and except as directed by the Contracting Officer, the Carrier shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this clause:

(1) Stop work as specified in the notice.

(2) Place no further subcontracts except as necessary to complete the continued portion of the contract.

(3) Terminate all subcontracts to the extent they relate to the work terminated.

(4) Assign to the Government, as directed by the Contracting Officer, all right, title, and interest of the Carrier under the subcontracts terminated, in which case the Government shall have the right to settle or to pay any termination settlement proposal arising out of those terminations.

(5) With approval or ratification to the extent required by the Contracting Officer, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; the approval or ratification will be final for purposes of this clause.
(6) As directed by the Contracting Officer, deliver to the Government any data, reports, or studies that, if the contract had been completed, would be required to be furnished to the Government.

(7) Complete performance of the work not terminated.

(c) After termination, the Carrier shall submit a final termination settlement proposal to the Contracting Officer in the form and with the certification prescribed by the Contracting Officer. The Carrier shall submit the proposal promptly, but no later than 1 year from the effective date of termination, unless extended in writing by the Contracting Officer upon written request of the Carrier within this 1-year period. However, if the Contracting Officer determines that the facts justify it, a termination settlement proposal may be received and acted on after 1 year or any extension. If the Carrier fails to submit the proposal within the time allowed, the Contracting Officer may determine, on the basis of information available, the amount, if any, due the Carrier because of the termination and shall pay the amount determined.

(d) Subject to paragraph (c) of this clause, the Carrier and the Contracting Officer may agree upon the whole or any part of the amount to be paid or remaining to be paid because of the termination. The amount may include a reasonable allowance for profit on work done. However, the agreed amount, whether under this paragraph (d) or paragraph (e) of this clause, exclusive of costs shown in subparagraph (e)(3) of this clause, may not exceed the total contract price as reduced by (1) the amount of payments previously made and (2) the contract price of work not terminated. The contract shall be modified, and the Carrier paid the agreed amount. Paragraph (e) of this clause shall not limit, restrict, or affect the amount that may be agreed upon to be paid under this paragraph.

(e) If the Carrier and the Contracting Officer fail to agree on the whole amount to be paid because of the termination of work, the Contracting Officer shall pay the Carrier the amounts determined by the Contracting Officer as follows, but without duplication of any amounts agreed on under paragraph (d) above:

(1) The contract price for completed services accepted by the Government not previously paid for.

(2) The total of--

   (i) The costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but excluding any costs attributable to services paid or to be paid under paragraph (e)(1) of this clause;

   (ii) The cost of settling and paying termination settlement proposals under terminated subcontracts that are properly chargeable to the terminated portion of the contract if not included in subdivision (e)(2)(i) of this clause; and

   (iii) A sum, as profit on subdivision (e)(2)(i) of this clause, determined by the Contracting Officer under 49.202 of the Federal Acquisition Regulation, in effect on the date of this contract, to be fair and reasonable.

(3) The reasonable costs of settlement of the work terminated, including--

   (i) Accounting, legal, clerical, and other expenses reasonably necessary for the preparation of termination settlement proposals and supporting data;

   (ii) The termination and settlement of subcontracts (excluding the amounts of such settlements); and

   (f) The cost principles and procedures of part 31 of the Federal Acquisition Regulation, in effect on the date of this contract, shall govern all costs claimed, agreed to, or determined under this clause.
(g) The Carrier shall have the right of appeal, under the Disputes clause, from any determination made by the Contracting Officer under paragraph (c), (e), or (i) of this clause, except that if the Carrier failed to submit the termination settlement proposal or request for equitable adjustment within the time provided in paragraph (c) or (i), respectively, and failed to request a time extension, there is no right of appeal.

(h) In arriving at the amount due the Carrier under this clause, there shall be deducted--
   (1) All unliquidated advance or other payments to the Carrier under the terminated portion of this contract;
   (2) Any claim which the Government has against the Carrier under this contract; and
   (i) If the termination is partial, the Carrier may file a proposal with the Contracting Officer for an equitable adjustment of the price(s) of the continued portion of the contract. The Contracting Officer shall make any equitable adjustment agreed upon. Any proposal by the Carrier for an equitable adjustment under this clause shall be requested within 90 days from the effective date of termination unless extended in writing by the Contracting Officer.

   (j)(1) The Government may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by the Carrier for the terminated portion of the contract, if the Contracting Officer believes the total of these payments will not exceed the amount to which the Carrier will be entitled.
   (2) If the total payments exceed the amount finally determined to be due, the Carrier shall repay the excess to the Government upon demand, together with interest computed at the rate established by the Secretary of the Treasury under 50 U.S.C. App. 1215(b)(2). Interest shall be computed for the period from the date the excess payment is received by the Carrier to the date the excess is repaid.

   (k) Unless otherwise provided in this contract or by statute, the Carrier shall maintain all records and documents relating to the terminated portion of this contract for 3 years after final settlement. This includes all books and other evidence bearing on the Carrier's costs and expenses under this contract. The Carrier shall make these records and documents available to the Government, at the Carrier's office, at all reasonable times, without any direct charge. If approved by the Contracting Officer, photographs, microphotographs, or other authentic reproductions may be maintained instead of original records and documents.

SECTION 5.50
FEHBP TERMINATION FOR DEFAULT-- NEGOTIATED BENEFITS CONTRACTS (JAN 1998) (FEHBAR 1652.249-72)

   (a) (1) The Government may, subject to paragraphs (c) and (d) below, by written notice of default to the Carrier, terminate this contract in whole or in part if the Carrier fails to--
      (i) Perform the services within the time specified in this contract or any extension;
      (ii) Make progress, so as to endanger performance of this contract (but see subparagraph (a)(2) below); or
      (iii) Perform any of the other provisions of this contract (but see subparagraph (a)(2) below).
      (2) The Government's right to terminate this contract under subdivisions (1)(ii) and (1)(iii) above, may be exercised if the Carrier does not cure such failure within 10 days (or more if authorized in writing by the Contracting Officer) after receipt of the notice from the Contracting Officer specifying the failure.
(b) If the Government terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Contracting Officer considers appropriate, supplies or service similar to those terminated, and the Carrier will be liable to the Government for any excess costs for those supplies or services. However, the Carrier shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Carrier shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Carrier. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Carrier.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Carrier and subcontractor, and without the fault or negligence of either, the Carrier shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Carrier to meet the required delivery schedule.

(e) If this contract is terminated for default, the Government may require the Carrier to transfer title and deliver to the Government, as directed by the Contracting Officer, any completed or partially completed information and contract rights that the Carrier has specifically produced or acquired for the terminated portion of this contract.

(f) If, after termination, it is determined that the Carrier was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Government.

(g) The rights and remedies of the Government in this clause are in addition to any other rights and remedies provided by law or under this contract.

SECTION 5.51
PENSION ADJUSTMENTS AND ASSET REVERSIONS (OCT 2010) (FAR 52.215-15)

(a) The Contractor shall promptly notify the Contracting Officer in writing when it determines that it will terminate a defined benefit pension plan or otherwise recapture such pension fund assets.

(b) For segment closings, pension plan terminations, or curtailment of benefits, the amount of the adjustment shall be-

1. For contracts and subcontracts that are subject to full coverage under Cost Accounting Standards (CAS) Board rules and regulations (48 CFR Chapter 99), the amount measured, assigned, and allocated in accordance with 48 CFR 9904.413-50(c)(12); and

2. For contracts and subcontracts that are not subject to full coverage under CAS, the amount measured, assigned, and allocated in accordance with 48 CFR 9904.413-50(c)(12), except the numerator of the fraction at 48 CFR 9904.413-50(c)(12)(vi) shall be the sum of the pension plan costs allocated to all non-CAS-covered contracts and subcontracts that are subject to Federal Acquisition Regulation (FAR) Subpart 31.2 or for which certified cost or pricing data were submitted.

(c) For all other situations where assets revert to the Contractor, or such assets are constructively received by it for any reason, the Contractor shall, at the Government’s option, make a refund or give a credit to the Government for its equitable share of the gross amount

V-34 (FFS-2018)
Section 5.52
Reversion or Adjustment of Plans for Postretirement Benefits (PRB) Other Than Pensions (Jul 2005) (FAR 52.215-18)

(a) The Contractor shall promptly notify the Contracting Officer in writing when it determines that it will terminate or reduce a PRB plan.
(b) If PRB fund assets revert, or inure to the Contractor, or are constructively received by it under a plan termination or otherwise, the Contractor shall make a refund or give a credit to the Government for its equitable share as required by 31.205-6(o)(6) of the Federal Acquisition Regulation (FAR). When determining or agreeing on the method for recovery of the Government’s equitable share, the contracting parties should consider the following methods: cost reduction, amortizing the credit over a number of years (with appropriate interest), cash refund, or some other agreed upon method. Should the parties be unable to agree on the method for recovery of the Government’s equitable share, through good faith negotiations, the Contracting Officer shall designate the method of recovery.
(c) The Contractor shall insert the substance of this clause in all subcontracts that meet the applicability requirements of FAR 15.408(j).

Section 5.53
Notice to the Government of Labor Disputes (Feb 1997) (FAR 52.222-1)

If the Contractor has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this contract, the Contractor shall immediately give notice, including all relevant information, to the Contracting Officer.

Section 5.54
Penalties for Unallowable Costs (May 2014) (FAR 52.242-3)

(a) Definition. Proposal, as used in this clause, means either --
(1) A final indirect cost rate proposal submitted by the Contractor after the expiration of its fiscal year which--
(i) Relates to any payment made on the basis of billing rates; or
(ii) Will be used in negotiating the final contract price; or
(2) The final statement of costs incurred and estimated to be incurred under the Incentive Price Revision clause (if applicable), which is used to establish the final contract price.
(b) Contractors which include unallowable indirect costs in a proposal may be subject to penalties. The penalties are prescribed in 10 U.S.C. 2324 or 41 U.S.C. chapter 43, as applicable, which is implemented in Section 42.709 of the Federal Acquisition Regulation (FAR).
(c) The Contractor shall not include in any proposal any cost that is unallowable, as defined in Subpart 2.1 of the FAR, or an executive agency supplement to the FAR.
(d) If the Contracting Officer determines that a cost submitted by the Contractor in its proposal is expressly unallowable under a cost principle in the FAR, or an executive agency supplement to the FAR, that defines the allowability of specific selected costs, the Contractor shall be assessed a penalty equal to--

(1) The amount of the disallowed cost allocated to this contract; plus

(2) Simple interest, to be computed--

(i) On the amount the Contractor was paid (whether as a progress or billing payment) in excess of the amount to which the Contractor was entitled; and

(ii) Using the applicable rate effective for each six-month interval prescribed by the Secretary of the Treasury pursuant to Pub. L. 92-41 (85 Stat. 97).

(e) If the Contracting Officer determines that a cost submitted by the Contractor in its proposal includes a cost previously determined to be unallowable for that Contractor, then the Contractor will be assessed a penalty in an amount equal to two times the amount of the disallowed cost allocated to this contract.

(f) Determinations under paragraphs (d) and (e) of this clause are final decisions within the meaning of 41 U.S.C. chapter 71, Contract Disputes.

(g) Pursuant to the criteria in FAR 42.709-5, the Contracting Officer may waive the penalties in paragraph (d) or (e) of this clause.

(h) Payment by the Contractor of any penalty assessed under this clause does not constitute repayment to the Government of any unallowable cost which has been paid by the Government to the Contractor.

SECTION 5.55
EMPLOYMENT REPORTS ON VETERANS (FEB 2016) (FAR 52.222-37)

(a) Definitions. As used in this clause, “active duty wartime or campaign badge veteran,” “Armed Forces service medal veteran,” “disabled veteran,” “protected veteran,” and “recently separated veteran,” have the meanings given in FAR 22.1301.

(b) Unless the Contractor is a State or local government agency, the Contractor shall report at least annually, as required by the Secretary of Labor, on—

(1) The total number of employees in the contractor’s workforce, by job category and hiring location, who are protected veterans (i.e., active duty wartime or campaign badge veterans, Armed Forces service medal veterans, disabled veterans and recently separated veterans);

(1) As of the end of any pay period between July 1 and August 31 of the year the report is due; or

(2) As of December 31, if the Contractor has prior written approval from the Equal Employment Opportunity Commission to do so for purposes of submitting the Employer Information Report EEO-1 (Standard Form 100).

(f) The number of veterans reported must be based on data known to the contractor when completing the VETS–4212The contractor’s knowledge of veterans status may be obtained in a variety of ways, including an invitation to applicants to self-identify (in accordance with 41 CFR 60–300.42), voluntary self-disclosure by employees, or actual knowledge of veteran status by the contractor. This paragraph does not relieve an employer of liability for discrimination under 38 U.S.C. 4212.

(g) The Contractor shall insert the terms of this clause in subcontracts of $150,000 or more unless exempted by rules, regulations, or orders of the Secretary of Labor.

SECTION 5.56
AUTHORIZATION AND CONSENT (DEC 2007) (FAR 52.227-1)

(a) The Government authorizes and consents to all use and manufacture, in performing this contract or any subcontract at any tier, of any invention described in and covered by a United States patent—

(1) Embodied in the structure or composition of any article the delivery of which is accepted by the Government under this contract; or

(2) Used in machinery, tools, or methods whose use necessarily results from compliance by the Contractor or a subcontractor with (i) specifications or written provisions forming a part of this contract or (ii) specific written instructions given by the Contracting Officer directing the manner of performance. the entire liability to the Government for infringement of a United States patent shall be determined solely by the provisions of the indemnity clause, if any, included in this contract or any subcontract hereunder (including any lower-tier subcontract), and the Government assumes liability for all other infringement to the extent of the authorization and consent hereinabove granted.

(b) The Contractor shall include the substance of this clause, including this paragraph (b), in all subcontracts that are expected to exceed the simplified acquisition threshold. However, omission of this clause from any subcontract, including those at or below the simplified acquisition threshold, does not affect this authorization and consent.

SECTION 5.57
NOTICE AND ASSISTANCE REGARDING PATENT AND COPYRIGHT INFRINGEMENT (DEC 2007) (FAR 52.227-2)
a) The Contractor shall report to the Contracting Officer, promptly and in reasonable written detail, each notice or claim of patent or copyright infringement based on the performance of this contract of which the Contractor has knowledge.

(b) In the event of any claim or suit against the Government on account of any alleged patent or copyright infringement arising out of the performance of this contract or out of the use of any supplies furnished or work or services performed under this contract, the Contractor shall furnish to the Government, when requested by the Contracting Officer, all evidence and information in the Contractor’s possession pertaining to such claim or suit. Such evidence and information shall be furnished at the expense of the Government except where the Contractor has agreed to indemnify the Government.

(c) The Contractor shall include the substance of this clause, including this paragraph (c), in all subcontracts that are expected to exceed the simplified acquisition threshold.

SECTION 5.58
PAYMENT BY ELECTRONIC FUNDS TRANSFER–SYSTEM FOR AWARD MANAGEMENT (JUL 2013) (FAR 52.232-33)

(a) Method of payment.
   (1) All payments by the Government under this contract shall be made by electronic funds transfer (EFT), except as provided in paragraph (a)(2) of this clause. As used in this clause, the term “EFT” refers to the funds transfer and may also include the payment information transfer.
   (2) In the event the Government is unable to release one or more payments by EFT, the Contractor agrees to either—
      (i) Accept payment by check or some other mutually agreeable method of payment; or
      (ii) Request the Government to extend the payment due date until such time as the Government can make payment by EFT (but see paragraph (d) of this clause).

(b) Contractor’s EFT information. The Government shall make payment to the Contractor using the EFT information contained in the System for Award Management (SAM) database. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the SAM database.

(c) Mechanisms for EFT payment. The Government may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.

(d) Suspension of payment. If the Contractor’s EFT information in the SAM database is incorrect, then the Government need not make payment to the Contractor under this contract until correct EFT information is entered into the SAM database; and any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.

(e) Liability for uncompleted or erroneous transfers.
   (1) If an uncompleted or erroneous transfer occurs because the Government used the Contractor’s EFT information incorrectly, the Government remains responsible for—
      (i) Making a correct payment;
      (ii) Paying any prompt payment penalty due; and
(iii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because the Contractor’s EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and—

(i) If the funds are no longer under the control of the payment office, the Government is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or

(ii) If the funds remain under the control of the payment office, the Government shall not make payment, and the provisions of paragraph (d) of this clause shall apply.

(f) **EFT and prompt payment.** A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

(g) **EFT and assignment of claims.** If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor shall require as a condition of any such assignment, that the assignee shall register separately in the SAM database and shall be paid by EFT in accordance with the terms of this clause. Notwithstanding any other requirement of this contract, payment to an ultimate recipient other than the Contractor, or a financial institution properly recognized under an assignment of claims pursuant to Subpart 32.8, is not permitted. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to the Government, is incorrect EFT information within the meaning of paragraph (d) of this clause.

(h) **Liability for change of EFT information by financial agent.** The Government is not liable for errors resulting from changes to EFT information made by the Contractor’s financial agent.

(i) **Payment information.** The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. The Government may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, the Government does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to the Government. If the Government makes payment by check in accordance with paragraph (a) of this clause, the Government shall mail the payment information to the remittance address contained in the SAM database.

SECTION 5.59

The Contractor agrees that a breach of this clause is a violation of the Equal Opportunity clause in this contract.

(c) The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Opportunity clause of this contract.

SECTION 5.60
SUBCONTRACTS FOR COMMERCIAL ITEMS (NOV 2017) (FAR 52.244-6)

(iii) 52.203-19, Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements (JAN 2017).
(iv) 52.204–21, Basic Safeguarding of Covered Contractor Information Systems (June, 2016), other than subcontracts for commercially available off-the-shelf items, if flow down is required in accordance with paragraph (c) of FAR clause 52.204–21.
(v) 52.219-8, Utilization of Small Business Concerns (Nov 2014) (15 U.S.C.
637(d)(2) and (3)), if the subcontract offers further subcontracting opportunities. The Contractor shall follow the applicable verification requirements at (b)(1) or (b)(2), respectively, except that any requirement for verification of new employees applies only to new employees assigned to the contract.

(4) Option to verify employment eligibility of all employees. The Contractor may elect to verify all existing employees hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), rather than just those employees assigned to the contract. The Contractor shall initiate verification for each existing employee working in the United States who was hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), within 180 calendar days of—

(3) By means of the abuse or threatened abuse of law or the legal process.

“Involuntary servitude” includes a condition of servitude induced by means of—

(1) Any scheme, plan, or pattern intended to cause a person to believe that, if the person did not enter into or continue in such conditions, that person or another person would suffer serious harm or physical restraint; or

(2) The abuse or threatened abuse of the legal process.

“Severe forms of trafficking in persons” means—

(1) Sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such act has not attained 18 years of age; or

(2) The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

“Sex trafficking” means the recruitment, harboring, transportation, provision, or obtaining of a person for the purpose of a commercial sex act.

(b) Policy. The United States Government has adopted a policy prohibiting trafficking in persons including the trafficking-related activities of this clause. Contractors, contractor employees, and their agents shall not—

(1) Engage in severe forms of trafficking in persons during the period of performance of the contract;

(2) Procure commercial sex acts during the period of performance of the contract; or

(3) Use forced labor in the performance of the contract.

(4) Destroy, conceal, confiscate, or otherwise deny access by an employee to the employee’s identity or immigration documents, such as passports or drivers’ licenses, regardless of issuing authority;

(5)(i) Use misleading or fraudulent practices during the recruitment of employees or offering of employment, such as failing to disclose, in a format and language accessible to the worker, basic information or making material misrepresentations during the recruitment of employees regarding the key terms and conditions of employment, including wages and fringe benefits, the location of work, the living conditions, housing and associated costs (if employer or agent provided or arranged), any significant cost to be charged to the employee, and, if applicable, the hazardous nature of the work;

(ii) Use recruiters that do not comply with local labor laws of the country in which the recruiting takes place;

(6) Charge employees recruitment fees;

(7)(i) Fail to provide return transportation or pay for the cost of return transportation upon the end of employment—

(A) For an employee who is not a national of the country in which the work is taking place and who was brought into that country for the purpose of working on a U.S. Government contract or subcontract (for portions of contracts performed outside the United States); or

(B) For an employee who is not a United States national and who was brought into the United States for the purpose of working on a U.S. Government contract or subcontract, if the
payment of such costs is required under existing temporary worker programs or pursuant to a written agreement with the employee (for portions of contracts performed inside the United States); except that-

(ii) The requirements of paragraphs (b)(7)(i) of this clause shall not apply to an employee who is-

(A) Legally permitted to remain in the country of employment and who chooses to do so; or

(B) Exempted by an authorized official of the contracting agency from the requirement to provide return transportation or pay for the cost of return transportation;

(iii) The requirements of paragraph (b)(7)(i) of this clause are modified for a victim of trafficking in persons who is seeking victim services or legal redress in the country of employment, or for a witness in an enforcement action related to trafficking in persons. The contractor shall provide the return transportation or pay the cost of return transportation in a way that does not obstruct the victim services, legal redress, or witness activity. For example, the contractor shall not only offer return transportation to a witness at a time when the witness is still needed to testify. This paragraph does not apply when the exemptions at paragraph (b)(7)(ii) of this clause apply.

(8) Provide or arrange housing that fails to meet the host country housing and safety standards; or

(9) If required by law or contract, fail to provide an employment contract, recruitment agreement, or other required work document in writing. Such written work document shall be in a language the employee understands. If the employee must relocate to perform the work, the work document shall be provided to the employee at least five days prior to the employee relocating. The employee’s work document shall include, but is not limited to, details about work description, wages, prohibition on charging recruitment fees, work location(s), living accommodations and associated costs, time off, roundtrip transportation arrangements, grievance process, and the content of applicable laws and regulations that prohibit trafficking in persons.

(c) Contractor requirements. The Contractor shall—

(1) Notify its employees and agents of—

(i) The United States Government’s policy prohibiting trafficking in persons, described in paragraph (b) of this clause; and

(ii) The actions that will be taken against employees or agents for violations of this policy. Such actions for employees may include, but are not limited to, removal from the contract, reduction in benefits, or termination of employment; and

(2) Take appropriate action, up to and including termination, against employees, agents, or subcontractors that violate the policy in paragraph (b) of this clause.

(d) Notification.

(1) The Contractor shall inform the Contracting Officer and the agency Inspector General immediately of—

(i) Any credible information it receives from any source (including host country law enforcement) that alleges a Contractor employee, subcontractor, subcontractor employee, or their agent has engaged in conduct that violates the policy; in in paragraph (b) of this clause (see also 18 U.S.C. 1351, Fraud in Foreign Labor Contracting, and 52.203-13(b)(3)(i)(A), if that clause is included in the solicitation or contract, which requires disclosure to the agency Office of the Inspector General when the Contractor has credible evidence of fraud); and
(ii) Any actions taken against a Contractor employee, subcontractor, or subcontractor employee, or their agent pursuant to this clause.

(2) If the allegation may be associated with more than one contract, the Contractor shall inform the contracting officer for the contract with the highest dollar value.

(e) Remedies. In addition to other remedies available to the Government, the Contractor's failure to comply with the requirements of paragraphs (c), (d), (g), (h) or (i) of this clause may result in—

(1) Requiring the Contractor to remove a Contractor employee or employees from the performance of the contract;

(2) Requiring the Contractor to terminate a subcontract;

(3) Suspension of contract payments until the Contractor has taken appropriate remedial action;

(4) Loss of award fee, consistent with the award fee plan, for the performance period in which the Government determined Contractor non-compliance;

(5) Declining to exercise available options under the contract;

(6) Termination of the contract for default or cause, in accordance with the termination clause of this contract; or

(7) Suspension or debarment.

(f) Mitigating and aggravating factors. When determining remedies, the Contracting Officer may consider the following:

(1) Mitigating factors. The Contractor had a Trafficking in Persons compliance plan or an awareness program at the time of the violation, was in compliance with the plan, and has taken appropriate remedial actions for the violation, that may include reparation to victims for such violations.

(2) Aggravating factors. The Contractor failed to abate an alleged violation or enforce the requirements of a compliance plan, when directed by the Contracting Officer to do so.

(g) Full cooperation.

(1) The Contractor shall, at a minimum-

(i) Disclose to the agency Inspector General information sufficient to identify the nature and extent of an offense and the individuals responsible for the conduct;

(ii) Provide timely and complete responses to Government auditors' and investigators' requests for documents;

(iii) Cooperate fully in providing reasonable access to its facilities and staff (both inside and outside the U.S.) to allow contracting agencies and other responsible Federal agencies to conduct audits, investigations, or other actions to ascertain compliance with the Trafficking Victims Protection Act of 2000 (22 U.S.C. chapter 78), E.O. 13627, or any other applicable law or regulation establishing restrictions on trafficking in persons, the procurement of commercial sex acts, or the use of forced labor; and

(iv) Protect all employees suspected of being victims of or witnesses to prohibited activities, prior to returning to the country from which the employee was recruited, and shall not prevent or hinder the ability of these employees from cooperating fully with Government authorities.

(2) The requirement for full cooperation does not foreclose any Contractor rights arising in law, the FAR, or the terms of the contract. It does not-

(i) Require the Contractor to waive its attorney-client privilege or the protections afforded by the attorney work product doctrine;

(ii) Require any officer, director, owner, employee, or agent of the Contractor, including a sole proprietor, to waive his or her attorney client privilege or Fifth Amendment rights; or
(iii) Restrict the Contractor from-
(A) Conducting an internal investigation; or
(B) Defending a proceeding or dispute arising under the contract or related to a potential or disclosed violation.

(h) Compliance plan.
(1) This paragraph (h) applies to any portion of the contract that-
(i) Is for supplies, other than commercially available off-the-shelf items, acquired outside the United States, or services to be performed outside the United States; and
(ii) Has an estimated value that exceeds $500,000.
(2) The Contractor shall maintain a compliance plan during the performance of the contract that is appropriate-
(i) To the size and complexity of the contract; and
(ii) To the nature and scope of the activities to be performed for the Government, including the number of non-United States citizens expected to be employed and the risk that the contract or subcontract will involve services or supplies susceptible to trafficking in persons.
(3) Minimum requirements. The compliance plan must include, at a minimum, the following:
(i) An awareness program to inform contractor employees about the Government’s policy prohibiting trafficking-related activities described in paragraph (b) of this clause, the activities prohibited, and the actions that will be taken against the employee for violations. Additional information about Trafficking in Persons and examples of awareness programs can be found at the website for the Department of State’s Office to Monitor and Combat Trafficking in Persons at http://www.state.gov/j/tip/.
(ii) A process for employees to report, without fear of retaliation, activity inconsistent with the policy prohibiting trafficking in persons, including a means to make available to all employees the hotline phone number of the Global Human Trafficking Hotline at 1-844-888-FREE and its email address at help@befree.org.
(iii) A recruitment and wage plan that only permits the use of recruitment companies with trained employees, prohibits charging recruitment fees to the employee, and ensures that wages meet applicable host-country legal requirements or explains any variance.
(iv) A housing plan, if the Contractor or subcontractor intends to provide or arrange housing, that ensures that the housing meets host-country housing and safety standards.
(v) Procedures to prevent agents and subcontractors at any tier and at any dollar value from engaging in trafficking in persons (including activities in paragraph (b) of this clause) and to monitor, detect, and terminate any agents, subcontracts, or subcontractor employees that have engaged in such activities.
(4) Posting.
(i) The Contractor shall post the relevant contents of the compliance plan, no later than the initiation of contract performance, at the workplace (unless the work is to be performed in the field or not in a fixed location) and on the Contractor's Web site (if one is maintained). If posting at the workplace or on the Web site is impracticable, the Contractor shall provide the relevant contents of the compliance plan to each worker in writing.
(ii) The Contractor shall provide the compliance plan to the Contracting Officer upon request.
(5) Certification. Annually after receiving an award, the Contractor shall submit a certification to the Contracting Officer that-
It has implemented a compliance plan to prevent any prohibited activities identified at paragraph (b) of this clause and to monitor, detect, and terminate any agent, subcontract or subcontractor employee engaging in prohibited activities; and

(ii) After having conducted due diligence, either-

(A) To the best of the Contractor's knowledge and belief, neither it nor any of its agents, subcontractors, or their agents is engaged in any such activities; or

(B) If abuses relating to any of the prohibited activities identified in paragraph (b) of this clause have been found, the Contractor or subcontractor has taken the appropriate remedial and referral actions.

(i) **Subcontracts.**

(1) The Contractor shall include the substance of this clause, including this paragraph (f), in all subcontracts and in all contracts with agents. The requirements in paragraph (h) of this clause apply only to any portion of the subcontract that-

(A) Is for supplies, other than commercially available off-the-shelf items, acquired outside the United States, or services to be performed outside the United States; and

(B) Has an estimated value that exceeds $500,000.

(2) If any subcontractor is required by this clause to submit a certification, the Contractor shall require submission prior to the award of the subcontract and annually thereafter. The certification shall cover the items in paragraph (h)(5) of this clause.

**SECTION 5.72**

**BASIC SAFEGUARDING OF COVERED CONTRACTOR INFORMATION SYSTEMS (JUN 2016) (FAR 52.204-21)**

(a) **Definitions.** As used in this clause Covered contractor information system means an information system that is owned or operated by a contractor that processes, stores, or transmits Federal contract information.

Federal contract information means information, not intended for public release, that is provided by or generated for the Government under a contract to develop or deliver a product or service to the Government, but not including information provided by the Government to the public (such as on public Web sites) or simple transactional information, such as necessary to process payments.

Information means any communication or representation of knowledge such as facts, data, or opinions, in any medium or form, including textual, numerical, graphic, cartographic, narrative, or audiovisual (Committee on National Security Systems Instruction (CNSSI) 4009).

Information system means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information (44 U.S.C. 3502).

Safeguarding means measures or controls that are prescribed to protect information systems.

(b) **Safeguarding requirements and procedures.** (1) The Contractor shall apply the following basic safeguarding requirements and procedures to protect covered contractor information systems. Requirements and procedures for basic safeguarding of covered contractor information systems shall include, at a minimum, the following security controls:
(i) Limit information system access to authorized users, processes acting on behalf of authorized users, or devices (including other information systems).

(ii) Limit information system access to the types of transactions and functions that authorized users are permitted to execute.

(iii) Verify and control/limit connections to and use of external information systems.

(iv) Control information posted or processed on publicly accessible information systems.

(v) Identify information system users, processes acting on behalf of users, or devices.

(vi) Authenticate (or verify) the identities of those users, processes, or devices, as a prerequisite to allowing access to organizational information systems.

(vii) Sanitize or destroy information system media containing Federal Contract Information before disposal or release for reuse.

(viii) Limit physical access to organizational information systems, equipment, and the respective operating environments to authorized individuals.

(ix) Escort visitors and monitor visitor activity; maintain audit logs of physical access; and control and manage physical access devices.

(x) Monitor, control, and protect organizational communications (i.e., information transmitted or received by organizational information systems) at the external boundaries and key internal boundaries of the information systems.

(xi) Implement subnetworks for publicly accessible system components that are physically or logically separated from internal networks.

(xii) Identify, report, and correct information and information system flaws in a timely manner.

(xiii) Provide protection from malicious code at appropriate locations within organizational information systems.

(xiv) Update malicious code protection mechanisms when new releases are available.

(xv) Perform periodic scans of the information system and real-time scans of files from external sources as files are downloaded, opened, or executed.

(2) Other requirements. This clause does not relieve the Contractor of any other specific safeguarding requirements specified by Federal agencies and departments relating to covered contractor information systems generally or other Federal safeguarding requirements for controlled unclassified information (CUI) as established by Executive Order 13556.

(c) Subcontracts. The Contractor shall include the substance of this clause, including this paragraph (c), in subcontracts under this contract (including subcontracts for the acquisition of commercial items, other than commercially available off-the-shelf items), in which the subcontractor may have Federal contract information residing in or transiting through its information system.
SECTION 5.73
PROHIBITION ON REQUIRING CERTAIN INTERNAL CONFIDENTIALITY AGREEMENTS OR STATEMENTS (JAN 2017) (FAR 52.203-19)

(a) Definitions. As used in this clause–

“Internal confidentiality agreement or statement” means a confidentiality agreement or any other written statement that the contractor requires any of its employees or subcontractors to sign regarding nondisclosure of contractor information, except that it does not include confidentiality agreements arising out of civil litigation or confidentiality agreements that contractor employees or subcontractors sign at the behest of a Federal agency.

“Subcontract” means any contract as defined in subpart 2.1 entered into by a subcontractor to furnish supplies or services for performance of a prime contract or a subcontract. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

“Subcontractor” means any supplier, distributor, vendor, or firm (including a consultant) that furnishes supplies or services to or for a prime contractor or another subcontractor.

(b) The Contractor shall not require its employees or subcontractors to sign or comply with internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or subcontractors from lawfully reporting waste, fraud, or abuse related to the performance of a Government contract to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information (e.g., agency Office of the Inspector General).

(c) The Contractor shall notify current employees and subcontractors that prohibitions and restrictions of any preexisting internal confidentiality agreements or statements covered by this clause, to the extent that such prohibitions and restrictions are inconsistent with the prohibitions of this clause, are no longer in effect.

(d) The prohibition in paragraph (b) of this clause does not contravene requirements applicable to Standard Form 312 (Classified Information Nondisclosure Agreement), Form 4414 (Sensitive Compartmented Information Nondisclosure Agreement), or any other form issued by a Federal department or agency governing the nondisclosure of classified information.

(e) In accordance with section 743 of Division E, Title VII, of the Consolidated and Further Continuing Appropriations Act, 2015, (Pub. L. 113-235), and its successor provisions in subsequent appropriations acts (and as extended in continuing resolutions) use of funds appropriated (or otherwise made available) is prohibited, if the Government determines that the Contractor is not in compliance with the provisions of this clause.

(f) The Contractor shall include the substance of this clause, including this paragraph (f), in subcontracts under such contracts.

APPENDIX C
FEHB Supplemental Literature Guidelines
(RV JAN 2016)

This is the primary guide a Carrier should use to assess whether the Carrier's supplemental marketing literature, including website material, complies with FEHBAR 1603.70, Misleading, Deceptive or Unfair Advertising. (Use the NAIC Guidelines for additional guidance when needed.)

a) GENERAL
1. Section 1.13 of the FEHB contract requires that the Carrier may not distribute or display marketing materials or other supplemental literature (including provider directories) in a Federal or Tribal Employer facility or arrange for the distribution of such documents by Federal agencies or Tribal Employers unless the documents have been prepared in accordance with FEHBAR 1652.203-70, and the Carrier has certified to OPM that is the case.
2. Review supplemental marketing material for compliance each year, whether or not it changed from the past year.
3. Word the literature simply and concisely to get a readily understandable, attractive marketing piece.
4. Include sufficient detail to ensure accuracy.
5. Under the FEHBP, the FEHB brochure is based on text approved by OPM and is a complete statement of benefits, limitations, and exclusions. Include the following statement (website material should include the statement as a preface) in all supplemental literature which in any way discusses Plan benefits:

"This is a summary [or brief description] of the features of the [insert Plan's name]. Before making a final decision, please read the Plan's Federal brochure ([insert brochure number]). All benefits are subject to the definitions, limitations, and exclusions set forth in the Federal brochure."
6. You may include non-FEHBP benefits, i.e., benefits which are not FEHB benefits and are not guaranteed under the Federal contract with the following disclaimer:

"These benefits are neither offered nor guaranteed under contract with the FEHB Program, but are made available to all Enrollees and family members who become members of [insert Plan's name]."
7. Supplemental literature must be clearly distinguishable from the Federal brochure.
8. Do not use the FEHB logo in your supplemental literature.
9. Do not use material which conflicts with the Federal brochure. If your material conflicts, you must change the material or not distribute it.

b) RATE PRESENTATIONS
Under the FEHBP there are only three categories of enrollment, Self Only, Self Plus One, and Self and Family. For most enrollments, the premium for each enrollee's enrollment is shared between the enrollee and the Government or Tribal Employer. The Government or Tribal Employer contribution is based on the formula provided in the FEHB law. Deductions for most enrollees' share, along with the Government's contribution or Tribal Employer’s contribution, are made in accordance with the schedule on which the employee, Tribal Employee, or annuitant's (retiree) salary or annuitant check is issued by the Enrollee's agency, Tribal Employer, or annuitant’s system. Most employees are paid biweekly. Annuitants are issued monthly checks.
Employees, Tribal Employees, and annuitants do not have separate categories of enrollment. They pay the same rates, whether on a biweekly, semimonthly, or monthly basis, and receive the same benefits when they are in the same FEHB Plan, except that active Postal employees pay a lesser share, as their cost sharing formula with the Postal Service calls for a greater Government contribution.

The Enrollee's share for each FEHB Plan for each type of enrollment (Self Only, Self Plus One, and Self and Family) can be found on the FEHB Program website. Biweekly and monthly rates are also shown on an insert you prepare for your brochure.

In making your rate presentations:
1. With the exception of the Summary of Benefits and Coverage referenced at section 1.13(e), list your FEHB rates in each piece of supplemental material which lists benefits. Do not list the rates of any competitor Plan.
2. Immediately above the rates include the following statement: "These rates do not apply to all Enrollees. If you are in a special enrollment category, please refer to the FEHB Program website or contact the agency or Tribal Employer which maintains your health benefits enrollment."
3. If you wish to list Postal rates in addition to non-Postal rates, Postal and non-Postal rates should be clearly identified and listed separately. (Please note there are no monthly Postal rates; upon retirement, Postal employees receive the non-postal contribution.)

**c) BENEFIT PRESENTATIONS**

Please note the following:
1. Do not compare your benefits or operations with that of any other Plan.
2. Accurately describe your FEHB benefits offering.
3. Avoid incomplete or overstated benefit descriptions, or those which conflict with the Federal brochure.
4. Show applicable coverage limitations, such as day or dollar limitations, coinsurance or deductibles.
5. Do not list exclusions and limitations not listed in the Federal brochure.
6. Do not include general references not in the brochure.
7. Do not reference coverage for which a Federal employee, Tribal Employee, or retiree would have to drop FEHB coverage. Exception: 5 CFR 890.301 provides that an annuitant or former spouse, as defined in 5 U.S.C. 8901(10), who cancels FEHBP enrollment for the purpose of enrolling in a prepaid health Plan under sections 1833 or 1876 of the Social Security Act may register to re-enroll. Therefore, if yours is such a prepaid Plan contracting with Medicare you must describe your Medicare supplemental program for Medicare-covered retirees.

**d) ENROLLMENT INSTRUCTIONS**

Enrollment under the FEHBP is governed solely by the Federal Employees Health Benefits law and applicable regulations. The various Federal agencies and Tribal Employers have responsibility for administering the law and regulations during the annual open enrollment period (Open Season) and at all other times during the year. Agency and Tribal Employer personnel offices perform the basic health benefits functions, such as instructing employees about the conduct of the Open Season and other health benefits matters, answering employee questions, and processing elections and changes of enrollment, including determinations of eligibility and assignment of effective dates of coverage. Agency and Tribal Employer payroll offices make the necessary salary deductions.

The Federal instrument for electing to enroll in a Plan or changing an existing
enrollment in a Plan from Self Only, Self Plus One, or Self and Family to another category of enrollment is the Standard Form (SF) 2809, or alternative electronic or telephonic method approved by OPM. Carriers must be able to accept electronic file transfers. The effective date for Open Season enrollments is the first day of the first pay period which begins on or after January 1 for employees and Tribal Employees; the effective date generally is January 1 for annuitants. The specific effective date for an individual will be assigned by the individual's personnel office.

Covered family members are as defined in the FEHB regulations. Basically, family members are immediate family members, including spouse and children under age 26. When Self and Family coverage is established for an individual, all family members as defined under the regulations are automatically covered as of the effective date assigned by the personnel office, whether or not they are listed on the SF 2809, on other documents, or communicated by electronic or telephonic transmittal. Family members (e.g., newborns) who are added under an existing Self and Family enrollment are automatically covered from the date the individual becomes a family member, e.g., from birth. Personnel offices do not issue any notification when a new dependent is added under an existing Self and Family enrollment and the Enrollee does not submit a new SF 2809 or other election instrument. For a Self Plus One enrollment, the Carrier is required to receive an SF 2809 from the personnel office with enrollment information about the designated covered family member. If an employee wishes to change the designated covered family member to another eligible family member, the Carrier is required to receive a new SF 2809 from the personnel office with enrollment information about the new designated covered family member.

The agencies and Tribal Employers are the primary contact point for employees and Tribal Employees on health benefits enrollment matters. OPM's Office of Retirement Programs performs this function for annuitants (retirees). As highlighted below, Carriers may not impose their own enrollment requirements and procedures.

1. Do not give specific instructions on enrollment.
2. While the Carrier may ask Enrollees for information (see Section f) and may follow-up with Enrollees and, when necessary, the employing office, the Carrier will not require a member complete plan specific enrollment or application forms. (You may ask the Enrollee to complete "information" forms.) You may ask the Enrollee to keep you advised of family member changes and you may verify the change, but failure to complete a form does not render an eligible family member ineligible.
3. Personnel offices will not stock your Plan's forms. Do not indicate otherwise.
4. If supplemental literature is directed to potential members rather than just-enrolled members, do not include statements indicating otherwise.
5. Again, the Federal brochure, rather than any other plan document, is the member's complete statement of benefits. Do not indicate otherwise.

e) PROVIDER DIRECTORIES

The provider directory must conform to the requirements listed below. Carriers must provide access to the provider directory on their website and send a provider directory to any Enrollee who requests one.

Please note that a Federal employee, Tribal Employee, or annuitant choosing your Plan during the Open Season is doing so with the expectation that the Plan's provider directory is accurate and that providers shown will be available starting January 1.

1. Show the Plan's hospitals, individual physicians, and group practice medical facilities. State the addresses of the medical facilities and show the general location within the service area for individual doctors and hospitals.
2. In the directory, display prominently the following statement: "It is important to know when you enroll in this Plan, benefits are available as described in the Plan’s Federal brochure, but the continued participation of any one doctor, hospital or other provider cannot be guaranteed."

3. Do not list enrollment or eligibility requirements on the provider directory.

f) INFORMATION FORMS

You may distribute forms to obtain information from Enrollees about the Enrollee and any family members. For instance, to obtain the information regarding Medicare you will need for rate-setting purposes under the Federal Program, you may ask who is enrolled under Medicare Part A, Medicare Part B or Medicare Parts A and B. For another example, you may ask that a primary care doctor be selected. If you wish to distribute an information form, you may find such forms are more readily returned if they are postage-paid. If the Member must select a medical group or independent physician association, also provide space for the Member to make such a selection. Do not indicate enrollment in the Plan is contingent upon completing and returning the form.
APPENDIX D
RULES FOR COORDINATION OF BENEFITS
Model Regulation Service--October 2013
National Association of Insurance Commissioners

When a person is covered by two (2) or more plans, the rules for determining the order of benefit payments are as follows:

A. (1) The primary plan shall pay or provide its benefits as if the secondary plan or plans did not exist.

(2) If the primary plan is a closed panel plan and the secondary plan is not a closed panel plan, the secondary plan shall pay or provide benefits as if it were the primary plan when a covered person uses a non-panel provider, except for emergency services or authorized referrals that are paid or provided by the primary plan.

(3) When multiple contracts providing coordinated coverage are treated as a single plan under this regulation, this section applies only to the plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one Carrier pays or provides benefits under the plan, the Carrier designated as primary within the plan shall be responsible for the plan’s compliance with this regulation.

(4) If a person is covered by more than one secondary plan, the order of benefit determination rules of this regulation decide the order in which secondary plans benefits are determined in relation to each other. Each secondary plan shall take into consideration the benefits of the primary plan or plans and the benefits of any other plan, which, under the rules of this regulation, has its benefits determined before those of that secondary plan.

B. (1) Except as provided in Paragraph (2), a plan that does not contain order of benefit determination provisions that are consistent with this regulation is always the primary plan unless the provisions of both plans, regardless of the provisions of this paragraph, state that the complying plan is primary.

Drafting Note: The medical benefits coverage in automobile “no fault” and traditional automobile “fault” type contracts (often referred to as “med pay”), which is included in the definition of “plan” under Section 3K(3) of this model regulation, does not normally contain order of benefit determinations provisions. As such, unless state law or regulation specifies otherwise, in accordance with paragraph (1), such coverage would be primary. Med pay coverage is not liability coverage and is not dependent upon fault.
(2) Coverage that is obtained by virtue of membership in a group and designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a closed panel plan to provide out-of-network benefits.

C. A plan may take into consideration the benefits paid or provided by another plan only when, under the rules of this regulation, it is secondary to that other plan.

D. Order of Benefit Determination

Each plan determines its order of benefits using the first of the following rules that applies:

(1) Non-Dependent or Dependent

(a) Subject to Subparagraph (b) of this paragraph, the plan that covers the person other than as a dependent, for example as an employee, member, subscriber, policyholder or retiree, is the primary plan and the plan that covers the person as a dependent is the secondary plan.

(b) (i) If the person is a Medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, Medicare is:

(I) Secondary to the plan covering the person as a dependent; and

(II) Primary to the plan covering the person as other than a dependent (e.g. a retired employee),

(ii) Then the order of benefits is reversed so that the plan covering the person as an employee, member, subscriber, policyholder or retiree is the secondary plan and the other plan covering the person as a dependent is the primary plan.

Drafting Note: The provisions of Subparagraph (b) address the situation where federal law requires Medicare to be secondary with respect to group health plans in certain situations despite state law order of benefit determination provisions to the contrary. One example of this type of situation arises when a person, who is a Medicare beneficiary, is also covered under his or her own group health plan as a retiree and under a group health plan as a dependent of an active employee. In this situation, each of the three plans is secondary to the other as the following illustrates: (1) Medicare is secondary to the group health plan covering the person as a dependent of an active employee as required pursuant to the Medicare secondary payer rules; (2) the group health plan covering the person as a dependent of an active employee is secondary to the group health plan covering the person as a retiree, as required under Subparagraph (a); and (3) the group health plan covering the
claimant as retiree is secondary to Medicare because the plan is designed to supplement Medicare when Medicare is the primary plan. Subparagraph (b) resolves this problem by making the group health plan covering the person as a dependent of an active employee the primary plan. The dependent coverage pays before the non-dependent coverage even though under state law order of benefit determination provisions in the absence of Subparagraph (b), the non-dependent coverage (e.g. retiree coverage) would be expected to pay before the dependent coverage. Therefore, in cases that involve Medicare, generally, the dependent coverage pays first as the primary plan, Medicare pays second as the secondary plan, and the non-dependent coverage (e.g. retiree coverage) pays third.

The reason why Subparagraph (b) provides for this order of benefits making the plan covering the person as dependent of an active employee primary is because Medicare will not be primary in most situations to any coverage that a dependent has on the basis of active employment and, as such, Medicare will not provide any information as to what Medicare would have paid had it been primary. The plan covering the person as a retiree cannot determine its payment as a secondary plan unless it has information about what the primary plan paid. The plan covering the person as a dependent of an active employee could be subject to penalties under the Medicare secondary payer rules if it refuses to pay its benefits. The plan covering the person as a retiree is not subject to the same penalties because, in this particular situation, as described above, which does not involve a person eligible for Medicare based on end-stage renal disease (ESRD), the plan can never be primary to Medicare. As such, out of the three plans providing coverage to the person, the plan covering the person as a dependent of an active employee can determine its benefits most easily.

(2) Dependent Child Covered Under More Than One Plan

Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

(i) The plan of the parent whose birthday falls earlier in the calendar year is the primary plan; or

(ii) If both parents have the same birthday, the plan that has covered the parent longest is the primary plan.

(b) For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child’s health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with responsibility has no health care coverage for the dependent child’s health care expenses, but that parent’s spouse does, that parent’s spouse’s plan is the primary plan. This item shall not apply with respect to any plan year during which benefits
are paid or provided before the entity has actual knowledge of the court decree provision;

(ii) If a court decree states that both parents are responsible for the dependent child’s health care expenses or health care coverage, the provisions of Subparagraph (a) of this paragraph shall determine the order of benefits;

(iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) of this paragraph shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the child’s health care expenses or health care coverage, the order of benefits for the child are as follows:

(I) The plan covering the custodial parent;

(II) The plan covering the custodial parent’s spouse;

(III) The plan covering the non-custodial parent; and then

(IV) The plan covering the non-custodial parent’s spouse.

(c) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under Subparagraph (a) or (b) of this paragraph as if those individuals were parents of the child.

**Drafting Note:** Subparagraph (c) addresses the situation where individuals other than the parents of a child are responsible for the child’s health care expenses or provide health care coverage for the child under each of their plans. In this situation, for the purpose of determining the order of benefits under this paragraph, Subparagraph (c) requires that these individuals be treated in the same manner as parents of the child.

(d) (i) For a dependent child who has coverage under either or both parents’ plans and also has his or her own coverage as a dependent under a spouse’s plan, the rule in Paragraph (5) applies.

(ii) In the event the dependent child’s coverage under the spouse’s plan began on the same date as the dependent child’s coverage under either or both parents’ plans, the order of benefits shall be determined by applying the birthday rule in Subparagraph (a) to the dependent child’s parents(s) and the dependent’s spouse.
(3) Active Employee or Retired or Laid-Off Employee

(a) The plan that covers a person as an active employee that is, an employee who is neither laid off nor retired or as a dependent of an active employee is the primary plan. The plan covering that same person as a retired or laid-off employee or as a dependent of a retired or laid-off employee is the secondary plan.

(b) If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored.

(c) This rule does not apply if the rule in Paragraph (1) can determine the order of benefits.

Drafting Note: This rule applies only in the situation when the same person is covered under two plans, one of which is provided on the basis of active employment and the other of which is provided to retired or laid-off employees. The rule in Paragraph (1) does not apply because the person is covered either as a non-dependent under both plans (i.e. the person is covered under one plan as an active employee and at the same time is covered as a retired or laid-off employee under the other plan) or as a dependent under both plans (i.e. the person is covered under one plan as a dependent of an active employee and at the same time is covered under the other plan as a dependent of a retired or laid-off employee). This rule does not apply when a person is covered under his or her own plan as an active employee or retired or laid-off employee and a dependent under a spouse’s plan provided to the spouse on the basis of active employment. In this situation, the rule in Paragraph (1) applies because the person is covered as a non-dependent under one plan (i.e. the person is covered as an active employee or retired or laid-off employee) and at the same time is covered as a dependent under the other plan (i.e. the person is covered as a dependent under a plan provided on the basis of active employment or a plan that is provided to retired or laid-off employees).

(4) COBRA or State Continuation Coverage

(a) If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the primary plan and the plan covering that same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan.

(b) If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.

(c) This rule does not apply if the rule in Paragraph (1) can determine the order of benefits.
Drafting Note: COBRA originally provided that coverage under a new group health plan caused the COBRA coverage to end. An amendment passed as part of P.L. 101-239, the Omnibus Budget Reconciliation Act of 1989 (OBRA 89), allows the COBRA coverage to continue if the newly acquired group health plan contains any preexisting condition exclusion or limitation. In this instance two group health plans will cover the person, and the rule above will be used to determine which of the plans determines its benefits first. In addition, some states have continuation provisions comparable to COBRA.

Drafting Note: This rule applies only in the situation when a person has coverage pursuant to COBRA or under a right of continuation pursuant to state or other federal law and has coverage under another plan on the basis of employment. The rule under Paragraph (1) does not apply because the person is covered either: (a) as a non-dependent under both plans (i.e. the person is covered under a right of continuation as a qualified beneficiary who, on the day before a qualifying event, was covered under the group health plan as an employee or as a retired employee and is covered under his or her own plan as an employee, member, subscriber or retiree); or (b) as a dependent under both plans (i.e. the person is covered under a right of continuation as a qualified beneficiary who, on the day before a qualifying event, was covered under the group health plan as a dependent of an employee, member or subscriber or retired employee and is covered under the other plan as a dependent of an employee, member, subscriber or retiree). The rule under Paragraph (1) applies when the person is covered pursuant to COBRA or under a right of continuation pursuant to state or other federal law as a non-dependent and covered under the other plan as a dependent of an employee, member, subscriber or retiree. The rule in this paragraph does not apply because the person is covered as a non-dependent under one of the plans and as a dependent under the other plan.

(5) Longer or Shorter Length of Coverage

(a) If the preceding rules do not determine the order of benefits, the plan that covered the person for the longer period of time is the primary plan and the plan that covered the person for the shorter period of time is the secondary plan.

(b) To determine the length of time a person has been covered under a plan, two successive plans shall be treated as one if the covered person was eligible under the second plan within twenty-four (24) hours after coverage under the first plan ended.

(c) The start of a new plan does not include:

(i) A change in the amount or scope of a plan’s benefits;

(ii) A change in the entity that pays, provides or administers the plan’s benefits; or

(iii) A change from one type of plan to another, such as, from a single employer plan to a multiple employer plan.
(d) The person’s length of time covered under a plan is measured from the person’s first date of coverage under that plan. If that date is not readily available for a group plan, the date the person first became a member of the group shall be used as the date from which to determine the length of time the person’s coverage under the present plan has been in force.

(6) If none of the preceding rules determines the order of benefits, the allowable expenses shall be shared equally between the plans.
APPENDIX E
Small Business Subcontracting Plan (JAN 2017)

(a) This clause does not apply to small business concerns.
(b) Definitions. As used in this clause—

“Alaska Native Corporation (ANC)” means any Regional Corporation, Village Corporation, Urban Corporation, or Group Corporation organized under the laws of the State of Alaska in accordance with the Alaska Native Claims Settlement Act, as amended (43 U.S.C. 1601, et seq.) and which is considered a minority and economically disadvantaged concern under the criteria at 43 U.S.C. 1626(e)(1). This definition also includes ANC direct and indirect subsidiary corporations, joint ventures, and partnerships that meet the requirements of 43 U.S.C. 1626(e)(2).

“Commercial item” means a product or service that satisfies the definition of commercial item in section 2.101 of the Federal Acquisition Regulation.

“Commercial plan” means a subcontracting plan (including goals) that covers the offeror’s fiscal year and that applies to the entire production of commercial items sold by either the entire company or a portion thereof (e.g., division, plant, or product line).

“Indian tribe” means any Indian tribe, band, group, pueblo, or community, including native villages and native groups (including corporations organized by Kenai, Juneau, Sitka, and Kodiak) as defined in the Alaska Native Claims Settlement Act (43 U.S.C.A. 1601 et seq.), that is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs in accordance with 25 U.S.C. 1452(c). This definition also includes Indian-owned economic enterprises that meet the requirements of 25 U.S.C. 1452(e).

“Individual subcontracting plan” means a subcontracting plan that covers the entire contract period (including option periods), applies to a specific contract, and has goals that are based on the offeror’s planned subcontracting in support of the specific contract, except that indirect costs incurred for common or joint purposes may be allocated on a prorated basis to the contract.

“Master subcontracting plan” means a subcontracting plan that contains all the required elements of an individual subcontracting plan, except goals, and may be incorporated into individual subcontracting plans, provided the master plan has been approved.

“Reduced payment” means a payment that is for less than the amount agreed upon in a subcontract in accordance with its terms and conditions, for supplies and services for which the Government has paid the prime contractor.

“Subcontract” means any agreement (other than one involving an employer-employee relationship) entered into by a Federal Government prime Contractor or subcontractor calling for supplies or services required for performance of the contract or subcontract.

“Total contract dollars” means the final anticipated dollar value, including the dollar value of all options.

“Untimely payment” means a payment to a subcontractor that is more than 90 days past due under the terms and conditions of a subcontract for supplies and services for which the Government has paid the prime contractor.

(c) (1) The Offeror, upon request by the Contracting Officer, shall submit and negotiate a subcontracting plan, where applicable, that separately addresses subcontracting with small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business.
concerns. If the Offeror is submitting an individual subcontracting plan, the plan must separately address subcontracting with small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns, with a separate part for the basic contract and separate parts for each option (if any). The subcontracting plan shall be included in and made a part of the resultant contract. The subcontracting plan shall be negotiated within the time specified by the Contracting Officer. Failure to submit and negotiate the subcontracting plan shall make the Offeror ineligible for award of a contract.

2)(i) The Contractor may accept a subcontractor’s written representations of its size and socioeconomic status as a small business, small disadvantaged business, veteran-owned small business, service-disabled veteran-owned small business, or a women-owned small business if the subcontractor represents that the size and socioeconomic status representations with its offer are current, accurate, and complete as of the date of the offer for the subcontract.

(ii) The Contractor may accept a subcontractor’s representations of its size and socioeconomic status as a small business, small disadvantaged business, veteran-owned small business, service-disabled veteran-owned small business, or a women-owned small business in the System for Award Management (SAM) if—

(A) The subcontractor is registered in SAM; and

(B) The subcontractor represents that the size and socioeconomic status representations made in SAM are current, accurate and complete as of the date of the offer for the subcontract.

(iii) The Contractor may not require the use of SAM for the purposes of representing size or socioeconomic status in connection with a subcontract.

(iv) In accordance with 13 CFR 121.411, 124.1015, 125.29, 126.900, and 127.700, a contractor acting in good faith is not liable for misrepresentations made by its subcontractors regarding the subcontractor's size or socioeconomic status.

(d) The offeror’s subcontracting plan shall include the following:

(1) Separate goals, expressed in terms of total dollars subcontracted, and as a percentage of total planned subcontracting dollars, for the use of small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns as subcontractors. For individual subcontracting plans, and if required by the Contracting Officer, goals shall also be expressed in terms of percentage of total contract dollars, in addition to the goals expressed as a percentage of total subcontract dollars. The offeror shall include all subcontracts that contribute to contract performance, and may include a proportionate share of products and services that are normally allocated as indirect costs. In accordance with 43 U.S.C. 1626—

(i) Subcontracts awarded to an ANC or Indian tribe shall be counted towards the subcontracting goals for small business and small disadvantaged business concerns, regardless of the size or Small Business Administration certification status of the ANC or Indian tribe; and

(ii) Where one or more subcontractors are in the subcontract tier between the prime Contractor and the ANC or Indian tribe, the ANC or Indian tribe shall designate the appropriate Contractor(s) to count the subcontract towards its small business and small disadvantaged business subcontracting goals.

(A) In most cases, the appropriate Contractor is the Contractor that awarded the subcontract to the ANC or Indian tribe.

(B) If the ANC or Indian tribe designates more than one Contractor to count the subcontract toward its goals, the ANC or Indian tribe shall designate only a portion of the total subcontract award to each Contractor. The sum of the amounts designated to various Contractors cannot exceed the total value of the subcontract.
(C) The ANC or Indian tribe shall give a copy of the written designation to the Contracting Officer, the prime Contractor, and the subcontractors in between the prime Contractor and the ANC or Indian tribe within 30 days of the date of the subcontract award.

(D) If the Contracting Officer does not receive a copy of the ANC’s or the Indian tribe’s written designation within 30 days of the subcontract award, the Contractor that awarded the subcontract to the ANC or Indian tribe will be considered the designated Contractor.

(2) A statement of—
(i) Total dollars planned to be subcontracted for an individual subcontracting plan; or the Offeror’s total projected sales, expressed in dollars, and the total value of projected subcontracts to support the sales for a commercial plan;
(ii) Total dollars planned to be subcontracted to small business concerns (including ANC and Indian tribes); and
(iii) Total dollars planned to be subcontracted to veteran-owned small business concerns;
(iv) Total dollars planned to be subcontracted to service-disabled veteran-owned small business;
(v) Total dollars planned to be subcontracted to HUBZone small business concerns;
(vi) Total dollars planned to be subcontracted to small disadvantaged business concerns; and
(vii) Total dollars planned to be subcontracted to women-owned small business concerns.

(3) A description of the principal types of supplies and services to be subcontracted, and an identification of the types planned for subcontracting to—
(i) Small business concerns;
(ii) Veteran-owned small business concerns;
(iii) Service-disabled veteran-owned small business concerns;
(iv) HUBZone small business concerns;
(v) Small disadvantaged business concerns; and
(vi) Women-owned small business concerns.

(4) A description of the method used to develop the subcontracting goals in paragraph (d)(1) of this clause.

(5) A description of the method used to identify potential sources for solicitation purposes (e.g., existing company source lists, SAM, veterans service organizations, the National Minority Purchasing Council Vendor Information Service, the Research and Information Division of the Minority Business Development Agency in the Department of Commerce, or small, HUBZone, small disadvantaged, and women-owned small business trade associations). A firm may rely on the information contained in SAM as an accurate representation of a concern’s size and ownership characteristics for the purposes of maintaining a small, veteran-owned small, service-disabled veteran-owned small, HUBZone small, small disadvantaged, and women-owned small business source list. Use of SAM as its source list does not relieve a firm of its responsibilities (e.g., outreach, assistance, counseling, or publicizing subcontracting opportunities) in this clause.

(6) A statement as to whether or not the Offeror included indirect costs in establishing subcontracting goals, and a description of the method used to determine the proportionate share of indirect costs to be incurred with—
(i) Small business concerns (including ANC and Indian tribes);
(ii) Veteran-owned small business concerns;
(iii) Service-disabled veteran-owned small business concerns;
(iv) HUBZone small business concerns;
(v) Small disadvantaged business concerns; and
(vi) Women-owned small business concerns.

(7) The name of the individual employed by the Offeror who will administer the Offeror’s subcontracting program, and a description of the duties of the individual.

(8) A description of the efforts the Offeror will make to assure that small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns have an equitable opportunity to compete for subcontracts.

(9) Assurances that the Offeror will include the clause of this contract entitled “Utilization of Small Business Concerns” in all subcontracts that offer further subcontracting opportunities, and that the Offeror will require all subcontractors (except small business concerns) that receive subcontracts in excess of $700,000 ($1.5 million for construction of any public facility) with further subcontracting possibilities to adopt a subcontracting plan that complies with the requirements of this clause.

(10) Assurances that the Offeror will—

(i) Cooperate in any studies or surveys as may be required;

(ii) Submit periodic reports so that the Government can determine the extent of compliance by the Offeror with the subcontracting plan;

(iii) Submit Standard Form (SF) 294 Subcontracting Report for Individual Contract in accordance with paragraph (l) of this clause. Submit the Summary Subcontract Report (SSR), in accordance with paragraph (l) of this clause. The reports shall provide information on subcontract awards to small business concerns (including ANCs and Indian tribes that are not small businesses), veteran-owned small business concerns, service-disabled veteran-owned small business concerns, HUBZone small business concerns, small disadvantaged business concerns (including ANCs and Indian tribes that have not been certified by the Small Business Administration as small disadvantaged businesses), women-owned small business concerns, and for NASA only, Historically Black Colleges and Universities and Minority Institutions. Reporting shall be in accordance with this clause, or as provided in agency regulations; and

(iv) Ensure that its subcontractors with subcontracting plans agree to submit the SF 294 in accordance with paragraph (l) of this clause. Ensure that its subcontractors with subcontracting plans agree to submit the SSR in accordance with paragraph (l) of this clause.

(vi) [RESERVED]; and

(vii) Require that each subcontractor with a subcontracting plan provide the prime contract number, its own DUNS number, and the e-mail address of the subcontractor’s official responsible for acknowledging receipt of or rejecting the ISRs, to its subcontractors with subcontracting plans.

(11) A description of the types of records that will be maintained concerning procedures that have been adopted to comply with the requirements and goals in the plan, including establishing source lists; and a description of the offeror’s efforts to locate small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns and award subcontracts to them. The records shall include at least the following (on a plant-wide or company-wide basis, unless otherwise indicated):

(i) Source lists (e.g., SAM), guides, and other data that identify small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns.

(ii) Organizations contacted in an attempt to locate sources that are small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business concerns.
(iii) Records on each subcontract solicitation resulting in an award of more than $150,000, indicating—
(A) Whether small business concerns were solicited and, if not, why not;
(B) Whether veteran-owned small business concerns were solicited and, if not, why not;
(C) Whether service-disabled veteran-owned small business concerns were solicited and, if not, why not;
(D) Whether HUBZone small business concerns were solicited and, if not, why not;
(E) Whether small disadvantaged business concerns were solicited and, if not, why not;
(F) Whether women-owned small business concerns were solicited and, if not, why not; and
(G) If applicable, the reason award was not made to a small business concern.

(iv) Records of any outreach efforts to contact—
(A) Trade associations;
(B) Business development organizations;
(C) Conferences and trade fairs to locate small, HUBZone small, small disadvantaged service-disabled veteran-owned, and women-owned small business sources; and
(D) Veterans service organizations.

(v) Records of internal guidance and encouragement provided to buyers through—
(A) Workshops, seminars, training, etc.; and
(B) Monitoring performance to evaluate compliance with the program’s requirements.

(vi) On a contract-by-contract basis, records to support award data submitted by the offeror to the Government, including the name, address, and business size of each subcontractor. Contractors having commercial plans need not comply with this requirement.

(12) Assurances that the Offeror will make a good faith effort to acquire articles, equipment, supplies, services, or materials, or obtain the performance of construction work from the small business concerns that it used in preparing the bid or proposal, in the same or greater scope, amount, and quality used in preparing and submitting the bid or proposal. Responding to a request for a quote does not constitute use in preparing a bid or proposal. The Offeror used a small business concern in preparing the bid or proposal if—
(i) The Offeror identifies the small business concern as a subcontractor in the bid or proposal or associated small business subcontracting plan, to furnish certain supplies or perform a portion of the subcontract; or
(ii) The Offeror used the small business concern’s pricing or cost information or technical expertise in preparing the bid or proposal, where there is written evidence of an intent or understanding that the small business concern will be awarded a subcontract for the related work if the Offeror is awarded the contract.

(13) Assurances that the Contractor will provide the Contracting Officer with a written explanation if the Contractor fails to acquire articles, equipment, supplies, services or materials or obtain the performance of construction work as described in (d)(12) of this clause. This written explanation must be submitted to the Contracting Officer within 30 days of contract completion.

(14) Assurances that the Contractor will not prohibit a subcontractor from discussing with the Contracting Officer any material matter pertaining to payment to or utilization of a subcontractor.

(15) Assurances that the Offeror will pay its small business subcontractors on time and in accordance with the terms and conditions of the underlying subcontract, and notify the
contracting officer when the prime contractor makes either a reduced or an untimely payment to a small business subcontractor (see 52.242-5).

(e) In order to effectively implement this plan to the extent consistent with efficient contract performance, the Contractor shall perform the following functions:

(1) Assist small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns by arranging solicitations, time for the preparation of bids, quantities, specifications, and delivery schedules so as to facilitate the participation by such concerns. Where the Contractor’s lists of potential small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business subcontractors are excessively long, reasonable effort shall be made to give all such small business concerns an opportunity to compete over a period of time.

(2) Provide adequate and timely consideration of the potentialities of small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns in all “make-or-buy” decisions.

(3) Counsel and discuss subcontracting opportunities with representatives of small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business firms.

(4) Confirm that a subcontractor representing itself as a HUBZone small business concern is certified by SBA as a HUBZone small business concern in accordance with 52.219-8(d)(2).

(5) Provide notice to subcontractors concerning penalties and remedies for misrepresentations of business status as small, veteran-owned small business, HUBZone small, small disadvantaged, or women-owned small business for the purpose of obtaining a subcontract that is to be included as part or all of a goal contained in the Contractor’s subcontracting plan.

(6) For all competitive subcontracts over the simplified acquisition threshold in which a small business concern received a small business preference, upon determination of the successful subcontract Offeror, prior to award of the subcontract the Contractor must inform each unsuccessful small business subcontract Offeror in writing of the name and location of the apparent successful Offeror and if the successful subcontract Offeror is a small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business concern.

(7) Assign each subcontract the NAICS code and corresponding size standard that best describes the principal purpose of the subcontract.

(f) A master subcontracting plan on a plant or division-wide basis that contains all the elements required by paragraph (d) of this clause, except goals, may be incorporated by reference as a part of the subcontracting plan required of the Offeror by this clause; provided—

(1) The master subcontracting plan has been approved;

(2) The Offeror ensures that the master subcontracting plan is updated as necessary and provides copies of the approved master subcontracting plan, including evidence of its approval, to the Contracting Officer; and

(3) Goals and any deviations from the master subcontracting plan deemed necessary by the Contracting Officer to satisfy the requirements of this contract are set forth in the individual subcontracting plan.

(g) A commercial plan is the preferred type of subcontracting plan for contractors furnishing commercial items. The commercial plan shall relate to the offeror’s planned subcontracting generally, for both commercial and Government business, rather than solely to the Government contract. Once the Contractor’s commercial plan has been approved, the
Government will not require another subcontracting plan from the same Contractor while the plan remains in effect, as long as the product or service being provided by the Contractor continues to meet the definition of a commercial item. A Contractor with a commercial plan shall comply with the reporting requirements stated in paragraph (d)(10) of this clause by submitting one SSR for all contracts covered by its commercial plan. This report shall be acknowledged or rejected by the Contracting Officer who approved the plan. This report shall be submitted within 30 days after the end of the Government’s fiscal year.

(h) Prior compliance of the offeror with other such subcontracting plans under previous contracts will be considered by the Contracting Officer in determining the responsibility of the offeror for award of the contract.

(i) A contract may have no more than one subcontracting plan. When a contract modification exceeds the subcontracting plan threshold in 19.702(a), or an option is exercised, the goals of the existing subcontracting plan shall be amended to reflect any new subcontracting opportunities. When the goals in a subcontracting plan are amended, these goal changes do not apply retroactively.

(j) Subcontracting plans are not required from subcontractors when the prime contract contains the clause at 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items, or when the subcontractor provides a commercial item subject to the clause at 52.244-6, Subcontracts for Commercial Items, under a prime contract.

(k) The failure of the Contractor or subcontractor to comply in good faith with—

(1) the clause of this contract entitled “Utilization Of Small Business Concerns,” or

(2) an approved plan required by this clause, shall be a material breach of the contract and may be considered in any past performance evaluation of the Contractor.

(l) The Contractor shall submit a SF 294. The Contractor shall submit SSRs using the web-based eSRS at http://www.esrs.gov. Purchases from a corporation, company, or subdivision that is an affiliate of the Contractor or subcontractor are not included in these reports. Subcontract awards by affiliates shall be treated as subcontract awards by the Contractor. Subcontract award data reported by the Contractor and subcontractors shall be limited to awards made to their immediate next-tier subcontractors. Credit cannot be taken for awards made to lower tier subcontractors, unless the Contractor or subcontractor has been designated to receive a small business or small disadvantaged business credit from an ANC or Indian tribe. Only subcontracts involving performance in the U.S. or its outlying areas should be included in these reports with the exception of subcontracts under a contract awarded by the State Department or any other agency that has statutory or regulatory authority to require subcontracting plans for subcontracts performed outside the United States and its outlying areas.

(1) SF 294. This report is not required for commercial plans. The report is required for each contract containing an individual subcontracting plan. For Contractors the report shall be submitted to the Contracting Officer, or as specified elsewhere in this contract. In the case of a subcontract with a subcontracting plan, the report shall be submitted to the entity that awarded the subcontract.

(i) The report shall be submitted semi-annually during contract performance for the periods ending March 31 and September 30. A report is also required for each contract within 30 days of contract completion. Reports are due 30 days after the close of each reporting period, unless otherwise directed by the Contracting Officer. Reports are required when due, regardless of whether there has been any subcontracting activity since the inception of the contract or the previous reporting period. When a Contracting Officer rejects a report, the Contractor shall submit a revised report within 30 days of receiving the notice of report rejection.
(ii) (A) When a subcontracting plan contains separate goals for the basic contract and each option, as prescribed by FAR 19.704(c), the dollar goal inserted on this report shall be the sum of the base period through the current option; for example, for a report submitted after the second option is exercised, the dollar goal would be the sum of the goals for the basic contract, the first option, and the second option.

(B) If a subcontracting plan has been added to the contract pursuant to 19.702(a)(3) or 19.301-2(e), the Contractor's achievements must be reported in the report on a cumulative basis from the date of incorporation of the subcontracting plan into the contract.

(2) SSR. (i) Reports submitted under individual contract plans.

(A) This report encompasses all subcontracting under prime contracts and subcontracts with an executive agency, regardless of the dollar value of the subcontracts. This report also includes indirect costs on a prorated basis when the indirect costs are excluded from the subcontracting goals.

(B) The report may be submitted on a corporate, company or subdivision (e.g., plant or division operating as a separate profit center) basis, unless otherwise directed by the agency.

(C) If the Contractor and/or a subcontractor is performing work for more than one executive agency, a separate report shall be submitted to each executive agency covering only that agency’s contracts, provided at least one of that agency’s contracts is over $700,000 (over $1.5 million for construction of a public facility) and contains a subcontracting plan. For DoD, a consolidated report shall be submitted for all contracts awarded by military departments/agencies and/or subcontracts awarded by DoD prime contractors.

(D) The report shall be submitted annually by October 30, for the twelve month period ending September 30. When a Contracting Officer rejects an SSR, the Contractor is required to submit a revised SSR within 30 days of receiving the notice of report rejection.

(E) Subcontract awards that are related to work for more than one executive agency shall be appropriately allocated.

(F) The authority to acknowledge or reject SSRs, including SSRs submitted by subcontractors with subcontracting plans, resides with the Government agency awarding the prime contracts unless stated otherwise in the contract.

(ii) Reports submitted under a commercial plan.

(A) The report shall include all subcontract awards under the commercial plan in effect during the Government's fiscal year and all indirect costs.

(B) The report shall be submitted annually, within 30 days after the end of the Government's fiscal year.

(C) If a Contractor has a commercial plan and is performing work for more than one executive agency, the Contractor shall specify the percentage of dollars attributable to each agency.

(D) The authority to acknowledge or reject SSRs for commercial plans resides with the Contracting Officer who approved the commercial plan.
