Dear FWaaS Offerors:

Re: *FOIA Workflow as a Service* (FWaaS) Platform Request for Proposal No. 70RDAD20R00000014 – Status Update & Proposal Validity Extension

The purpose of this posting is to provide an update to the FWaaS procurement. The Department of Homeland Security (DHS) continues to evaluate proposals in accordance with the terms of the FWaaS Platform solicitation (70RDAD20R00000014). The projected timeframe for award is Third Quarter of Fiscal Year 2021. The proposal validity period of each Offeror's proposal timely submitted by the RFP closing date and previously extended until April 1, 2021 must be further extended.

On or about March 29, 2021, the Government will directly email Offerors, as applicable, requesting that they extend the period of their proposal validity. Each Offeror will be blind copied on a single email distribution. The email will be distributed from the email account [Akilah.Bullock@hq.dhs.gov](mailto:Akilah.Bullock@hq.dhs.gov) to the Offeror's point of contact (POC) for each submitted proposal and/or other POC that the Prime Offeror listed to receive an update.

The request does not, in any way, represent a determination of proposal responsiveness, an evaluation of the proposal's contents, or eligibility for award.

Thank you for your continued interest & patience.

All inquiries regarding the FWaaS Platform RFP must be submitted in writing to the points of contact: [Akilah.Bullock@hq.dhs.gov](mailto:Akilah.Bullock@hq.dhs.gov), and [LaShonda.Keith@hq.dhs.gov](mailto:LaShonda.Keith@hq.dhs.gov).

Sincerely,
