DESCRIPTION/SPECIFICATIONS

Statement of Work: Professional Development Services

History of Requirements:

Navajo BIE has had specific, defined areas of focus, which are directly aligned to the Navajo District's priorities for improving instructional leadership and instructional practices. Professional development has focused on implementing Professional Learning Communities and Professional Learning Teams for the mission of supporting school improvement and the BIE's Strategic Direction.

In an effort to improve student outcomes and increase College and Career Readiness, Navajo BIE will implement a pilot program for six identified schools designed to implement the Marzano High Reliability Schools (HRS) Framework, a structured, systemic approach to school improvement. The High Reliability Schools Framework is a hierarchy of five progressive levels of school improvement:

- 1) Safe, Supportive, and Collaborative Culture
- 2) Effective Teaching in Every Classroom
- 3) Guaranteed and Viable Curriculum
- 4) Standards-Referenced Reporting
- 5) Competency-Based Education

The High Reliability Schools Framework directly aligns with BIE's Strategic Direction. Specifically, the pilot program will focus on HRS Level One, which supports BIE Strategic Goal Two: Wellness, Behavioral Health, and Safety. Additionally, the pilot program will focus on HRS Level Two, which supports BIE Strategic Goal Three: K-12 Instruction and High Academic Standards.

Period of Performance:

- October 2021 (3 Virtual 2 Hour Sessions) – Leading a High Reliability School with School Leadership Teams – all pilot schools combined
- November 2021 (6 Days onsite/virtual) – Becoming a High Reliability School with entire Instructional Staff – one day per pilot school
- December 2021 (6 Days onsite/virtual) – Becoming a Collaborative Team with entire Instructional Staff – one day per pilot school
- January 2022 (6 Days onsite/virtual) – The New Art and Science of Teaching with entire Instructional Staff – one day per pilot school

	Document No. 140A2321Q0717	Document Title Professional Development Services for Associate Deputy Director Navajo	Page 3 of 49
--	--------------------------------------	--	--------------

- February 2022 (6 Days onsite/virtual) – Becoming a Collaborative Team Part Two with entire Instructional Staff – one day per pilot school
- March 2022 (2.5 Days) – High Reliability Schools Summit with pilot Principals, Instructional Leaders, and Designated District Personnel
- April 2022 (12 Virtual 3 Hour Sessions) – The New Art and Science of Teaching with entire Instructional Staff – two sessions per pilot school
- 33.5 Days Total

Description of Services:

Professional Development consultants will use the HRS Framework to target four areas of focus:

- 1) Leading a High Reliability School
- 2) Becoming a High Reliability School
- 3) Collaborative Teams that Transform Schools
- 4) The New Art and Science of Teaching

Measurable Outcomes:

- School teams will complete Comprehensive Needs Assessments that align with the HRS Framework.

--	-------------------------------	---	--------------

- Vendor will collaborate with customer in creating and finalizing the agenda for each professional development session.
- Trainings to be provided face-to-face or virtual.

Mode of Support:

- In the Period of Performance Section, most of the sessions are listed as onsite/virtual. In those cases, the preferred mode of support is onsite, so proposals will need to reflect the cost of onsite support.
- In the event that onsite support is not feasible/advisable, then the support will occur in a virtual mode.
- Whenever virtual support is used in place of onsite support, the cost savings to BIE will be recompensed in the form of Books and other training materials for the participating schools.

(ii) A statement indicating the preference will be given to Indian organizations and Indian-owned economic enterprises in accordance with Section 7(b) of Public Law 93-638; (88 Stat. 2205; 25 U.S.C. 450e(b));

If one or more responsible bids are received, award shall be made to the low responsible bidder if the bid price is determined to be reasonable. If the low responsive bid is determined to be unreasonable as to price, the Offeror shall attempt to negotiate a reasonable price and award a subcontract. If a reasonable price cannot be agreed upon, the Offeror shall comply with the requirements of paragraph (d) of the “Indian Preference—Department of the Interior” clause of the contract.

(5) Maintain written records under this contract which indicate:

(i) The names and addresses of all Indians seeking employment for each employment position available under this contract;

(ii) The number and types of positions filled by Indians and non-Indians, and the name, address and position of each Indian employed under this contract;

(7) Records maintained pursuant to this clause will be kept available for review by the Government until expiration of one (1) year after final payment under this contract, or for such longer period as may be required by any other clause of this contract or by applicable law or regulation.

(3) "On or near an Indian Reservation" means on a reservation or reservations or within that area surrounding an Indian reservation(s) where a person seeking employment could reasonably be expected to commute to and from in the course of a work day.

(c) Nothing in the requirements of this clause shall be interpreted to preclude Indian Tribes from independently developing and enforcing their own Indian preference requirements. Such requirements must not hinder the Government's right to award contracts and to administer their provisions.

(d) The Offeror agrees to include the provisions of this clause including this paragraph (d) in each subcontract awarded under this contract and to notify the Contracting Officer of such subcontracts.

(e) In the event of noncompliance with this clause, the Offeror's right to proceed may be terminated in whole or in part by the Contracting Officer and the work completed in a manner determined by the Contracting Officer to be in the best interest of the Government.

DIAR 1452.280-2 Notice Of Indian Economic Enterprise Set-Aside (Jul 2013)

(a) Definitions as used in this clause.

Indian means a person who is a member of an Indian Tribe or “Native” as defined in the Alaska Native Claims Settlement Act (PL 92-203; 85 Stat. 688; 43 U.S.C. 1601).

Indian Economic Enterprise means any business activity owned by one or more Indians or Indian Tribes that is established for the purpose of profit, provided that:

(i) The combined Indian or Indian Tribe ownership shall constitute not less than 51 percent of the enterprise; (ii) the Indians or Indian Tribes shall, together, receive at least a majority of the earnings from the contract; and (iii) the management and daily business operations of an Indian economic enterprise must be controlled by one or more individuals who are members of an Indian Tribe. To ensure actual control over the enterprise, the individuals must possess requisite management or technical capabilities directly related to the primary industry in which the enterprise conducts business. The enterprise must meet these requirements throughout the following time periods:

- (1) At the time an offer is made in response to a written solicitation;
- (2) At the time of contract award; and,
- (3) During the full term of the contract.

Indian Tribe means an Indian Tribe, band, nation, or other recognized group or community which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, including any Alaska Native village, regional or village corporation established under the Alaska Native Claims Settlement Act (PL 92-203, 85 Stat. 688; 43 U.S.C. 1601).

(b) General.

- (1) Under the Buy Indian Act, offers are solicited only from Indian economic enterprises.

--	--------------------------------------	--	---------------

(c) Required Submissions. In response to this solicitation, an offeror must also provide the following:

- (3) A description of the method(s) of recruiting and training Indian employees, indicating the extent of soliciting employment of Indian persons, as required by DIAR 1452.226-70, Indian Preference, or DIAR 1452.226-71, Indian Preference Program, clause(s);
- (4) A description of how subcontractors (if any) will be selected in compliance with the "Indian Preference" or "Indian Preference Program" clause(s);
- (5) The names, addresses, and descriptions of work to be performed by Indian persons or economic enterprises being considered for subcontracts (if any) and the percentage of the total direct project work/costs they would be performing;
- (6) Qualifications of the key personnel (if any) that will be assigned to the contract; and
- (7) A description of method(s) for compliance with any supplemental Tribal employment preference requirements, if contained in this solicitation.

(d) Required Assurance. The offeror must provide written assurance to the Indian Affairs that it will comply, or has, complied fully with the requirements of this clause. It must do this before Indian Affairs awards the Buy Indian contract, and upon successful and timely completion of the contract, but before the Indian Affairs Contracting Officer (CO) accepts the work or product.

(e) Non-responsiveness. Failure to provide the information required by paragraphs (c) and (d) of this clause may cause Indian Affairs to find an offer non-responsive and to reject it.

(f) Eligibility.

(1) Participation in the Mentor-Protégé Program established under section 831 of the National Defense Authorization Act for Fiscal Year 1991 (25 U.S.C. 47 note) does not render an Indian economic enterprise ineligible for contracts awarded under the Buy Indian Act.

(2) If a contractor no longer meets the definition of an Indian economic enterprise after award, the contractor must notify the CO in writing. (B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent

tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

The offeror also requests that this information not be used in whole or part by the government for any purpose other than to evaluate the proposal, except that if a contract is awarded to the offeror as a result of or in connection with the submission of the proposal, the Government shall have the right to use the information to the extent provided in the contract.”

(c) The offeror shall also specifically identify trade secret information and confidential commercial and financial information on the pages of the proposal on which it appears and shall mark each such page with the following legend: “This page contains trade secrets or confidential commercial and financial information which the offeror believes to be exempt from disclosure under the Freedom of Information Act and which is subject to the legend contained on the cover page of this proposal.”

However, failure of an offeror to mark information contained in a proposal as trade secret information or confidential commercial or financial information will be treated by the Government as evidence that the information is not exempt from disclosure under the Freedom of Information Act, absent a showing that the failure to mark was due to unusual or extenuating circumstances, such as a showing that the offeror had intended to mark, but that markings were omitted from the offeror's proposal due to clerical error.

From: Contracting Officer

Re: Certification of vaccination for contractor employees working in any Federal building or Federally controlled indoor worksite

In order to take steps to prevent the spread of COVID-19 and to protect the health and safety of all Federal employees, onsite contractors, visitors to Federal buildings or Federally controlled indoor workspaces, and other individuals interacting with the Federal workforce, employees under the subject contract who are required to work on site in Federal buildings or Federally controlled indoor worksites must:

- Complete the attached form, *Certification of Vaccination*, prior to entering any Federal building or Federally controlled indoor worksite;
- Maintain this form during their time on Federal premises;
- Show this form upon entry to a Federal building or Federally controlled indoor worksite, even if they have badged access to the facility;
- Show this form and/or information from a health screening to a Federal employee who is supervising or managing their work on Federal premises if asked;
- Not enter any Federal building or Federally controlled indoor worksite if they do not have a completed form, even if they have badged access to the facility. If a contractor employee arrives at a Federal building or Federally controlled indoor worksite without the completed form, they must obtain a [blank form from this link](#) and fill it out. They must not enter until they complete the form; and
- Fully comply with DOI policy regarding masking, social distancing, and testing while in the facility.
 - In areas of high or substantial transmission, as defined by CDC, everyone—including fully vaccinated people—must wear a mask indoors when not alone in their office, consistent with federal requirements.
 - In areas of low or moderate transmission, fully vaccinated people generally can safely participate in most activities, indoor or outdoor, without needing to wear a mask or maintain physical distance, and do not need to undertake regular testing.
 - Individuals who are not fully vaccinated or those who decline to respond must:
 - Wear a mask regardless of the level of community transmission;
 - Physically distance; and
 - Provide proof of having received a negative COVID-19 test from within the previous 3 days. Costs incurred as a result of testing shall not be reimbursed by the Government.

If a contractor employee fails to complete the signed attestation or obtain a required negative COVID-19 test, they may be denied entry to a Federal facility. The attestation form shall be completed under penalty of perjury, and a knowing and willful false statement on the form can be punished by fine or imprisonment or both (18 U.S.C. 1001) or could result in additional administrative action up to and including removal from the contract.

Contractors must disseminate this information and the *Certification of Vaccination* form to all employees who are working under a Department of the Interior contract. However, only those employees who will work in or visit Federal buildings or Federally controlled indoor worksites are required to complete the form. If you have any questions regarding this notification, please contact your Contracting Officer.
