ATTACHMENT L-1: STATEMENT OF WORK (SOW)

The SOW is attached separately and will remain as a separate attachment through solicitation. The SOW will be part of the award package.

ATTACHMENT L-2 (SECTION L): REQUIREMENTS TRACEABILITY CROSS-REFERENCE MATRIX

For Prospective Offerors: See paragraph 2.1.11 regarding instructions for completion of the solicitation Requirements Traceability Matrix (RTM). If this matrix conflicts with any other requirement, direction, or provision of this solicitation, the other reference shall take precedence over this matrix. Additionally, to the extent this matrix discloses details as to the extent or manner by which the Government intends to evaluate offeror's proposals for award, Section M references in the matrix are for information purposes only and the Government shall be obligated to evaluate proposals solely in conformance with the provisions of the Section M of the solicitation.

RTM is attached separately and will remain as a separate attachment through solicitation. The RTM will not be a part of the award package.

ATTACHMENT L-3 (SECTION L): EMAIL ENCRYPTION INSTRUCTIONS

Email Encryption Instructions

Unclassified Email

All unclassified, sensitive information (Privacy Act, CUI, etc.) related to draft RFP, final RFP, contractor proposal responses, contract communications; contract deliverables, contractor-to-government communications, contractor-to-subcontractor communications or any other type of sensitive information transmitted by email shall be encrypted. The DoD has provided a free, simple, strong, Java file and folder encryptor called Encryption Wizard (EW). Information on this program is available at <http://www.spi.dod.mil/ewizard.htm>.

Contractors should utilize the EW-Govt version of the software though both the "Public" and "Govt" versions are compatible. The EW-Govt website and download location is http://www.spi.dod.mil/ewizard_govt.htm.
