3.2. **Participants and Scope**

- 3.2.1. Contractor may not deliver Products or perform Services under this Master Agreement until a Participating Addendum acceptable to the Participating State or Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating State or Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating State or Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. Order) used by the Purchasing Entity to place the Order.
- 3.2.2. Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating States or Entities authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Officer. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Officer.
- 3.2.3. Obligations under this Master Agreement are limited to those Participating States and Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States and Entities are limited to the Orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate data bases.
- 3.2.4. Participating States and Entities may, through a Participating Addendum, limit:
 - a) Available financial vehicles;
 - b) Any additional items as deemed necessary by the Participating State or Entity.
- 3.2.5. A Participating State or Entity must sign a new Participating Addendum with Contractor, regardless of whether Contractor has signed Participating Addenda under a prior Master Agreement(s).

3.2.8. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Officer of the state where the Participating Entity is located. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

3.3. Administrative Fees

3.3.1. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter.

3.3.2. The NASPO ValuePoint Administrative Fee is not negotiable.

3.3.3. The Contractor shall report on all actual Body Armor and ballistic-resistant protective product sales.

3.3.4. Some Participating States may require a fee be paid directly to the Participating State on sales made by Purchasing Entities within that state. For all such requests, the fee level, payment method, and schedule for such reports and payments will be incorporated into the Participating Addendum. The Contractor may adjust this Master Agreement pricing accordingly for sales made by Purchasing Entities within the jurisdiction of the Participating State requesting the additional fee.

The Contractor shall provide the following NASPO ValuePoint reports:

The Lead State may exercise its right to not renew this Master Agreement if Contractor fails to record or report revenue for three consecutive quarters, upon a 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than two (2) years after execution of this Master Agreement.
