GapVax Maintenance & Repair

Oakland County Water Resources Commissioner's office (WRC) utilizes GapVax Jetter and Vacuum Trucks for projects in sewer cleaning, hydro-excavation, and catch basin cleaning throughout Oakland County. To ensure that our GapVax vehicles are functioning at the highest level, WRC is soliciting proposals from experienced Contractors in GapVax maintenance and repair. This does not include any chassis related work. The initial maintenance contract will be for three years, with the option of one year extension, up to five years.

The work done will be performed onsite, if applicable, with no travel cost incurred by Oakland County. A loaner Combo will be provided to the County, at no cost, if the repair is over 48 hours.

Part and Supplies

Repair parts and supplies will be provided by the vendor at the current list price less _____%

In-House Service Labor Rate: \$ _____

In-House Priority Labor Rate (Not scheduled in advanced) If applicable: \$ _____
