

Spring ISD eContracting Bid Award Notification: 18-010 Addendum 2 (Asset Management System & Related Services)

Received 1/22/2018 02:33:55 PM (CT)**Priority** NORMAL**Message From** SpringISD@customer.ionwave.net
Spring ISD eContracting

Dear Buyer,

The following message below has been sent to all awarded suppliers:

Dear Supplier,

The following opportunity has been awarded. You were awarded items and can view award information online.

Award Notes: It is my pleasure to inform you that on January 18, 2018, the Spring ISD Board of Trustees approved your company for award to provide Asset Management System & Related Services within the District, per your response to Request for Proposals #18-010 (Addendum 2).

Our Procurement Services department will provide you with a contract to review and sign within the next several days.

Congratulations on earning this award!

Bid Opportunity Information:

Bid Number: 18-010 Addendum 2

Bid Title: Asset Management System & Related Services

Bid Notes: The Spring Independent School District ("Spring ISD" or "District") hereby requests proposals from interested and qualified organizations for software and implementation services for a District-wide **Asset Management System & Related Services (software application)**, to be provided in accordance with the terms, conditions and specifications established within this Request for Proposals (RFP).

Vendors may be asked to provide an onsite interview for live software demonstrations if deemed necessary by Spring ISD.

Vendor wishing to set up an onsite visit may request to do so by contacting proposal coordinator on or before last day for questions on November 06, 2017.

It is the District's intent to select the organization whose proposed solution best meets the specified requirements and offers the best overall value to the District. A recommendation for contract award is anticipated to be made at the Board of Trustees meeting on tentatively on January 16, 2018.

Spring ISD uses an online bidding system to post and receive bids electronically. To view the full specifications of this RFP, you must be registered as a vendor within our online system and must login. For assistance with the online registration process, please contact Procurement Services at 281-891-6465.
