REQUEST FOR COMPETITIVE SEALED PROPOSALS

SECTION 1 – GENERAL INFORMATION, HISTORICAL BACKGROUND, AND REQUIREMENTS

1.1 General Information

The Health and Human Services Commission (“**Owner**”), for and on behalf of its Health and Specialty Care System Division (“**HSCS**”), is soliciting Competitive Sealed Proposals (“**Proposals**”) for selection of a General Contractor (“**Contractor**”) to provide general construction and construction administration services to the Owner for **Project No. 22-008-ASH, Cooling Tower Repair at Austin State Hospital** (the “**Project**”), in accordance with the terms, conditions, and requirements set forth in this Solicitation.

- 1.1.1 This Solicitation is being issued to select a Contractor for the Project as provided by Texas Government Code, Section 2155.144(b-2) and Chapter 2269, Subchapter D.
- 1.1.2 The Owner will select the Proposal that offers the “best value” for the agency based on the published selection criteria and on its ranking evaluation. The Owner will first attempt to negotiate a Contract with the selected Respondent. The Owner may discuss with the selected Respondent options for a scope or time modification and any price change associated with the modification. If the Owner is unable to reach a Contract with the selected Respondent, the Owner will formally end negotiations with that Respondent and proceed to the next-qualified Respondent in the order of the selection ranking until a contract is reached or all Proposals are rejected, and the Solicitation is canceled.

1.2 Historical Background

The Owner is responsible for oversight of all Texas Health and Human Services agencies, which includes overseeing and coordinating the planning and delivery of health and human services programs throughout the State of Texas. For more information about the Owner, its programs, or its facilities, please visit <https://hhs.texas.gov>.

As part of its responsibilities, the Owner owns and operates 13 state supported living centers and 10 state hospitals (the “**Facilities**”) across the State of Texas. The Owner offers programs at the Facilities 24 hours a day, 7 days a week, 365 days a year in both urban and rural settings. Facility programs and operations fall under the direction of HSCS. There are 24 campuses [note one facility has two separate campuses] with a total of 1,490 buildings encompassing approximately 9 million square feet of space. Construction dates for the Facilities range from 1857 to 2000, with new or planned construction at six new buildings in Austin, San Antonio, Houston, and Rusk. The majority of Facilities buildings are serviced and connected by aging utility, roadway, walkway, cabling, mechanical, electrical, and plumbing systems, and other such infrastructure. Many buildings have been renovated, modified, and added to over time with many now serving different purposes than when originally designed and built. In addition to Life Safety Codes, State Fire Marshal, and other such requirements, the Facilities (depending on program) may be subject to Centers for Medicare and Medicaid Services and/or The Joint Commission standards and inspections.

1.3 **Definitions**

Refer to **Exhibit C**, Attachment B, Texas Uniform General Conditions for Construction Contracts with HHSC Supplementary General Conditions (“**General Conditions**”), for additional definitions. Additionally, as used in this RFP or any exhibit or attachment incorporated and made a part of this Solicitation, unless the context clearly indicates otherwise, the following terms and conditions have the meanings assigned below:

“**Addendum/Addenda**” means written clarification(s) or revision(s) to this RFP issued by the Owner.

“**Confidential Information**” means any communication or record (whether oral, written, electronically stored or transmitted, or in any other form) deemed confidential under state or federal confidentiality laws.

“**Contract**” means the agreement entered into by the Owner and selected Respondent, which may incorporate the contents of this RFP and the selected Respondent’s Proposal, except as specifically provided to the contrary in the Contract and any amendments to the Contract.

“**ESBD**” means the Electronic State Business Daily, the electronic marketplace where State of Texas bid opportunities over \$25,000.00 are posted. The ESBD may currently be accessed at <http://www.txsmartbuy.com/esbd>.

“**HHSC**” or “**Owner**” means the Health and Human Services Commission established under *Texas Government Code* Chapter 531, its officers, employees and authorized agents.

“**HUB**” means Historically Underutilized Business, as defined by *Texas Government Code* Chapter 2161.

“**HUB Subcontracting Plan**” or “**HSP**” means written documentation regarding the use of subcontractors, which is required to be submitted with all responses to state agency contracts with an expected value of \$100,000.00 or more where subcontracting opportunities have been determined by the state agency to be probable. The HUB subcontracting plan subsequently becomes a provision of the awarded Contract and shall be monitored for compliance by the state agency during the term of the Contract.

“**Proposal**” means all information and materials submitted by a Respondent in response to this RFP. Also, may be referred to as “**Submittal**” in this Solicitation, exhibits, attachments or Addenda.

“**Public Information Act Copy**” means an additional copy of a Respondent’s Proposal that has been redacted (blacked out) by the Respondent as set out in **Section 1.4.1.2** of this Solicitation.

“**Respondent**” means the entity responding to this RFP.

“**RFP**” means this Request for Competitive Sealed Proposals including any exhibits, attachments and Addenda, if any. Also may be referred to as “**Solicitation**” in this RFP, exhibits, attachments or Addenda.

“**State**” means the State of Texas and its instrumentalities, including HHSC and any other state agency, its officers, employees, or authorized agents.

“**Texas Health and Human Services agencies**” or “HHS” as used in this Solicitation, exhibits, attachments or Addenda, means both the HHSC and the Texas Department of State Health Services, separately or combined.

1.4 Public Information

1.4.1 Proposals and contracts are subject to the Texas Public Information Act (“**PIA**”), *Texas Government Code* Chapter 552, and may be disclosed to the public upon request, unless an exception to disclosure applies. Information pertaining to Proposals and the Contract will be withheld or released only in accordance with the PIA. Subject to the PIA, certain information may be protected from public release. Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. Furthermore, other legal authority also requires the Owner to post certain Proposals and contracts on HHSC’s website (<https://contracts.hhs.texas.gov/>) and to provide such information to the Legislative Budget Board for posting on its website.

If a Respondent wishes to protect portions of its Proposal from public disclosure, the Respondent should familiarize itself with the law and submit its Proposal as follows:

1.4.1.1 Mark Original Proposal:

- a) Mark the original Proposal, on the top of the front page, the words “**CONTAINS CONFIDENTIAL INFORMATION**” in bold, capitalized letters (the size of, or equivalent to, minimum 12-point Times New Roman font or larger); and
- b) Identify, adjacent to each portion of the Proposal that Respondent claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions should be made in the original Proposal).

1.4.1.2 Public Information Act Copy of Proposal:

Submit a separate “Public Information Act Copy” of the original Proposal (in addition to the original and all copies otherwise required under the provisions of this Solicitation). The “Public Information Act Copy” must meet the following requirements:

- a) The copy must be clearly marked as “**PUBLIC INFORMATION ACT COPY**” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger);
- b) Each portion of the Proposal Respondent claims is exempt from public disclosure must be redacted (blacked out); and

- c) Respondent must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in subsection (c) of this Section must be identical to those set forth in the original Proposal as required in **Section 1.4.1.1(b)**, above.
- d) The only difference in required markings and information between the original Proposal and the “Public Information Act Copy” of the Proposal will be the redactions - which can only be included in the “Public Information Act Copy.” There must be no redactions (blacked out information) in the original Proposal.

1.4.2 In accordance with *Texas Government Code* §2252.907, Respondent shall be required to make any information created or exchanged with the State pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available in a Microsoft Office® Word® format or Adobe® Portable Format (“PDF”) that is accessible by the public at no additional charge to the State.

1.4.3 Effective on or after January 1, 2020 (86th Legislature), *Texas Government Code* Chapter 552, Subsection J, added requirements regarding document retention and public disclosure for entities in a contract with a stated expenditure of, or results in an expenditure of, at least \$1 million. These requirements may apply to responses to this Solicitation and Respondent agrees that the Contract can be terminated if Respondent knowingly or intentionally fails to comply with a requirement of Subchapter J.

1.4.4 Owner will not consider any Proposal that is copyrighted in its entirety; however, this exclusion does not encompass limited copyrighted information within the Proposal (e.g. marketing materials, drawings, designs, submittals, etc.), which may be considered by the Owner on a case by case basis.

1.5 Type of Contract

The Contract will be in the form of the Owner’s General Construction Services Contract in **Exhibit C**, which incorporates by reference all attachments referenced therein including, but not limited to, Attachment B to **Exhibit C** of this Solicitation, General Conditions, and awarded under this RFP as a fixed price contract.

1.6 Changes, Addenda, or Modification to RFP

The Owner reserves the right to change or modify any provision of this RFP by addenda, or to withdraw this RFP at any time prior to award if it is in the best interest of the Owner. Any such revisions will be posted on the ESBD. It is the responsibility of Respondent to periodically check the ESBD to ensure full compliance with the requirements of this RFP.

1.7 Informalities

The Owner reserves the right to waive minor informalities in a Proposal if it is in the best interest of the Owner. A “minor informality” is an omission or error that, in the Owner’s determination if waived or modified when evaluating Proposals, would not give a Respondent an unfair advantage over other Respondents or result in a material change in the Proposal or RFP requirements.

1.8 **Questions**

The Owner will allow written questions and requests for clarification of this RFP. Questions must be submitted in writing and sent by email to the Owner's Point-of-Contact listed in **Section 1.13**. Respondents' names will be removed from questions in any responses released. Questions shall be submitted in the following format. Submissions that deviate from this format may not be accepted:

- a) Identifying RFP number
- b) Section Number
- c) Paragraph Number
- d) Page Number
- e) Text of Passage being questioned
- f) Question(s)

Note: Questions or other written requests for clarification must be received by the Point-of-Contact by the deadline in the Schedule of Events. Please provide company name, address, phone number, e-mail address and name of contact person when submitting questions.

1.9 **Clarifications**

Respondents must notify the Owner's Point-of-Contact of any ambiguity, conflict, discrepancy, exclusionary specifications, omission or other error in the RFP in the manner and by the deadline for submitting questions. If a Respondent fails to properly and timely notify the Owner's Point-of-Contact of such issues, the Respondent submits its Proposal at its own risk, and if awarded a Contract: (1) shall have waived any claim of error or ambiguity in the RFP and any resulting Contract, (2) shall not contest the interpretation by Owner of such provision(s), and (3) shall not be entitled to additional compensation, relief, or time by reason of ambiguity, error, or later correction. Responses to questions or other written requests for clarification may be posted as addenda on the ESBD. The Owner reserves the right to modify addenda prior to the deadline for submission of Proposals. It is Respondent's responsibility to check the ESBD. The Owner also reserves the right to decline to answer any question or questions or to provide a single consolidated response for one or more questions at the Owner's sole discretion.

1.9.1 Requests for clarification regarding Project Scope of Work (Attachment H1 of **Exhibit C**) shall be communicated through the Owner's Point-of-Contact, identified in **Section 1.13** below. Any response from the Owner will be in the form of an Addendum, which will be posted to the ESBD and shall be acknowledged by the Respondent on the Respondent's Pricing Proposal Form (**Exhibit F**).

1.9.2 Respondents shall consider only those clarifications and interpretations to the Project Scope of Work that the Owner's Maintenance and Construction Department's Architect issues through the Point-of-Contact, identified in **Section 1.13** below, by Addendum. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Proposals.

1.10 Exceptions

The Owner will consider more favorably Proposals that offer no or few exceptions, reservations, or limitations to the terms and conditions of this RFP.

- 1.10.1 Respondent shall carefully review the Owner's draft Contract (**Exhibit C**) and all attachments. Respondent must expressly state in its Proposal all terms and conditions of the Owner's draft Contract (including any contract attachments) that Respondent will require to be changed before Respondent will sign the Contract. However, Respondent must be willing to accept Owner's draft Contract without change or modification or, if Respondent will require changes, Respondent must provide all draft language it proposes for each change requested. In addition to proposed edits, Respondent must provide a reasonable and articulable explanation of why the Respondent requests each change. Redlining Owner's draft Contract or its attachments or providing a statement with the intent or an implication that the Contract will require further discussion is insufficient.
- 1.10.2 If a Respondent includes exceptions in its Proposal, Respondent is required to use the Exceptions Form included as **Exhibit D** to this RFP and provide all information requested on the form. Any exception for which the Respondent does not provide all required information without qualification in the format set forth in **Exhibit D** may be rejected without consideration.
- 1.10.3 Respondents are highly encouraged, in lieu of including exceptions in their Proposals, to address all issues that might be advanced by way of exception by submitting such issues to the Owner as questions or requests for clarification. Any exception included in a Proposal may result in a Respondent not being awarded a Contract.
- 1.10.4 No exception, nor any other term, condition, or provision in a Proposal that differs, varies from or contradicts the terms and conditions in this RFP will be considered to be part of any Contract resulting from this RFP unless expressly made a part of the Contract in writing by the Owner.
- 1.10.5 A Proposal should be responsive to the RFP as worded, not with any assumption that any or all terms, conditions, or provisions of the RFP will be negotiated. Furthermore, all Proposals constitute binding offers. **Any Proposal submitted in response to this RFP that includes any type of disclaimer or other statement indicating that the Proposal does not constitute a binding offer may be disqualified.**

1.11 Assumptions

Respondent must identify on the Exceptions Form any business, economic, legal, programmatic, or practical assumptions that underlie the Respondent's response to the RFP. The Owner reserves the right to accept or reject any assumptions. All assumptions not expressly identified and incorporated into any Contract resulting from this RFP are deemed rejected by the Owner.

All requests, questions, or other communication about this RFP shall be made in writing via email to the following individual, as the Owner's representative and Point-of-Contact for this RFP. The Owner takes no responsibility for a potential Respondent's emails that are captured, blocked, filtered, quarantined, or otherwise prevented from reaching the proper destination server by any HHSC antivirus or other security software. All other communications between Respondents and other Owner staff members or the project Architect/Engineer(s) concerning the RFP are strictly prohibited. **Failure to comply with these requirements may result in disqualification of Respondent's Proposal.**

- 1.13.1 The only exception to the Point-of-Contact is the HUB Coordinator. Any questions relating to the HUB Subcontracting Plan must be directed to the HUB Coordinator Bob McCurdy at Bob.McCurdy@hhs.texas.gov.

1.13.2 **Standards of Conduct for Vendors**

Pursuant to Title 1 of the Texas Administrative Code (TAC), Part 15, Chapter 391, Subchapter D, Rule §391.405(a), contractors, respondents, and vendors interested in working with HHS are required to implement standards of conduct to apply to all matters involving, or related to, those solicitations and contract(s) between themselves and HHS. These standards must adhere to ethics requirements adopted in rule, in addition to any ethics policy, or code of ethics approved by the HHSC Executive Commissioner and must be at least as restrictive as those applicable to HHS personnel in the applicable ethics law and policy provisions.

The standards of conduct must include the ten standards of ethical conduct set forth in Section I of the HHS Ethics Policy and requirements to comply with ethical standards set forth in federal and state law (including, but not limited to, 1 TAC pt. 15, ch. 391, subch. D).

The standards of conduct, together with the responsibilities and restrictions incorporated herein, also apply to subcontractors of contractors, respondents and vendors.

Standards of conduct of any contractor, respondent or vendor may be reviewed and/or audited by the State Auditor and HHSC. Additionally, pursuant to Title 1 TAC Part 15, Chapter 391, Subchapter D, Rule §391.405(a), HHS may examine a respondent's standards of conduct in the evaluation of a bid, offer, proposal, quote, or other applicable expression of interest in a proposed purchase of goods or services.

Any vendor or contractor that violates a provision of Title 1 TAC Part 15, Chapter 391, Subchapter D may be barred from receiving future contracts or have an existing contract canceled. Additionally, HHSC may report the vendor's actions to the Comptroller of Public Accounts for statewide debarment, or law enforcement.

1.14 **Prohibited Communication**

On issuance of this RFP, except for the written inquiries for questions and clarifications, the Owner, its representative(s), or authorized representatives will not answer any questions or otherwise discuss the contents of this RFP with any potential Respondent or its representative(s). Attempts to ask questions by phone or in person will not be allowed or recognized as valid. Respondent shall rely only on written statements issued by or through the Owner's Point-of-Contact. This restriction does not preclude discussions between affected parties for the purposes of conducting business unrelated to this RFP. Failure to comply with these requirements may result in disqualification of Respondent's Proposal.

1.15 **Evaluation of Proposals**

Proposals shall be evaluated in accordance with Texas Government Code, Section 2155.144(d) and Chapter 2269. The Owner shall not be obligated to accept the lowest priced Proposal but shall make an award to the Respondent that provides the "best value" to the State of Texas. When considering "best value" and award, Owner reserves the right to set a minimum point requirement regarding the weighted qualifications criteria listed in **Section**

3.2. Proposals shall be consistently evaluated and scored in accordance with the requirements described in this RFP and in **Exhibit G**, Evaluation Criteria and Tool. Forty percent (**40%**) of the evaluation will be based on the Respondent's Pricing Proposal Form (**Exhibit F**); the remaining evaluation will be based on the Respondent's qualifications. All responsive Proposals will be reviewed, evaluated, and ranked by the Owner.

1.16 Other Information

The Owner may contact references provided in response to this RFP, Respondent's clients, or solicit information from any available source, including owner's and/or Architect/Engineer's familiar with Respondent's work on past projects, opposing litigant from a public proceeding or their counsel, and the Comptroller's Vendor Performance Tracking System.

1.17 Initial Compliance Screening

The Owner will perform an initial screening of all Proposals received. Unsigned Proposals and Proposals that do not meet minimum qualifications or do not include all required forms and information may be subject to rejection without further evaluation.

1.18 Owner's Reservation of Rights

The Owner may evaluate the Proposals based on the anticipated completion of all or any portion of the Project. The Owner reserves the right to divide the Project into multiple parts, to reject any and all Proposals and re-solicit for new Proposals, or to reject any and all Proposals and temporarily or permanently abandon the Project. Owner makes no representations, written or oral, that it will enter into any form of agreement with any Respondent to this RFP for any project and no such representation is intended or should be construed by the issuance of this RFP.

1.19 Acceptance of Evaluation Methodology

By submitting Proposals in response to this RFP, the Respondent accepts the evaluation process and acknowledges and accepts that determination of the "best value" Respondent may require subjective judgments by the Owner.

1.19.1 The Owner reserves the right to reject any Proposal if the Proposal Cost is determined to be unreasonable or irresponsible in relation to the other submitted Proposals and/or the Owner's estimate of the construction cost.

1.20 No Reimbursement for Costs

Respondents understand that issuance of this RFP in no way constitutes a commitment by Owner to award a Contract or to pay any costs incurred by a Respondent in the preparation of a response to this RFP. The Owner is not liable for any costs incurred by a Respondent prior to issuance of or entering into a formal agreement, Contract, or purchase order. Costs of developing a Proposal, preparing for or participating in oral presentations and site visits, or any other similar expenses incurred by a Respondent are entirely the responsibility of the Respondent, and will not be reimbursed in any manner by the State of Texas.

Respondents will be provided with advance notice of any such oral presentation and are responsible for their own presentation equipment. Failure to participate in the oral presentation, if required, may eliminate a Respondent from further consideration. The Owner is not responsible for any costs incurred by the Respondent in preparation for any oral presentation. 1.25 HUB Subcontracting Plan

It is the policy of the Owner, and all Texas Health and Human Services agencies, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses in all contracts. Accordingly, the Owner includes a HSP when subcontracting opportunities are probable and a contract has an expected value of \$100,000.00 or more. The HSP is applicable for the life of the contract, including any subsequent amendments and renewals after award of the contract as related to the original HSP. If the Owner determines that subcontracting opportunities are probable, then Respondents are required to submit a completed HSP. Failure to submit a required HSP will result in rejection of the Proposals.

Additional information regarding the applicability of the HSP requirement is set forth in **Exhibit B**.

5.2 Disclosure of Interested Parties

Subject to certain specified exceptions, *Texas Government Code* §2252.908, Disclosure of Interested Parties, applies to a contract of a state agency that has a value of at least \$1 million or a contract that requires an action or vote by the governing body of the agency before the contract may be signed. One of the requirements of Section 2252.908 is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the state agency at the time the business entity submits the signed contract to the agency.

Respondent represents and warrants that, if selected for award of a Contract as a result of this RFP, Respondent will submit to the Owner a Certificate of Interested Parties at the time Respondent submits the signed Contract. Form 1295 involves an electronic process through the Texas Ethics Commission (“TEC”).

Information regarding the on-line process for completing Form 1295 is available at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

If the selected Respondent does not timely submit a completed, certified, and signed TEC Form 1295 to the Owner with the signed Contract, the Owner is prohibited by law from executing a Contract, even if the selected Respondent is otherwise eligible for award.
