### **GENERAL CONDITIONS**

Invitations to bid issued by Western Suffolk BOCES will bind successful bidders to the conditions and requirements set forth in these General Conditions and shall be an integral part of each purchase contract awarded.

#### **I. SCOPE**

- a. Sealed proposals for the furnishing, delivery, and installation where called for of services, materials, equipment and/or supplies, as per NOTICE TO BIDDERS attached hereto, will be opened and read at the offices of WESTERN SUFFOLK BOCES, 507 Deer Park Road, PO Box 8007, Huntington Station, New York at the time and date mentioned in the **NOTICE TO BIDDERS**.

#### **II. FORM OF BID**

- a. Proposals must be completely filled out on designated BID FORMS including cover sheet and non-collusion statement and submitted sealed in an envelope. Proposals, at the option of the bidders may be mailed in an envelope, to the above address, or by any other means, but must be received by the time and date specified on the bid. No postponements of bid opening will be allowed. Bids received after the time stated in Notice to Bidders will not be considered and will be returned to bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees. The bidder assumes all responsibility for having his bid deposited on time at the place specified. Telegraph, facsimile, telephone or verbal bids or amendments will not be accepted. If there are two or more bids opening on the same date, in which a prospective bidder is interested, each bid must be in a separate envelope as outlined above.
- b. The BID FORMS as well as the INSTRUCTIONS TO BIDDERS shall be an integral part of all contracts, and their provisions shall govern the performance to be rendered under the contract.
- c. Submission of a proposal will be construed as indication that the bidder is fully informed as to the extent and character of the supplies, materials, or equipment or services required and can furnish same satisfactorily and in complete compliance with the specifications as indicated on the BID FORMS and is familiar with all the documents and terms of this bid.
- d. ***Bids shall be binding for contract award purposes for a period of sixty (60) days subsequent to the date of bid opening.*** The Board, at its discretion, may reject any Bid that fails to fully comply and conform to the INSTRUCTIONS TO BIDDERS.
- e. No alteration, erasure or addition in the typewritten or printed matter of this bid is to be made. Manufacturer's alternate or deviations from the specifications must be legibly indicated next to the item. Illegible or vague bids may be rejected. All Bid prices must be typed in or handwritten in ink. All signatures must be original and handwritten in ink. Facsimile, printed, or typewritten signatures are not acceptable.
- f. No interpretation of specifications or terms of bid will be made to any bidder orally. Every request for such interpretation must be in writing, addressed to the Purchasing Agent, and not later than five days prior to the date of the bid opening. Response, if any, of any interpretations shall be sent to all bidders of record by the Board in the form of an addendum to the bid. Such addenda shall become part of the contract documents.

#### **III. BIDDERS OBLIGATIONS**

- a. The price submitted must be net and include all transportation and delivery charges fully prepaid by the Vendor to the destination indicated in the Bid and/or on the Purchase Order provided by Western Suffolk BOCES. All prices submitted must be "per unit" and the extension(s) (if space is provided) against each item in the enclosed forms, which he proposes to furnish, deliver and install where called for. In the event of a discrepancy between the unit price and the extension, the unit price will govern. Unit price shall be extended in decimals not fractions and shall not be extended more than **two (2)** decimal places. The words "NO BID" should be inserted alongside those items which are not bid upon. However, where an item has been discontinued by the manufacturer, it is requested that this be noted on the bid, so that the item may be deleted in the future. Where bid documents require bids for lump-sums, Bidder must bid on each item in the lump-sum group. If Bidder is not charging for an item in a group, the Bidder must indicate "no charge" or the Bid for the group may be rejected.
- b. If there should be a discrepancy between the description and manufacturer's catalog number, etc. the description shall govern. It will be the obligation of the bidder to insert the correct manufacturer's catalog number. All prices are deemed to be for new machinery, equipment, materials or supplies, of the latest model, and in current production, and ready for use unless otherwise specified in the bid solicitation.

- c. Do not use jobbers, wholesalers, catalogers, etc., catalog numbers. Use only bona fide manufacturers numbers when offering alternates; i.e. Do not use Smith Wholesale Distributors #123, rather use Jones Mfg. Co. #456. Failure to comply with this instruction may cause bid to be rejected.
- d. Whenever a particular article has been specified by a manufacturer's designation, such designation is made as a general standard for type, size and quality, and it is not intended to restrict competitive bidding. The term "or equal" is implied on all items of bid, but it is not construed to limit bidding to the manufacturers listed. When bidding on a manufacturer's alternate, the bidder must list and identify the item in the space provided with the complete catalog designation/description, not the generic term.  
Also, the bidder must supply catalog cuts and/or prints showing complete specifications. Any other make may be offered if the product is equivalent. In the absence of any mention of an alternate to the standard, it will be construed that you are bidding item as specified. It shall be the responsibility of the bidder to provide sufficient detailed information to describe all such alternative equivalents with his proposal. Failure to do this will be cause for rejection. The board shall be sole judge as to acceptable equivalency.
- e. Where applicable, it will be presumed that each bidder will have inspected the site and to have examined and to be thoroughly familiar with the drawings, general requirements and specifications (including all addenda thereto) prior to bid opening. The failure and/or omission of any bidder to receive or examine any drawings, forms, instructions, or documents shall in no way relieve such bidder from any obligations in respect to his bid.
- f. No charge will be allowed for Federal, State or Municipal sales and excise taxes, from which the political subdivisions are exempt or for any portion of a gross receipts tax, MTA surcharge or other tax or surcharge which was imposed upon the Vendor. The price shall be net and shall not include the amount of any such tax. Exemption certificates, if required, will be furnished on forms provided by the bidder.
- g. As this bid reflects delivery to several locations, do not change quantity requested to higher units: i.e. if quantity is eleven (11), changing the unit to one dozen will cause bid to be rejected. If bid calls for dozens, do not bid each, but rather dozen, etc.
- h. Sales to political subdivisions are not affected by fair trade agreements (General Business Law, ch.39, Sec. 369-a, Sub. 3, L.1941)

#### **IV. AWARD OF BID**

- a. Award will be made as soon as possible after bid opening to the lowest responsible bidder meeting specifications in accordance with Section 103 of Article #5 of the General Municipal Law.
- b. The Board reserves the right to waive any informalities, irregularities, and omissions on any bid and to award bids on the basis of individual items or on total sums of pages, groups, or as a whole, or reject all bids and re-advertise in the manner provided by Section 103 of the General Municipal Law at its discretion. It also reserves the right to select which of two or more identical bidders shall be awarded the item or contract.  
The Board also reserves the right to increase the quantity of any item at the same unit price indicated on proposal at the time the award is made.
- c. The only notification of award that will be given will be to the successful bidder(s) in the form of a purchase order or orders for those items which were awarded to bidder. No other notice will be given to any bidder in writing nor will this information be given over the telephone.  
Payments will be made as soon as possible only upon the receipt of a correct invoice in accordance with the terms of a quote or bid and after a correct signed receipt is received from the point of delivery. Partial payments on supplies and equipment only will be made providing invoice is only for those items shipped and received. Any invoice that includes an item which has not been shipped will not be paid until it is received. Payment for services will only be made upon the completion of satisfactory installation or repair unless superseded by a payment clause below. Payment of any invoice shall not preclude Western Suffolk BOCES from making a claim or adjustment on any item found not to have been in accordance with general conditions and specifications.

#### **V. SAMPLES**

- a. The Board reserves the right to require any bidder to submit a sample before the awarding of the bid to ascertain whether or not the product will be suitable for the purpose for which it is to be used and whether it meets the equivalency of the designated standard.  
Requested samples must be submitted within five (5) working days of such request. Such sample will be returned after determination of an award, at bidder's expense. If samples must be sent to an independent laboratory for testing, such expense must be borne by the bidder. If after award is made based on submission of sample, it is determined delivery is not the same as said sample, complete delivery must be removed by successful bidder and correct item delivered at no cost to the BOCES. Failure to comply with request for samples may result in rejection of bid.
- b. All samples not destroyed in testing will be considered abandoned if successful bidder (at his/her own expense) does not pick up same after 10 day's notice to do so.

#### **VI. DELIVERY**

- a. Deliveries shall be made between the hours of **8:00 A.M. and 2:30 P.M. on school days only.**

- b. The BID PROPOSAL shall include the furnishing of materials as required, as well as all delivery and other transit charges. All bids are to be F.O.B. prepaid destination. Should there be any transportation charges included in the bid and such charges are accepted, they must be prepaid and added to the invoice. No deliveries are to be made on a collect basis. Where an item is leased and must be returned at the end of a contract period, all charges to do so must be borne by the successful bidder, unless these charges are so stipulated in his bid. Title for all items/systems/services shall not pass until materials, supplies, services and/or equipment have been delivered and accepted by the BOCES.
- c. All deliveries must be made as soon as possible after receipt of order unless specific dates are mentioned in BID PROPOSAL. If bidder has minimum order requirements, it must be stated on the BID FORM. All crates, machinery, etc. that weigh more than two hundred (200) lbs. must be noted on bid. Deliveries of these items will not be accepted unless the Purchasing Department of Western Suffolk BOCES is notified at least forty-eight (48) hours prior to delivery, telephone (631) 549-4900, ext. 292. All items requiring assembly shall thereupon be assembled and initially serviced.
- d. All deliveries shall be accompanied by delivery tickets or packing slips containing the following information:
- Contract/Purchase Order number;
  - Name of person to receive delivery;
  - Address of Delivery;
  - Name of article;
  - Item number;
  - Quantity;
  - Name of the successful bidder.
- Each Carton shall be labeled with purchase order or contract number, successful bidder's name and general statement of contents. Failure to comply with this condition can be considered sufficient reason for refusal to accept delivery.
- e. ***All items are to be off truck, inside delivered.*** Unloading of equipment, furniture, and supplies is the responsibility of the successful bidder, and Western Suffolk BOCES accepts no responsibility for unloading. Any cost incurred due to the failure of the successful bidder to comply with this requirement will be charged to the bidder. No help for unloading will be provided by Western Suffolk BOCES, and suppliers should notify their truckers accordingly.

## **VII. INSTALLATION**

- a. When installation is required and stated in bid, successful bidder shall furnish, deliver and install completely, unless otherwise noted, material and equipment described in the specifications with all parts or accessories not specifically mentioned in the articles described but necessary to render the equipment complete and ready for operation. All these parts and/or accessories shall be included in the bid price.
- b. Where installation of any material and/or equipment is called for, the bidder shall have experience in the type of installation specified and shall submit proof by reference to similar installations he/she made. No physical change of floors, walls, ceilings or structure shall be made without the written consent of Western Suffolk BOCES. Any damage caused by delivery or the installation thereof shall be the responsibility of the successful bidder. All necessary insurance certificates when specified in bid specifications shall be obtained and forwarded to the Purchasing Agent. All debris shall be disposed of by the successful bidder at the end of each day, floors shall be kept free of his waste and rubbish. Upon completion of contract all boxes, crates, rubbish, debris, etc. shall be removed to the satisfaction of Western Suffolk BOCES. The successful bidder must leave the area in which he has worked broom clean.

## **VIII. CONTRACT**

- a. The mailing of a bid and the receipt thereof by Western Suffolk BOCES shall constitute the basis for a contract and the acceptance of all the terms on this bid and any subsequent purchase order. All items awarded shall be delivered by the successful vendor in quality and price bid upon. Western Suffolk BOCES reserves the right to delete an item from this bid due to budgetary or fiscal constraints. The quantities listed herein are current requirements. However, Western Suffolk BOCES reserves the right to increase or decrease same at the unit price bid.

Western Suffolk BOCES at its discretion reserves the right to cancel an award and to order immediately from another source the replacement of any item due to non-delivery within a reasonable time or for the purpose of replacement of a rejected item, when so requested. On such emergency purchases the vendor agrees to reimburse Western Suffolk BOCES promptly for any excess costs occasioned by such purchases. Purchases of this nature will be deducted from quantities on original purchase order. Vendor does not have any recourse, should the replacement price be less than the bid price. Western Suffolk BOCES shall have the same right regarding replacement of rejected deliveries.

- b. Successful bidders must give permission where requested, for an inspection of their premises so as to inspect materials and items purchased and the manufacturer thereof. Such time of inspection will be mutually agreed upon.

- c. No contract or payment thereof, shall be assigned, transferred, or otherwise disposed of, to any other person, company or corporation, without the complete written consent of Western Suffolk BOCES.

In addition to this guarantee the contractor shall also guarantee all installations made by bidder for a period of one (1) year after completion of such installation against any and all defects which are the result of improper design, material, construction or installation, if called for. Immediately upon notification by Western Suffolk BOCES, the successful bidder shall take immediate steps to rectify by replacing or repairing or otherwise correct the defect to the satisfaction of Western Suffolk BOCES without further cost to Western Suffolk BOCES. Damage to Western Suffolk BOCES equipment caused by such improper installation shall also be borne by the successful bidder.

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by Western Suffolk BOCES. During the term of the Contract, should the Western Suffolk BOCES receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the Western Suffolk BOCES will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then Western Suffolk BOCES shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

Western Suffolk BOCES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, State Education Department, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. #### Tools:

When tools are included as part of this specification the following will apply:

- Tools must meet U.S. Military specification
- Tools must be covered by a full lifetime warranty.

#### Scope of Services

The vendor(s) will provide miscellaneous software, licenses and online subscriptions for Western Suffolk BOCES.

The vendor shall be responsible for:

- All items shall be as specified or equal to/better items defined on bid form. Any alternate/substitution shall be identified by vendor on bid form, else vendor's bid submission will be considered as specified. See General Information for further instructions regarding alternates/substitutions. Quantities are estimated and may be increased or decreased at any time.
- Delivery locations will vary within Western Suffolk BOCES.
- The burden of proof of equivalence rests with the vendor. Adequate supporting information must accompany proposed equivalents. The BOCES reserves the right to accept or reject proposed equivalents.
- Until such time as an interpretation is issued, it shall be assumed that the vendor has based his bid on providing the work in the better quality, greater quantity, or

\_\_\_\_ Understood and Agreed  
Proposer's Initials

most elite manner, for work complete in every detail, even though every item necessarily involved is not particularly mentioned.

- **All software MUST be Windows 10 Educational (32 bit) compatible (unless 64 bit is specifically requested).**
- **All software MUST run in a VMWare virtual desktop environment.**
- **All software regardless of delivery method must NOT store any user data on the local workstation drive, only on accessible network drives.**

#### Vendor Requirements

- Deliveries are expected within fifteen (15) days of purchase order date.
- ***All items are to be off truck, inside delivered.***

#### General Information

- Each bid must be separate and apply only to this designated bid package;
- Each bid must be submitted under separate cover and will be considered on its own merits. Any Bid offered in combination with another designated Bid package will not be accepted, e.g. a vendor may not submit within one bid package two prices for the same item and designate such price as price #1 and price #2; vendor must submit two separate bid packages for Western Suffolk BOCES to consider each price;
- Any bid offered in combination with another designated bid package will not be accepted;
- Any deviation from any aspect of the General Conditions (i.e., denoted freight free standard) will warrant the BOCES rejection of the bid;
- A Contract, if awarded, will be on the basis of material, supplies, equipment and associated Service (if applicable) as described in the Specifications. Accordingly, in all specifications, where a manufacturer's name, catalog number, any patented article or a named system is referenced, it is to designate a standard of quality, and the words "or equal" are understood to mean equivalent or better quality. Alternate items/systems must be fully identified as such with descriptive literature to be submitted with the Bid submission. The provision of the vendor's item number is not sufficient as an item description; otherwise, bid will be construed as submitted on the item specified. If bidding on items/systems/services other than those specified, it is the responsibility of the vendor to provide the trade designation, model number, manufacturer's name, and a detailed specification of item/systems/services he proposes to furnish, which can be in the form of a catalog with the page number of the alternate item bid or samples supplied. It is understood and warranted by the bidder (unless he/she states otherwise) that all alternate bids are minimally "equal to" item specified. The Western Suffolk BOCES decision whether an alternate or substitution is in fact "equal" shall be final;
- SUBMISSION OF COST PROPOSAL FORM:
  - BOCES will provide a Cost Proposal Form ("Spreadsheet"), and each Bidder shall complete the Spreadsheet in accordance with the instructions identified below. Additionally, each Bidder shall supply one (1) CD or flash drive of the Spreadsheet in its original bid format as well as a paper printout of the Spreadsheet with all of the Items, Item numbers, and

\_\_\_\_ Understood and Agreed  
Proposer's Initials

description of Items BOCES requires. In the case where a price discrepancy exists between the CD/flash drive and the paper printout, the paper printout prices shall prevail.

- Only enter prices/bid amount and/or percent discount, as requested on the Cost Proposal Form. Do not enter extended prices.
- Vendors must not modify or enter information in BOCES descriptions. Any alternates must be entered in the substitute area. In this substitute area, vendors **must enter a full item description of the substitute being submitted**. This description is very important as the information provided in this area will be identified on the purchase orders if this item has been accepted and awarded. No other information or details will pull forward.
- **PLEASE SEE DETAILED INSTRUCTIONS “HOW TO SUBMIT COST PROPOSAL SPREADSHEET” AFTER THESE SPECIFICATIONS**
- Modifications to BOCES descriptions may result in modified line item(s) not being awarded and/or the Vendor being deemed nonresponsive.
- Note: Bidders are to pay particular attention to the way each Item is requested to be priced. Example: Price \$\_\_\_\_\_/ each, bag, roll, set, etc. Varying from the requested price break down may cause that vendor's bid submission for that Item to be deemed nonresponsive.
- Each Bidder shall place the organization's name on each page of the Spreadsheet.
- All deliveries must be inside deliveries.
- As it pertains to items, BOCES may consider the purchase of alternate items if they are clearly identified as such and samples are supplied. All specifications and descriptions are designed to establish minimum levels of quality. In all cases where an alternate Item(s) is being bid, and the Item number is not from a catalog, a sample of the alternate Item(s) must be submitted. Samples for alternate Item(s) must be submitted either within the week prior to the Bid opening or with the Bid at the Bid opening. When the alternate Item(s) being bid is from a catalog, the Vendor must provide a copy of the catalog being referenced. When Item number is referenced from a provided catalog, a sample will not be necessary.
- Bidders who fail to supply sample of alternates, pursuant to the above, may have that line Item declared non-responsive.
- When bidding an alternate/substitute Item, the Item must be substantially equivalent in quality, must have the same warranty and must match the same strength, silhouette and shape design, etc., where applicable.
- In the event the Vendor wants to send a sample; sample Item(s) should be sent to the same address as the Bid, prior to the bid opening. Upon receipt of sample material, the equivalency of any “alternate” item(s) will be reviewed and those items found not to be equivalent will be rejected at the sole discretion of the BOCES;
- As it pertains to items/systems, BOCES decision whether an alternate or substitution is in fact "equal" shall be final. If no alternate Items/Systems/Services are identified, the Bid will be accepted according to Specifications;
- Any Vendor who substitutes awarded Items/systems after having stated that such Items/ systems will be provided "as specified" may (1) have their Contract terminated, and (2) be liable for any expenses incurred as a result of said Contract termination;

\_\_\_\_ Understood and Agreed  
Proposer's Initials

- If the vendor is bidding on the requested Item # then the vendor need not enter anything in the "Substitution" area, enter only the price in the specified column;
- Each vendor must list their Item # in the Substitution area (if bidding an alternate) and the price for that Item # in the price column, else prices submitted will be viewed as specified, and BOCES will strictly enforce their rights;
- Vendor item numbers do not designate an alternate. All alternates must be identified in the Substitution area (i.e., different in packaging, quantity size, color manufacturer, etc.);
- **Note: Vendors are to pay particular attention to the way each item is requested to be priced.**

**Example: Price \$\_\_\_\_\_ / each, or / lot, / ounce.**

**Varying from the requested price break down may cause that item to be deemed non-responsive;**

- If a substitution is not accepted by the BOCES, the line Item and/or Bid, whichever is applicable, will be deemed non-responsive and the next lowest responsive Bid for said Items/systems shall then be reviewed for recommendation of award.;
- BOCES reserves the right to purchase items on State or County contract if such items can be obtained on the same terms, conditions, specifications, and at a lower price .
- The non-collusive bidding certification must be filled out in its entirety and included with each Bid as required by General Municipal Law, Section 103-d. Under penalty of perjury, the Bidder certifies that:
  - A. The prices in the Bid have been arrived at by the Bidder independently and have been submitted without collusion with any other vendor of materials, supplies, or equipment of the type described in the invitation for bids
  - B. The contents of the Bid have not been communicated by the Bidder, or, to the Bidder's best knowledge and belief, by any of its employees, or agents, to any person not an employee or agent of the Bidder or its surety on any bond furnished herewith prior to the official opening of the Bid.
- The forms listed below must be completed and included with each Bid response and all Bidders must initial each page of these specification documents and the General Terms and Conditions portion of the Bid Documents and sign under the section entitled Section "Entire Agreement and Acknowledgement".
  - 1. Vendor Information and Acknowledgement Form (Bid Form)
  - 2. Vendor Reference Form
  - 3. Non-Collusive Bidding Certification

The New York State Freedom of Information Act as set forth in Public Officers Law, Article 6, §84-90 mandates public access to government records. However, proposals submitted in response to this bid/RFP may contain technical, financial background or other data, public disclosure of which could cause substantial injury to the Bidder's/Proposer's competitive position or constitute a trade secret. Bidder's/Proposer's who have a good faith belief that the information submitted in their bids/proposals is protected from disclosure under the New York Freedom of Information Act must clearly identify the pages of the proposals containing such information by typing in bold face on the top of each page. **"THE BIDDER/PROPOSER BELIEVES THAT THIS INFORMATION IS PROTECTED FROM DISCLOSURE UNDER THE STATE FREEDOM OF INFORMATION ACT."** The BOCES and/or its component school districts assume no liability for disclosure of information so identified, provided that the BOCES and/or its component school districts have made a good faith legal determination that the information is not protected under applicable law or where disclosure is required to comply with an order or judgment of a court of competent jurisdiction.

It is the responsibility of the Proposer to clearly mark and identify all portions of the Proposal that, in the Proposer's opinion, contain trade secrets, confidential information,

\_\_\_\_ Understood and Agreed  
Proposer's Initials

or other proprietary information. BOCES recommends the use of the legend "RFP – Confidential," "RFP – Proprietary," or words to that effect on each and every section of the Proposal for which the Proposer claims confidential, trade secret, or proprietary status. Prefacing the entire Proposal with a single confidential or proprietary statement is discouraged and may not constitute sufficient designation of trade secrets and confidential information.

BOCES shall not in any way be liable or responsible for the disclosure of any such records or Proposals, or portions thereof, if they are not clearly marked as "Trade Secret," "Confidential" or "Proprietary," or if disclosure is required by the Freedom of Information Act, or other applicable law or judicial order. If a third party challenges the trade secrets or confidential nature of certain information, it will be the responsibility of the Proposer to defend that challenge.

All individuals providing services pursuant to this contract must possess, and the Contractor/Vendor hereby certifies that he/she does possess, all required certifications, licenses, and required insurances necessary to perform the services described within this contract. The Contractor/Vendor also certifies that the individual performing the services is duly qualified through experience and education. Copies of his/her background qualifications, certifications and licenses must be annexed to, and are thereby incorporated into, this bid.

#### Termination of Contract

The BOCES, by 15 days written notice, may terminate this contract, in whole or in part, when it is in the best interest of the BOCES. No early cancellation or other penalties may be charged to the BOCES because of its decision to exercise this right.

If this contract is so terminated, the BOCES shall be liable only for payment in accordance with the payment provisions of this contract for services or supplies rendered prior to the effective date of termination.

In the event the successful vendor(s) fails to deliver as ordered, or within the time specified, or fails to abide by any of the provisions of the contract, including but not limited to, untimely performance, inadequate adherence to the schedule, or other unsatisfactory performance, such failure shall constitute a breach of contract. Upon such breach, BOCES shall provide written notice of intention to terminate to the successful vendor(s) setting forth the reasons for such termination and if the successful vendor(s) does not cure such breach within a ten (10) day period of such notice the BOCES reserves the right to terminate said contract for default, and in order to protect the continuity of the operations, the required services may be procured from the apparent responsible second low bidder or other sources.

In the event default action is carried out, the delinquent contractor agrees to reimburse the BOCES promptly for excess costs occasioned by such expenditures from revenue owed to the original contractor or from the Performance Bond. However, if the vendor(s) cure such breach of contract and perform its obligations during such ten (10) day notice period, the contract shall continue in full force and effect.

\_\_\_\_ Understood and Agreed  
Proposer's Initials

The hourly wage rates shall not be less than the prevailing union scale at the time such labor is performed.

No proposal shall be accepted, or contract awarded, to any Contractor/Vendor whose performance on any previous contract with this or any other School District or BOCES has been determined to be unsatisfactory. The BOCES Board reserves the right to be the sole judge in this decision.

The BOCES Board may make any investigation they deem necessary to determine the ability of the vendor(s) to perform the work, and the vendor(s) shall furnish to the BOCES Board all such information and data for this purpose as the Board may request.

#### Choice of Law

This Bid/Contract shall be interpreted in accordance with the substantive laws of the State of New York, and any suits concerning this Bid/Contract will be brought and adjudicated in Supreme Court, Suffolk County.

#### Titles

The titles of the sections of this contract are solely for the convenience of the parties and are not to be used as an aid in the interpretation of the terms and conditions thereof.

#### Saving Clause

The Successful Vendor shall not be held responsible for any losses resulting if the fulfillment of the terms of the Contract shall be delayed or prevented by wars, acts of public enemies, strikes, fires, floods, act of God or any other acts not within the control of the Successful Vendor, and which, by the exercise of reasonable diligence, the Successful Vendor is unable to prevent.

#### Severability

Should any provision of this agreement, for any reason, be judicially declared invalid and/or unenforceable, such declaration shall not affect the validity of the remaining provisions, which shall remain in full force and effect as if the Contract had been executed with the invalid provision(s) eliminated.

#### Failure to Enforce

BOCES' failure to enforce at any time, or for any period of time, the provisions of this Contract shall not be construed to be a waiver of such provisions or of the right to enforce each and every provision.

Contractor agrees to maintain the confidentiality and security of PII in accordance with applicable New York, federal and local laws, rules and regulations.

2. Authorized Use.

Neither the Services provided nor the manner in which such Services are provided shall violate New York law.

3. Data Security and Privacy Plan.

Contractor shall adopt and maintain administrative, technical and physical safeguards, measures and controls to manage privacy and security risks and protect PII in a manner that complies with New York State, federal and local laws and regulations and the EA's policies. Education Law Section 2-d requires that Contractor provide the EA with a Data Privacy and Security Plan that outlines such safeguards, measures and controls including

\_\_\_\_\_  
Understood and Agreed

how the Contractor will implement all applicable state, federal and local data security and privacy requirements. Contractor's Data Security and Privacy Plan is attached to this DPA as Exhibit C.

**4. EA's Data Security and Privacy Policy**

State law and regulation requires the EA to adopt a data security and privacy policy that complies with Part 121 of the Regulations of the Commissioner of Education and aligns with the NIST Cyber Security Framework. Contractor shall comply with the EA's data security and privacy policy and other applicable policies.

**5. Right of Review and Audit.**

Upon request by the EA, Contractor shall provide the EA with copies of its policies and related procedures that pertain to the protection of PII. It may be made available in a form that does not violate Contractor's own information security policies, confidentiality obligations, and applicable laws. In addition, Contractor may be required to undergo an audit of its privacy and security safeguards, measures and controls as it pertains to alignment with the requirements of New York State laws and regulations, the EA's policies applicable to Contractor, and alignment with the NIST Cybersecurity Framework performed by an independent third party at Contractor's expense, and provide the audit report to the EA. Contractor may provide the EA with a recent industry standard independent audit report on Contractor's privacy and security practices as an alternative to undergoing an audit.

**6. Contractor's Employees and Subcontractors.**

- (a) Contractor shall only disclose PII to Contractor's employees and subcontractors who need to know the PII in order to provide the Services and the disclosure of PII shall be limited to the extent necessary to provide such Services. Contractor shall ensure that all such employees and subcontractors comply with the terms of this DPA.
- (b) Contractor must ensure that each subcontractor performing functions pursuant to the Service Agreement where the subcontractor will receive or have access to PII is contractually bound by a written agreement that includes confidentiality and data security obligations equivalent to, consistent with, and no less protective than, those found in this DPA.
- (c) Contractor shall examine the data security and privacy measures of its subcontractors prior to utilizing the subcontractor. If at any point a subcontractor fails to materially comply with the requirements of this DPA, Contractor shall: notify the EA and remove such subcontractor's access to PII; and, as applicable, retrieve all PII received or stored by such subcontractor and/or ensure that PII has been securely deleted and destroyed in accordance with this DPA. In the event there is an incident in which the subcontractor compromises PII, Contractor shall follow the Data Breach reporting requirements set forth herein.

- (d) Contractor shall take full responsibility for the acts and omissions of its employees and subcontractors.
- (e) Contractor must not disclose PII to any other party unless such disclosure is required by statute, court order or subpoena, and the Contractor makes a reasonable effort to notify the EA of the court order or subpoena in advance of compliance but in any case, provides notice to the EA no later than the time the PII is disclosed, unless such disclosure to the EA is expressly prohibited by the statute, court order or subpoena.

7. Training.

Contractor shall ensure that all its employees and Subcontractors who have access to PII have received or will receive training on the federal and state laws governing confidentiality of such data prior to receiving access.

8. Termination

The obligations of this DPA shall continue and shall not terminate for as long as the Contractor or its sub-contractors retain PII or retain access to PII.

9. Data Return and Destruction of Data.

- (a) Protecting PII from unauthorized access and disclosure is of the utmost importance to the EA, and Contractor agrees that it is prohibited from retaining PII or continued access to PII or any copy, summary or extract of PII, on any storage medium (including, without limitation, in secure data centers and/or cloud-based facilities) whatsoever beyond the period of providing Services to the EA, unless such retention is either expressly authorized for a prescribed period by the Service Agreement or other written agreement between the Parties, or expressly requested by the EA for purposes of facilitating the transfer of PII to the EA or expressly required by law. As applicable, upon expiration or termination of the Service Agreement, Contractor shall transfer PII, in a format agreed to by the Parties to the EA.
- (b) If applicable, once the transfer of PII has been accomplished in accordance with the EA's written election to do so, Contractor agrees to return or destroy all PII when the purpose that necessitated its receipt by Contractor has been completed. Thereafter, with regard to all PII (including without limitation, all hard copies, archived copies, electronic versions, electronic imaging of hard copies) as well as any and all PII maintained on behalf of Contractor in a secure data center and/or cloud-based facilities that remain in the possession of Contractor or its Subcontractors, Contractor shall ensure that PII is securely deleted and/or destroyed in a manner that does not allow it to be retrieved or retrievable, read or reconstructed. Hard copy media must be shredded or destroyed such that PII cannot be read or otherwise reconstructed, and electronic media must be cleared, purged, or destroyed such that the PII cannot be retrieved. Only the destruction of paper PII, and not redaction, will satisfy the requirements for data destruction. Redaction is specifically excluded as a means of data destruction.

- (c) Contractor shall provide the EA with a written certification of the secure deletion and/or destruction of PII held by the Contractor or Subcontractors.
- (d) To the extent that Contractor and/or its subcontractors continue to be in possession of any de-identified data (i.e., data that has had all direct and indirect identifiers removed), they agree not to attempt to re-identify de-identified data and not to transfer de-identified data to any party.

**10. Commercial or Marketing Use Prohibition.**

Contractor agrees that it will not sell PII or use or disclose PII for a Commercial or Marketing Purpose.

**11. Encryption.**

Contractor shall use industry standard security measures including encryption protocols that comply with New York law and regulations to preserve and protect PII. Contractor must encrypt PII at rest and in transit in accordance with applicable New York laws and regulations.

**12. Breach.**

- (a) Contractor shall promptly notify the EA of any Breach of PII without unreasonable delay no later than seven (7) business days after discovery of the Breach. Notifications required pursuant to this section must be in writing, given by personal delivery, e-mail transmission (if contact information is provided for the specific mode of delivery), or by registered or certified, and must to the extent available, include a description of the Breach which includes the date of the incident and the date of discovery; the types of PII affected and the number of records affected; a description of Contractor's investigation; and the contact information for representatives who can assist the EA. Notifications required by this section must be sent to the EA's District Superintendent or other head administrator with a copy to the Data Protection Office. Violations of the requirement to notify the EA shall be subject to a civil penalty pursuant to Education Law Section 2-d. The Breach of certain PII protected by Education Law Section 2-d may subject the Contractor to additional penalties.
- (b) Notifications required under this paragraph must be provided to the EA at the following address:

Russell Dickson  
Director of Technology  
31 Lee Avenue  
Wheatley Heights, NY 11798  
tech@wsboces.org

**13. Cooperation with Investigations.**

Contractor agrees that it will cooperate with the EA and law enforcement, where necessary, in any investigations into a Breach. Any costs incidental to the required cooperation or

participation of the Contractor or its' Authorized Users, as related to such investigations, will be the sole responsibility of the Contractor if such Breach is attributable to Contractor or its Subcontractors.

**14. Notification to Individuals.**

Where a Breach of PII occurs that is attributable to Contractor, Contractor shall pay for or promptly reimburse the EA for the full cost of the EA's notification to Parents, Eligible Students, teachers, and/or principals, in accordance with Education Law Section 2-d and 8 NYCRR Part 121.

**15. Termination.**

The confidentiality and data security obligations of the Contractor under this DPA shall survive any termination of this DPA but shall terminate upon Contractor's certifying that it has destroyed all PII.

**ARTICLE III: PARENT AND ELIGIBLE STUDENT PROVISIONS**

**1. Parent and Eligible Student Access.**

Education Law Section 2-d and FERPA provide Parents and Eligible Students the right to inspect and review their child's or the Eligible Student's Student Data stored or maintained by the EA. To the extent Student Data is held by Contractor pursuant to the Service Agreement, Contractor shall respond within thirty (30) calendar days to the EA's requests for access to Student Data so the EA can facilitate such review by a Parent or Eligible Student, and facilitate corrections, as necessary. If a Parent or Eligible Student contacts Contractor directly to review any of the Student Data held by Contractor pursuant to the Service Agreement, Contractor shall promptly notify the EA and refer the Parent or Eligible Student to the EA.

**2. Bill of Rights for Data Privacy and Security.**

As required by Education Law Section 2-d, the Parents Bill of Rights for Data Privacy and Security and the supplemental information for the Service Agreement are included as Exhibit A and Exhibit B, respectively, and incorporated into this DPA. Contractor shall complete and sign Exhibit B and append it to this DPA. Pursuant to Education Law Section 2-d, the EA is required to post the completed Exhibit B on its website.

**ARTICLE IV: MISCELLANEOUS**

**1. Priority of Agreements and Precedence.**

In the event of a conflict between and among the terms and conditions of this DPA, including all Exhibits attached hereto and incorporated herein and the Service Agreement, the terms and conditions of this DPA shall govern and prevail, shall survive the termination of the Service Agreement in the manner set forth herein, and shall supersede all prior communications, representations, or agreements, oral or written, by the Parties relating

thereto.

## 2. Execution.

This DPA may be executed in one or more counterparts, all of which shall be considered one and the same document, as if all parties had executed a single original document, and may be executed utilizing an electronic signature and/ or electronic transmittal, and each signature thereto shall be and constitute an original signature, as if all parties had executed a single original document.

York, an exempt organization under Section 1116(a) (1) of the tax law.

Exemption certificates for federal excise taxes will be furnished upon request.

The law requires that vendors, prior to approval of contracts valued at more than \$100,000, certify that they, their affiliates, subcontractors and the affiliates of their subcontractors have a valid certificate of authority to collect New York State and local sales and compensating use taxes if the vendors, affiliates, subcontractors and the affiliates of their subcontractors have made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, during the four quarterly periods ending on the last day of February, May, August, and November which immediately preceded the quarterly period in which this certification is made.

Vendors must also certify to the contracting covered agency, at specified intervals during the terms of multi-year contracts and those contracts subject to renewal upon expiration of an initial or renewal term that they, as well as their affiliates and subcontractors making sales delivered within New York State, have a valid certificate of authority to collect New York State and local sales and compensating use taxes.

Proposed Vendors to New York State are hereby notified that provisions to meet the statutory requirements will be contained in all Bid Documents for products and services valued in excess of \$100,000. Proposed Vendors will be required to affirm, immediately upon request by the Office of General Services if affirmation is not contained in the Bid Documents, that proposed Vendors, and to the best of their ability that their affiliates, subcontractors and subcontractors' affiliates are duly registered with the Tax Department and hold a valid certificate of authority.

**CERTIFICATION PURSUANT TO  
GML 103-g IRANIAN ENERGY SECTOR DIVESTMENT**

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law (“SFL”) §165-a and General Municipal Law (“GML”) §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the District, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

(a) The person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph

(b) of subdivision three of Section 165-a of the SFL and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder’s certification.

By submission of this proposal, each proposer and each person signing on behalf of any proposer certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each proposer is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.

In any case where the bidder or proposer cannot certify that it is not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The District may award a bid to a bidder who cannot make the certificate on a case by case basis if:

(1) The investment activities in Iran were made before the effective date of this section (April 12, 2012), the investment activities in Iran have not been expanded or renewed after the effective date of this section, and the person has adopted, publicized, and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or

(2) The political subdivision makes a determination that the goods or services are necessary for the political subdivision to perform its functions and that, absent such an exemption, the political subdivision would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, added new provisions to the State Finance Law (SFL), §165-a and General Municipal Law (GML) §103-g effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b) and GML §103-g, the initial list is expected to be issued no later than 120 days after the Act’s effective date, at which time it will be posted on the OGS website.

By submitting a response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Proposer (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Proposer is advised that once the list is posted on the OGS website, any Proposer seeking to enter into, renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is bid upon or a proposal submitted, or the contract is renewed, extended or assigned that it is not included on the prohibited entities list.

# Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

*To be added as an Addendum to any applicable contracts entered into by Western Suffolk Boces*

## **I. REMEDIES**

Any contracts for more than the simplified acquisition threshold, currently set at \$250,000, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. See 2 C.F.R. Part 200, Appendix II(A). These stipulations must be included in the contract language.

## **II. TERMINATION FOR CAUSE AND CONVENIENCE**

Any contract entered into pursuant to a Bid/RFP may be terminated at any time during the term of the contract by Western Suffolk Boces through notification in writing to the other party via certified mail of the desire to cancel. Such notice shall be serviced not less than thirty (30) days prior to the desired termination date.

## **III. EQUAL EMPLOYMENT OPPORTUNITY**

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Western Suffolk Boces (herein after also referred to as “applicant”) further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order.

In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

- 4. In compliance with the Disaster Recovery Act of 2018, Western Suffolk Boces and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

## **XII. CHANGE CLAUSE**

Any changes will be subject to the policies and procedures included in the Western Suffolk Boces Purchasing Policy and Procedure Manual.

Change orders are not subject to competitive bidding requirements because they are not viewed as new procurements. The County is allowed to modify contracts without competition “so long as such modification does not alter the essential identity or the main purpose of the contract.”

While it is not unusual to have deductive change orders, change orders usually increase the cost of the contract. Individual change orders and aggregated change orders that remain below 10% of the value of the contract or \$20,000, whichever is less, do not require approval from the Legislature. The department head that is responsible for the project will have the authority to approve Change Orders under this threshold.

If additional funding is required to allow additive change orders on contract, then a corresponding budget or capital project amendment should be processed by the department responsible for the contract. The department head must identify the source of the additional funds and obtain approval from both the County Treasurer and the County Legislature for the appropriate budget and/or capital project amendment.

Projects exceeding \$200,000 should include a 10% contingency when projects are budgeted. Therefore, any change orders with an aggregate total of more than 10% of the initial contract cost, or \$20,000, will require approval the Treasurer and the County Legislator in the form of a resolution approving both the change order and a budget amendment funding the additional work.

Change orders exceeding the aggregate amount of 10% of the value of the contract or \$20,000, whichever is less, may be approved post facto by the Legislature only when funds are available in the budget or the capital project and the delay in the approval of the change order would materially affect the outcome of the project schedule or overall budget. When change orders fall into this category, the Legislature must be notified immediately of the change order and the upcoming resolution to approve said change order.

Change orders may not be included on pay requests from contractors or vendors until they have been approved in compliance with the policy as described above.

## **XIII. DHS SEAL, LOGO, AND FLAGS**

The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

**XIV. COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS**

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

**XV. NO OBLIGATION BY FEDERAL GOVERNMENT**

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

**XVI. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS**

The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this contract.

**XVII. CONTRADICTION OF TERMS AND CONDITIONS**

In the event that any terms of this addendum contradict any terms or conditions of the main body of the contract, the more restriction terms and conditions shall apply.`

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

## NON-COLLUSIVE BIDDING CERTIFICATION

### I. GENERAL BID CERTIFICATION

The undersigned bidder affirms and declares that he has carefully examined the advertised invitation for bids, the terms and conditions (indicated in subparagraph IV below), and detailed specifications and certifies that this bid is signed with full knowledge and acceptance of all the provisions thereof.

### II. NON-COLLUSIVE BIDDING CERTIFICATION

By submission of this bid proposal, the bidder certifies that he is complying with Section 103-D of the General Municipal Law as follows:

Statement of non-collusion in bids and proposals to political subdivision of the state. Every bid or proposal hereafter made to a political subdivision of the state or any public department, agency, or official thereof where competitive bidding is required by statute, rule, regulation, or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury: non-collusive bidding certification.

- (a) By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:
- (b) The prices in this bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
- (c) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and
- (d) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

- (e) A bid shall not be considered for award nor shall any award be made where (a), (b), (c) and (d) above have not been complied with; provided, however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement, which sets forth in detail the reasons therefore. Where (a), (b), (c) and (d) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of purchasing unit of the political subdivision, public department, agency, or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

III. The fact that a bidder (a) has published price lists, rates, or tariffs, covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph II (c).

IV. Any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in subdivision one of the section, shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

V. The bidder certifies that no member of the Board of Cooperative Educational Services nor any employee or officer thereof is directly or indirectly interested in this bid.
